2. 14 best free shooter titles on mobile devices (part 1)
3. 13 best survival games on Android

## List of mobile games with quality gameplay

### 1. Angry Gran 2

1. Download Angry Gran 2 Android

In the category of fun Arcade games, Angry Gran series will take you on the journey of an old woman collecting money by attacking passersby.

With this seemingly strange play content, Angry Gran has attracted me a large number of players without requiring you to be as technically advanced as other tactical games. Coming to Angry Gran 2, requests and challenges increase. You will be prepared with various weapons that are equipped to hit passers-by, collect bonuses for yourself. However, you need to pay attention not to mistakenly attack the police.

## **2. Cut the Rope 2**

1. Download Cut the Rope 2 Android
2. Download Cut the Rope 2 iOS

Journey to puzzle with Om Nom monster in Cut the Rope 2 will bring challenging and attractive candy cut scenes to players. Your task is to choose a clever way to cut the candy into the On Nom mouth.

In this part 2, we will get acquainted with many new characters, with the role of helping you get candy faster when possessing different abilities. Lick is the ability to use the tongue to create a path for the candy, with Blue being a mirroring ability, etc. It is important how you will use those characters to help you.

### 3. Speedy Ninja

1. Download Speedy iOS iOS
2. Download Speedy Ninja Android

Speedy Ninja belongs to the genre of Endless runner game like Temple Run or Sonic Dash, so you will easily imagine the gameplay of Speedy Ninja. Become a legendary Ninja, players will perform quests and collect items

along the way. Support for endless running tasks are weapons derived from legend stories. Besides, the game also stated how to use the main index with statistics.

#### 4. Subway Surfers

1. Download Subway Surfers Android
2. Download iOS Surf Surfers

Subway Surfers is definitely an extremely familiar name for those who often play endless series of games. Like Speedy Ninja and the same games, Subway Surfers will also bring gamers to the journey to speed collecting items.

You will need to help little Jake to run away from the policeman to chase right behind and the dog with sharp teeth. If you run on the road accidentally hit an obstacle, the distance between you and the police officer will be narrowed. Remember to collect for yourself a lot of coins, especially the additional items to increase the power when playing.

## 5. Dr. Driving 2

1. Download Dr. Driving 2 iOS
2. Download Dr. Driving 2 Android

Sorted into the category Racing game but Dr. Driving 2 is not like other racing games. Moderate travel speed, mainly flat road on highway, Dr. Driving 2 requires the skill of parking in the right 'stall' without causing an accident. On the way, gamers must adjust their speed to ensure proper lane, not colliding with other vehicles.

## 6. Grand Prix Story 2

1. Download the Grand Prix Story 2 Android game
2. Download the Grand Prix Story 2 iOS

Grand Prix Story 2 is a racing simulation game with classic graphics. You will become the coach of a racing team and train them to become great racing athletes. Besides, the manager is also responsible for finding sponsors, upgrading car parts for the whole team.

## 7. Joe Danger

1. Download Joe Danger iOS

If you like motorbike racing, Joe Danger is a bad choice. Joe Danger takes you to dangerous, challenging roads, forcing you to show off your driving skills. The techniques of driving around the aerial loop will constantly be done in Joe Danger.

