

10 great free offline games that can be played on Chrome

If you take your laptop or Chromebook with you on your way to work, whether on the train, bus, or carpool, you can pass the time with fun games that you can play offline.

These fun and free Chrome game options will keep you entertained for the time being. Best of all, you don't need an Internet connection to play them.

Note : Chrome will stop supporting its traditional apps. When launching these games, you'll see a warning that the app is no longer supported. At the time of writing, click **Open anyway** and the game should run normally, but note that this option may not be active indefinitely.

Action games and arcade games

1. Spades.co

On Spades.co, you can dive into the world of Spades, a classic card game that tests your strategic skills and partnership understanding. In Spades, the aim is to estimate how many tricks you and your partner can win in each round, with the ultimate goal of accumulating the highest number of points to win the game. It requires careful planning, precise bidding, and the ability to read your opponents' moves.

This game is perfectly suited for both beginners and seasoned players, offering a mix of strategy, teamwork, and a little bit of luck. You can play using your keyboard for quick and easy access, making it a convenient choice for a quick game session anytime.

2. Tank Riders

Picture 1 of 10 great free offline games that can be played on Chrome

Prepare for battle in Tank Riders, a 3D action game. You must attack the enemy before they take you down. To do so, guide your tank through islands and caves, and fire bouncing bullets to destroy enemies. With three game modes Campaign, Multiplayer and Invasion, there will be many interesting things to keep you entertained.

Although the game works with a joystick, for portability you can use your keyboard. Move your tank with arrow keys or WASD. Aim with **J** and **L** , and fire with the **Space** key .

3. Spelunky

Picture 2 of 10 great free offline games that can be played on Chrome

Spelunky is a cave exploration game that offers something new every time you play, as the layout of the cave is always changing. Your goal is to collect as many treasures as possible, so go through as many caves as possible.

Along the way, you will encounter enemies to defeat and dangers to overcome; it's good that you have a reliable rope to help navigate the caves with ease.

4. Basket & Ball

For a unique basketball game experience, come to Basket & Ball. With the simple goal of aiming the ball into the basket, you need to solve puzzles and overcome dangerous obstacles along the way. Watch out for fire, spikes on the road and use the trampoline to reach the goal.

Use the arrows to move the ball in the direction you want and the **Space** key to throw. If you quickly press the **Space** key, you will create a powerful throw needed to overcome some obstacles. Basket & Ball is definitely a difficult game, but also a lot of fun.

5. Chrome Dino

Picture 3 of 10 great free offline games that can be played on Chrome

Unlike the other games on this list, Chrome Dino is not an app. Instead, it's a built-in browser game that appears when you open Chrome without an Internet connection. But even if the connection is back, you can still access the game at any time by visiting *chrome://dino/* in your address bar.

Chrome Dino runs endlessly, very simple, but extremely addictive. The longer you run, the higher your score. Press SPACEBAR to jump and down arrow to avoid obstacles.

Board games and card games

6. Memo-Flip

You won't regret spending your time on a good solitaire game. This version for Chrome offers 9 different modes for you to choose from, including Klondike, Pyramid, Free Cell and Spider.

There's a hint feature if you get stuck, along with the ability to undo. Challenge yourself by getting the highest score in the least amount of time. If you love solitaire, then you will definitely love this offline version.

If it reminds you of the original Windows solitaire game, you can also bring your classic Windows games back and enjoy them offline.

Puzzle game

8. Cut the Rope

Picture 6 of 10 great free offline games that can be played on Chrome

This game has been around for many years and won awards. Cut the Rope is a fun and exciting physics puzzle game. Your goal is to feed the cute monster named Om Nom with candy, while trying to collect three stars in each level.

As the name suggests, you do this by cutting the strings in the correct order, sending the candy swaying across the level. Watch out for spiky objects, use bubbles to your advantage, and keep Om Nom happy as you move through different worlds.

9. 2048

Picture 7 of 10 great free offline games that can be played on Chrome

The puzzling and challenging 2048 is a popular conundrum. The game starts by sliding the tiles up, down, left or right. Numbers on cells merge when they match. For example, when two 4s combine, it will produce an 8. The goal is to keep merging and doubling the number before running out of space on the board.

Use the arrow keys on your keyboard to move the cells in the desired direction. You score while moving; When the cells are filled, your game will be over. For brain stimulation on the way to work, 2048 is the perfect choice.

10. Word Seek

Picture 8 of 10 great free offline games that can be played on Chrome

If you're looking for a fun old-fashioned word, download the free offline game Word Seek for Chrome. It allows you to create grids of different sizes and the words can be themed or random.

Also, if you want to increase the challenge, you can enable settings like hiding word lists or removing all vowels.
