

## Top 10 impressive watches in 2020

In 2020, many brands will launch new models with sophisticated designs. GQ has selected a range of accessories with the most impressive design and quality.

The \$ 8,100 **Rolex Submariner** achieves an unprecedented luxury in any previous version. The watch model is an update to the old design launched in 2012.

Every part of the **Omega Speedmaster Moonwatch Caliber 321** is hand-built. The design is an upgraded version of the watch that astronaut Gene Cernan used to wear when he went to the Moon in 1972. The brand currently sells model accessories for \$ 14,100.

Tudor Black Bay Fifty-Eight "Navy Blue" is appreciated for its neat design, blue face. The design feels classic with a sturdy strap. Believers need to spend \$ 3,700 if you want to own this accessory model.

First introduced in 1936, the Cartier Tank Asymétrique was a low weight compared to conventional watches. The latest version makes accessories even more popular.

Wes Lang - writer specializing in learning about watches of GQ - said: "Everything Grand Seiko makes is valuable in time". Grand Seiko Elegance Model SBGM241 further confirmed that point. The \$ 5,200 design is nostalgic with a leather strap, green dial.

Zodiac limited edition Super Sea Wolf GMT has a unique color scheme. The design is currently priced at \$ 1,700. All Zodiac's watches use movements made in Switzerland.

Self-winding Vacheron Constantin FiftySix costs \$ 18,700. The design is like a chocolate bar with a harmonious color scheme between brown tones.

Accessory model Supreme x Jacob & Co. Time Zone 40mm worth 12,000 USD studded with diamonds and strap made from crocodile leather. The design has a luxurious design mixed with the distinctive personality of the American brand.

**Timex** has duplicated successfully by reissuing the \$ 279 Timex M79 Q model . Design has a vintage vibe, like watches of the 70's. Besides, the accessory model has an automatic movement with a power reserve of up to 40 hours.

**Grand Seiko SBGW262** is pure black from the traditional Japanese Urushi lacquer. The \$ 30,000 design looks classy with gold trim.