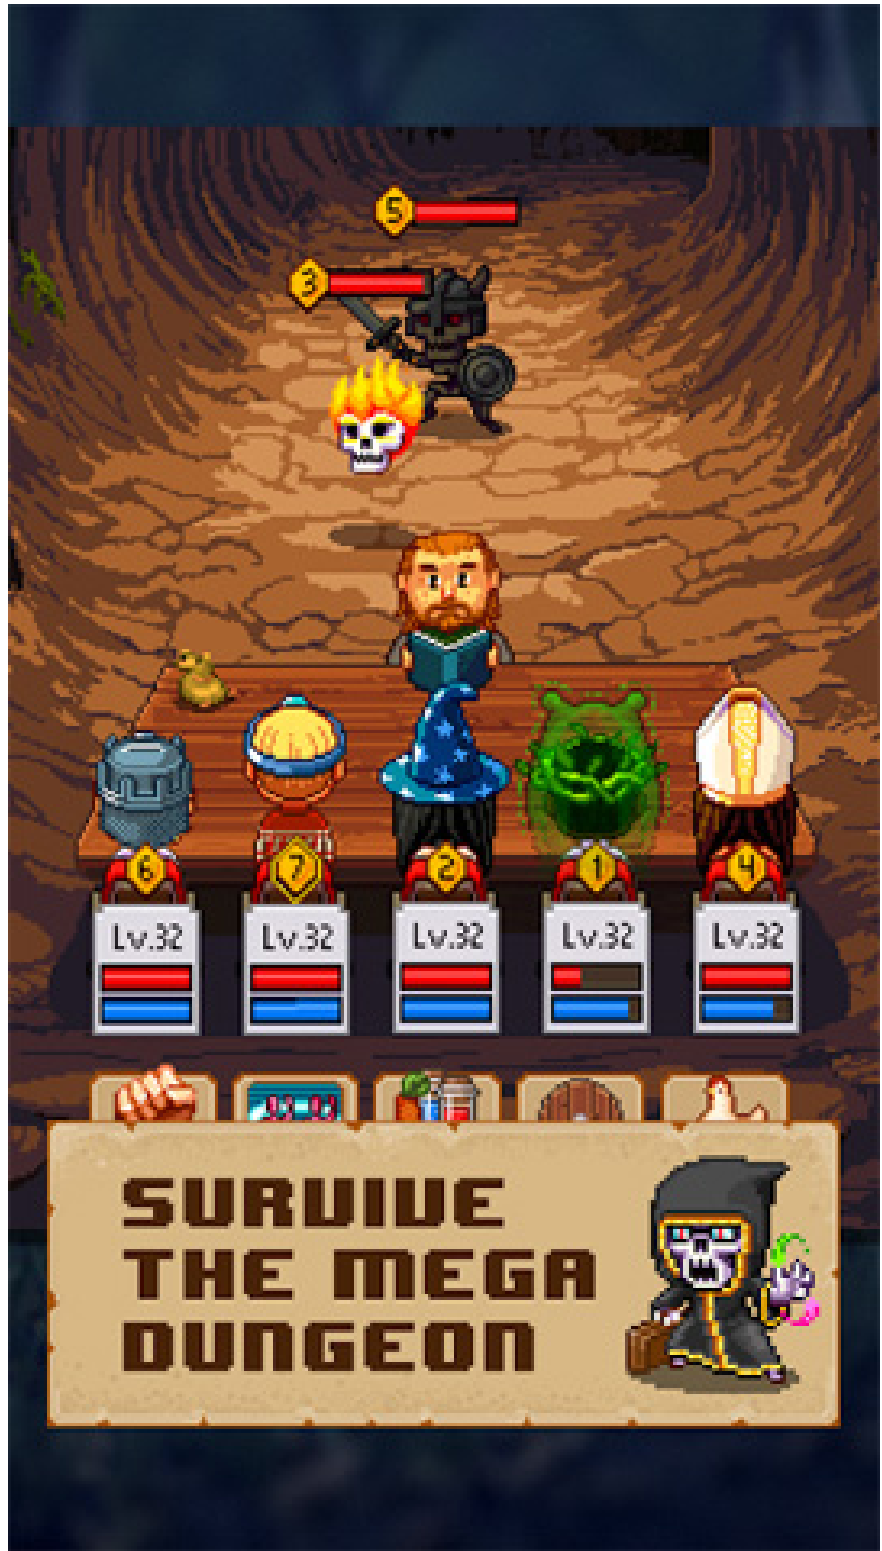

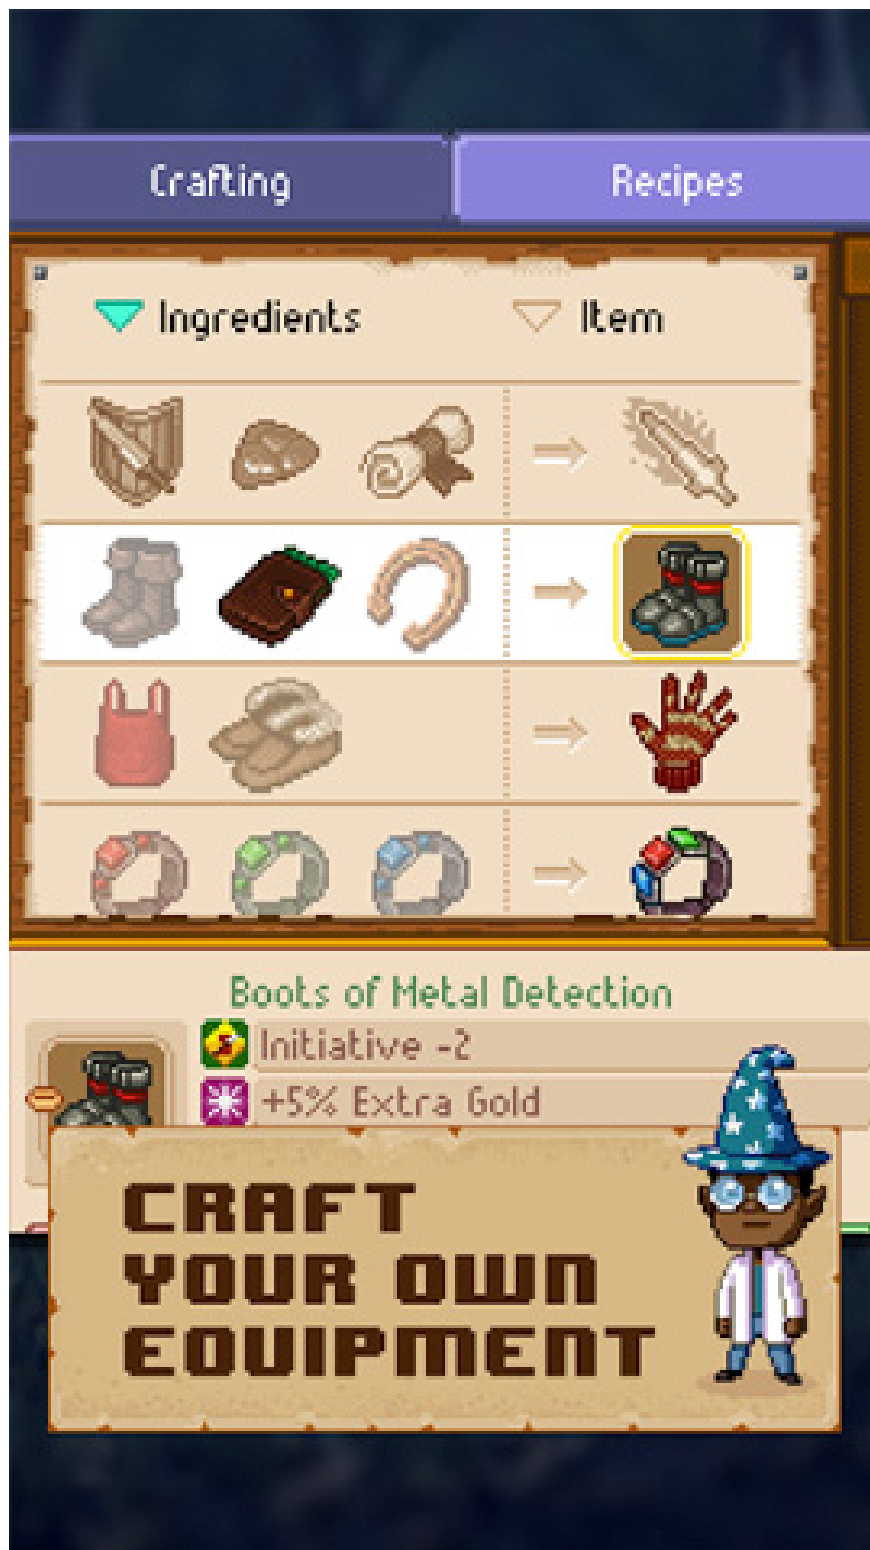

## 8. Knights of Pen and Paper 2

1. Download the Knights of Pen and Paper 2 iOS
2. Download Knights of Pen and Paper 2 Android

Knights of Pen and Paper 2 reminiscent of the 16-bit graphics game with a catchy, fun sound. With turn-based strategy and storyline, participants will make the mysterious dungeon journey full of challenges you never expected.

