

10 dreadful situations that are difficult to understand everyone have experienced

Sometimes life is so busy that we don't even notice what happens around us. If you try once to observe people closely, you will see how different we are, but sometimes we encounter similar situations.

Our life is so, no matter what happens, it will continue. There are people who live their lives repetitive, boring things that are familiar to them. But there are people who know how to create new things for themselves daily, so that their day is a happy day.

Say so, but in fact, if we look closely, we sometimes still have strange similarities. Whether a boy or a girl, whether working or going to school, you may occasionally encounter extremely familiar situations that you have experienced at least.

1. Before traveling, always promise to bring as few items as possible to have a light trip. But life is so awful, you finally carry a suitcase full of 'the world' in it.

Lần này mình sẽ mang
hành lý thật nhẹ nhàng!

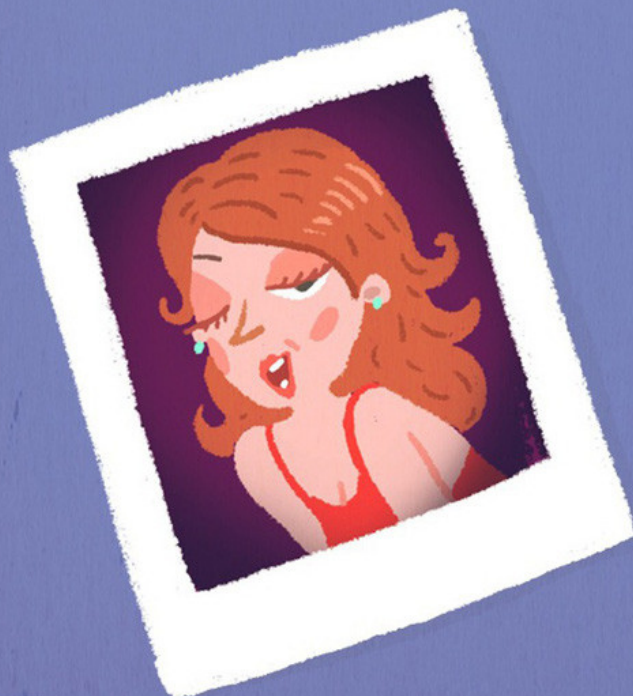

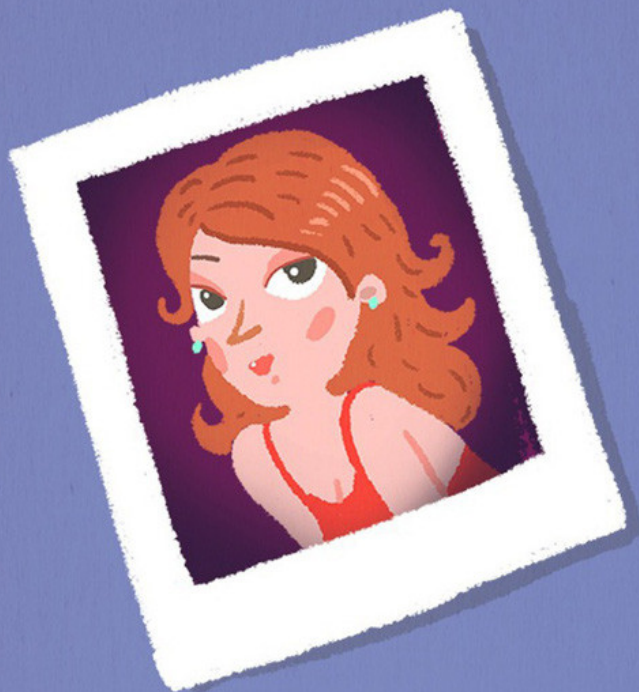

2. The more they grow up, the more they want to be alone, especially on important occasions like birthdays. But just like 'people who are not equal in nature' sometimes go against your will.

Mình không cần tổ chức
tiệc sinh nhật!

3. Taking selfie photos is a habit of most modern boys and girls. But this is also the biggest mystery of mankind that no one has found the answer. I don't understand why every photo I took when I was confident that I would be so pretty would look like a nightmare and vice versa.

Chắc chắn ảnh này
nhìn mình sẽ cực xinh cho coi!

4. When trying hot food, even knowing that trying to eat will burn, but deliberately ignoring it. The end result is burns all over the mouth for greed.

Nóng quá! Phải chờ nguội
mới uống được

5. Oral practice is always easy, very good. But when entering into real action is a completely different story.

Chưa bao giờ mình thấy sung sức
như thế này! Leo núi thôi nào!

Mọi người cứ đi trước đi!
Tớ kiệt sức rồi...

6. Before working, think about having to finish quickly to finish the job so that there are good plans to do. But in the end, those good intentions were not equal to sleep.

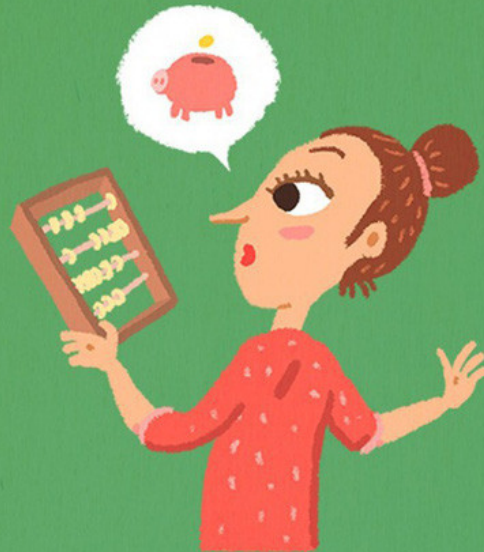

Mình có quá nhiều kế hoạch
hay ho tối nay nên giờ phải
cố gắng làm xong việc thôi!

7. Going to work with money, always telling myself that without spending money on miscellaneous things, saving money to care for the future. But in the end .

Mình phải tiết kiệm tiền thôi,
Không được mua mấy thứ
linh tinh tốn cả đồng tiền nữa!

Ôi mẹ ơi, mình phải mua ngay
cái sổ trong nhà này thôi!
Nhìn xinh quá đi mất!

8. Attraction from the series, *idol* shows are the cause of breaking all previous vows.

Nốt tập này nữa thôi rồi
mình sẽ đi ngủ. Mình thề!!!

9. The life of it is so, when I have, I don't know how to respect, and then lose and cry again and again. Love is also the same with weather.

Tôi muốn mùa hè!
Tôi phát ngán mùa đông rồi!

Bờ làng nước ơi, Mặt trời nó
đang giết tôi này! Trả mùa đông
lại cho tôi đi!!!!

10. Seeing people practicing yoga is very interesting and imagine that the light, flexible exercise scene, to be practically "disillusioned". Very miserable.

Mình mong chờ buổi học yoga
đầu tiên của mình quá đi!

Ai là người đã sáng tạo ra
thể loại hành xác này vậy?
Mình không đi tập nữa đâu!

Having fun!
