

10 Christmas-themed YouTube backgrounds to help create a festive atmosphere

These Christmas-themed YouTube backgrounds include popular Christmas hits, traditional music, and cozy winter sound effects to get you in the festive spirit.

Instead of a blank black screen, why not turn your TV into a festive backdrop this year to add a cosy and Christmassy atmosphere to your living space? These Christmas-themed YouTube backgrounds feature popular Christmas hits, traditional music and cozy winter sound effects to get you in the festive spirit.

1. 4K Christmas Ambience TV Backgrounds

The 4K Christmas Ambience playlist from the Relax with TV Backgrounds channel offers something for every holiday mood, from cozy snow globes and Christmas lights to crackling fireplaces and festive decorations in ultra-high definition. Meanwhile, a great range of ambient holiday music is on offer, from soft jazz to classical guitar to big band orchestra.

2. White Christmas Playlists

For many of us, Christmas wouldn't be complete without the songs of Frank Sinatra, Dean Martin, Bing Crosby, and Nat King Cole. The White Christmas channel has more than two dozen playlists dedicated to these beloved crooners from the heyday of swing music. Many of these playlists feature classic fireside tunes and often run for more than two hours.

3. Holiday Backgrounds Playlist

If you're not looking for anything specific from your holiday YouTube background, the Holiday Backgrounds channel has a number of random videos. Each video in the channel's Christmas Backgrounds Playlist has a unique aesthetic and soundtrack, with a wide selection of realistic and graphic designs.

4. Smooth Jazz BGM Christmas Playlist

While smooth jazz may not be everyone's cup of tea, this Christmas Jazz Playlist provides a classy and relaxing backdrop for your holiday festivities. The videos feature a variety of cozy living spaces, each with its own style and character, including snow-covered scenes and blazing fireplaces. This selection is notable for its lengthy running time, with many videos clocking in at around 11 hours.

5. The Snug - Christmas by the Fire

If you prefer winter sound effects over background music, The Snug has you covered. This Christmas by the Fire playlist will have you relaxing with crackling fireplace sounds and a festive atmosphere. The background is simple and looping, with soft animated flames and flickering lights to create a cozy atmosphere in your home.

6. Cozy Bedroom Christmas Playlist

The Cozy Bedroom channel helps you create the perfect Christmas atmosphere as you curl up under the covers with detailed graphic scenes depicting cozy home interiors. Behind the windows are famous cityscapes, including New York City, the Seattle skyline, and Washington, D.C. Relaxing jazz piano music and sound effects, including a crackling fire and rain on the window, complete the experience.

7. Michael Buble Christmas in 4K

Michael Buble's music may not be to everyone's taste, but the veteran crooner makes for great Christmas listening. It's a treat to be treated to over an hour of upbeat Christmas tunes, with a high-definition fire burning in the background.

8. The Christmas Pines - Relaxing Christmas Music

Tim Janis' channel has music and atmosphere for every occasion, including the Christmas season. Here we have the collection "The Christmas Pines", which features a series of well-known classic Christmas carols in a relaxed style with a variety of instruments. The settings include festive scenes, from winter landscapes to cozy interiors, with evocative images of candles and Christmas lights.

9. Instrumental Christmas Music and Crackling Fire

Here, we go back to basics with simple crackling fire animations and a relaxing playlist courtesy of Balu's Relaxing Nature channel. Even with the sound turned off, the realistic brick fireplace interior in this 4K UHD video adds a warm, cozy feel to any living space.

10. 11 Hours of Winter Wonderland

Nature lovers will definitely enjoy Nature Relaxation Films' 11 Hours of Winter Wonderland collection. It features shots of snow-covered landscapes, frozen lakes and rivers, and beautiful winter skies at sunrise and sunset. The upbeat music adds to the experience for those looking for a break from boring fireplace images and cheesy graphic design.

You can quickly and easily add some festive spirit to your surroundings with one of these Christmas-themed YouTube backgrounds on your TV. Whatever you have planned for the holiday season, make sure you take some time to relax and enjoy yourself, and get yourself in the mood for the new year ahead!
