Confucius is the Confucian enlightened person, and also the most perverted philosopher and politician of East Asia. Nearly 2,500 years have passed, but Confucian thoughts and philosophies are still considered by the people to be the truth.

Each sentence, his teachings are directed to the cultivation, the virtue of every human being, so no matter how many years have passed, the world has changed, the simple truths that go away strong and profound human heart.

Confucius has many famous sayings and teachings, in the following article, the Network Administrator will share with you reading the 10 teachings of Confucius but simple but extremely penetrating, it has a strong influence. strong to your life later. Let's contemplate.

## 1. Wherever you go, go with all your heart

Wherever you go, if you have enthusiasm and passion, those trips will be extremely interesting and meaningful, the places you set foot in, the people you meet will be centuries. unforgettable thoughts in your life. So, let's see that every trip is a new journey and experience, not to let it simply be a tasteless move.

## 2. If you hate a person, you are losing to that person

If you are jealous, angry with someone, you have failed before them. So love them so that poor people realize that you are not easily defeated. It's time for you to realize, in this world, not to be jealous, angry to be able to defeat them, just love is a kind of strategy, and only smart people know apply this strategy only.

## 3. No matter how slow it is, as long as you never give up

It doesn't matter how long it takes to be in any job in life, if you are passionate and go to the final destination, that's what is worth. Life is yours, so there's no need to pay attention to others, there's no need to compare with anyone. As long as you don't give up.

## 4. If someone speaks badly behind you, that means you are walking in front of them

Many of us know when someone deliberately speaks badly or puts things wrong about you often getting very upset and asking the industry clearly. However, such use is nothing good and high-handed, in order to handle these many people, it is best to leave your ears and not care about those things, because those who say bad things are in love Pray to go behind you for a lifetime to speak ill of you, so go on innocence and peace and go forward, even if the rear is noisy!

### 5. Good people look at themselves, small people look at others

Talented people often look at themselves to cultivate and develop, and the small person only scrutinizes others for envy, jealousy, so at the end of your life you never become talented. Come on, let's say, who will you be?

### 6. I heard and I forgot. I see and I remember. I do and I understand

If someone says something to you, listen and leave it, don't believe it or tell anyone. What your eyes have witnessed, remember, because that is the most accurate information. And what you do must definitely understand.

**7. Choose the job you love, you won't have to work one day in your life**

When you are passionate about, love a job, you will definitely do it with your heart and enthusiasm, work becomes an indispensable thing in your daily life like your breath, you Keep working like you are enjoying this life.

**8. Understand what I feel and not feel, it's true knowledge**

Learn from people around you, from life around you. Expand your knowledge with your own feelings and those of others. It will help you more than sitting in a well looking up at your peaceful sky.

**9. Losing confidence in friends is more embarrassing than being deceived by themselves**

Never lose faith in close friends. That belief should only be lost when you are truly cheated. No one can play sustainably with anyone if there are mutual doubts and envy among themselves.

**10. The virtuous people do it and then speak and speak according to what they have done**

Exaggerating yourself has never been a good and right thing. Instead of saying a lot, do a little, but do a lot. And after a new start, talk about the achievements I have made. At that time, others did not want to believe and recognize you, you still have to believe.
