

Top 10 best comedy movies ever

Here are the best, entertaining comedies that will surely help you have moments of relaxation and laughter. That is : Even God Laughs, Home Alone, Anger Control, Spy Johnny English, The Legend of Burgundy, Kung Fu Ultimate, Mr Bean's Vacation, Three Idiots, School Police, Deadpool

1. Even God must laugh – The Gods Must Be Crazy (1980)

The content of the film is true to its name, there are humorous situations that make the audience have "laughing off the chair" phase.

The film's setting is where Xi's Sho tribe live. It's an isolated place in the Kalahari Desert, completely isolated from what's happening in the modern world.

The story begins when a passenger on an airplane throws a bottle of Coca-Cola on the spot where this tribe lives. The people in the tribe believe that it is a gift from God, so they find ways to own and use it for different purposes. This makes everyone's peaceful and happy life suddenly disturbed. Xi thought that this object brought misfortune to the community, so he decided to throw the bottle away at the end of the world. On his journey, this aboriginal guy had many troubles because he had to come into contact with many objects and modern life.

2. Home Alone – Home Alone (1990)

The content of the film revolves around the confrontation between the mischievous boy Kevin McCallister at home alone and two evil thieves. With great intelligence and courage, the boy fought two thieves to protect his house and bring the audience burst of laughter.

3. Anger Management - Anger Management (2003)

The content of the film revolves around the uncontrolled anger treatment course of a gentle guy Dave Buznik (played by Adam Sandler). Very funny situations took place when the doctor treating Dave was as nervous as he was!

4. Johnny English - Johnny English (2003)

The main character of the film is Johnny English, an employee of the British intelligence agency MI7. After an incident, all MI7 agents were killed, except Johnny English and his assistant Angus Bough. Johnny English becomes the main investigator for the case against the Queen's crown. The funny situations in the film make the audience laugh "overwhelmed".

5. Legend of Burgundy – The Anchorman: The Legend of Ron Burgundy (2004)

The Anchorman: The legend of Ron Burgundy, with humorous and amusing situations, has brought the audience moments of entertainment and laughter.

6. Ultimate Kung Fu – Kungfu Hustle (2004)

With the performance of veteran comedian Chow Tinh Tri and extremely magical Kung fu fights and silly humorous situations, the film makes the audience both satisfied and have moments of laughter. .

7. Mr Bean's Holiday – Mr Bean's Holiday (2007)

'Fool guy' Mr. Bean has an interesting trip to France after winning the lottery game at the church. A series of troublesome situations caused by Mr. Bean's clumsy, naive and humorous personality brought laughter to the audience.

8. Three Idiots – 3 Idiots (2009)

The content of the film tells the friendship of three boys Rancho and 2 best friends, Farhan Raju and Rancho, from when they were students to adulthood.

The highlight of the film is the humorous episodes with funny actions and "salt" dialogues of the characters that are both amusing and send meaningful messages about friendship, passion and pursuit. .

9. School Police – 21 Jump Street (2012)

The film is about two policemen, Schmidt and Jenko, who infiltrate a high school to break a huge drug sales ring.

The two guys put away their guns and badges to carry their bags back to the familiar high school. The process of getting used to a new life and having to track down the drug dealers is much harder than they imagined. The action-packed comedy series makes the movie engaging and interesting.

10. Deadpool - Deadpool (2016)

This movie is not intended for children under the age of 16. The content revolves around Wade Wilson, a mercenary who is experimented with becoming a Deadpool mutant with super-fast recovery like Wolverine.

With a new ability, Deadpool is determined to hunt down the man who ruined his life. With an unusual sense of humor, a bit 'crazy', Deadpool makes viewers laugh with immortal monologues but full of humanity.