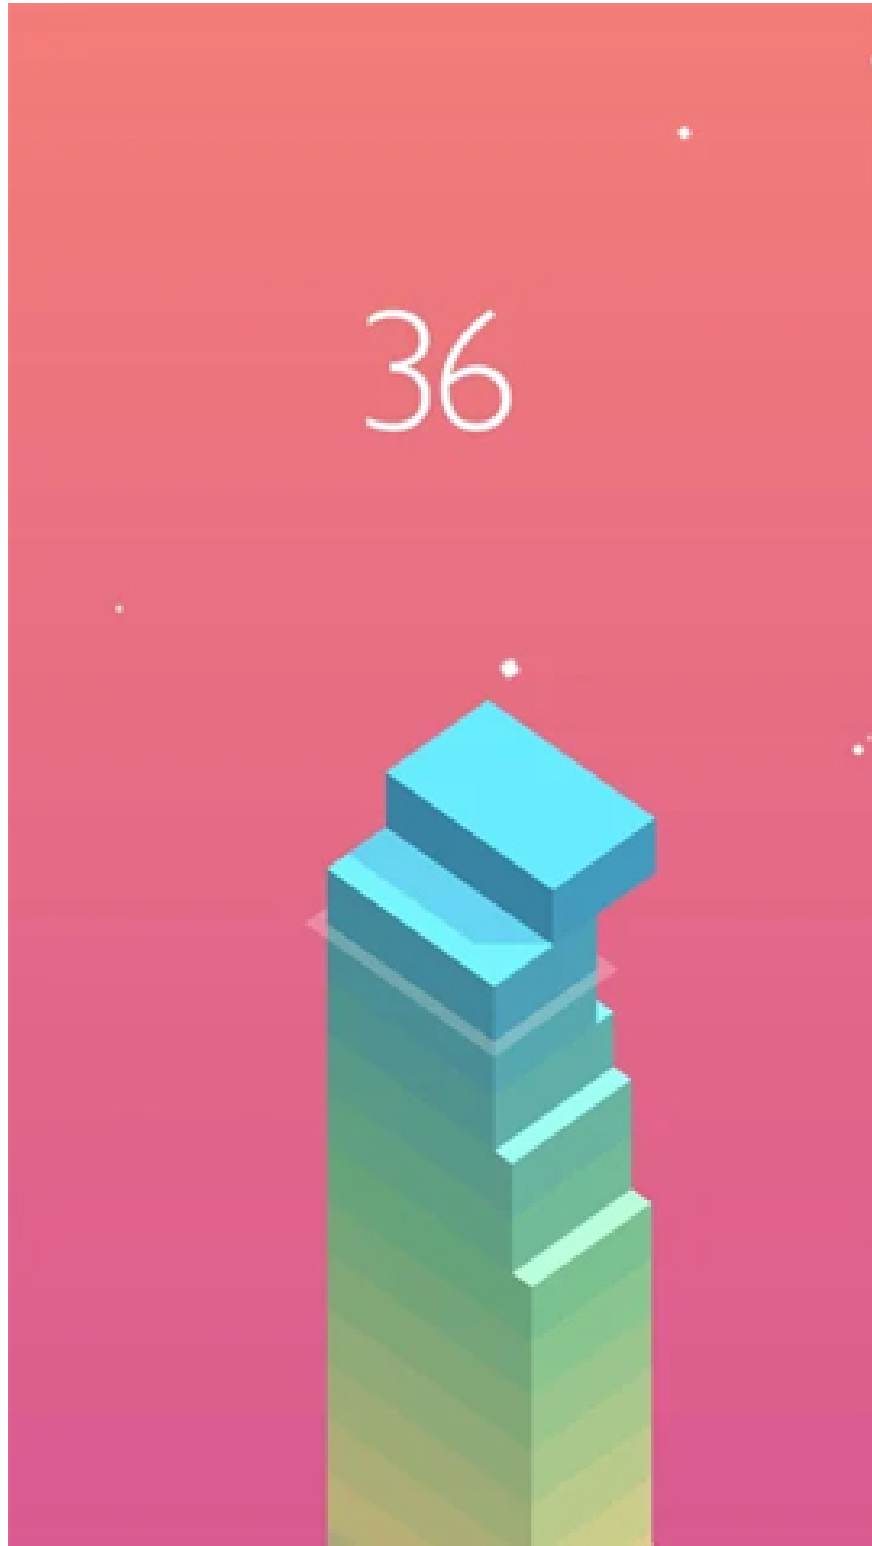

## 9. Stack

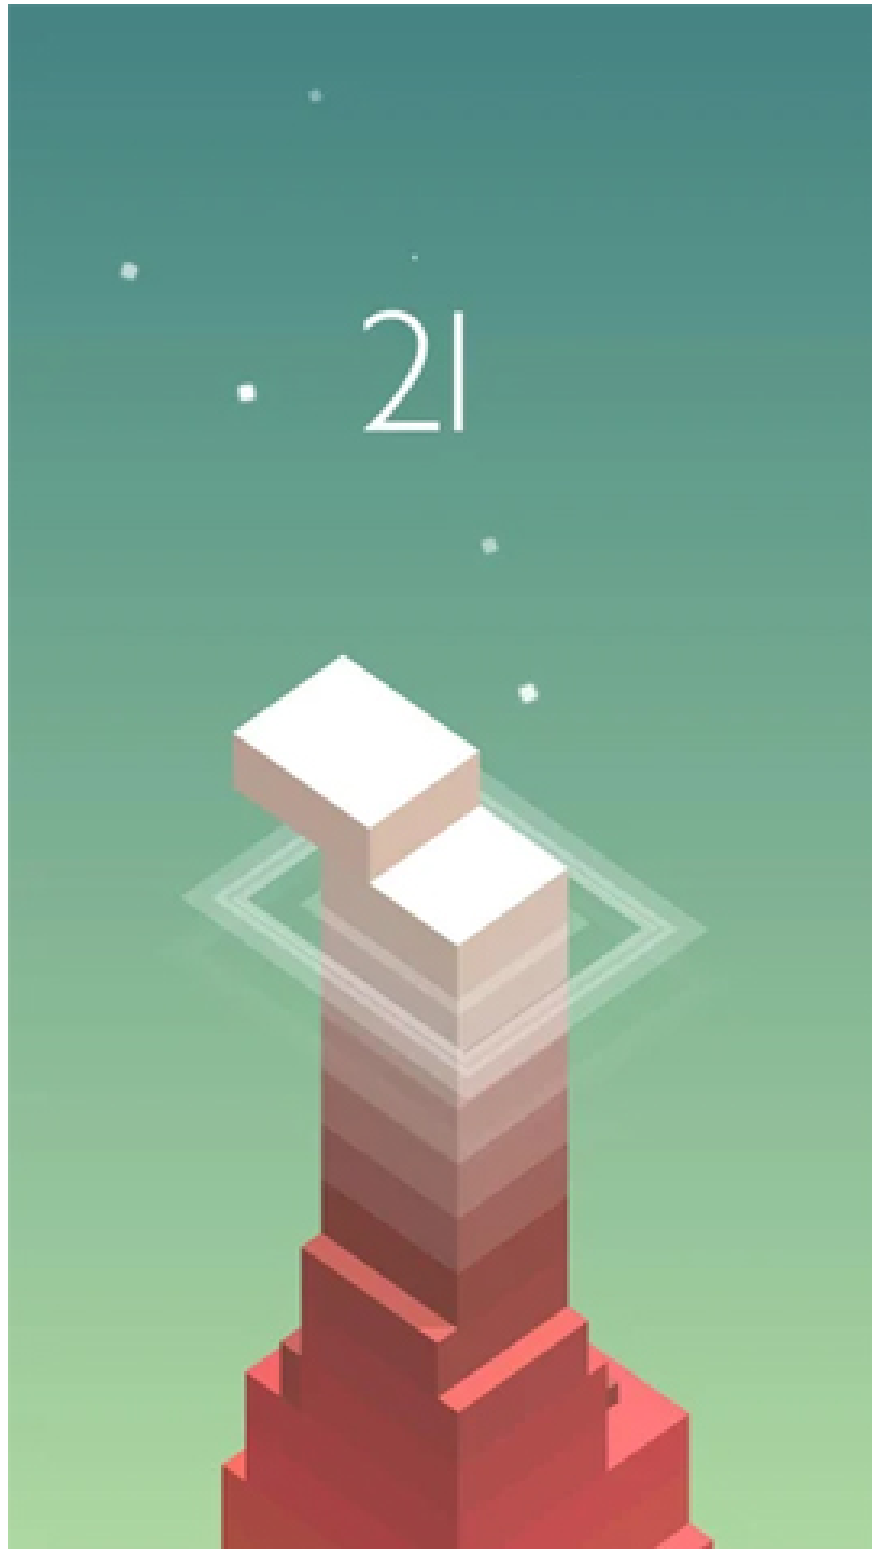

1. Download Stack Android game
2. Download Stack iOS game

The contents and requirements of the Stack are extremely simple, which is to arrange the pieces as high as possible with increasing time. If you have ever played a high-rise building, you will probably get to know the

rules of Stack.

You must select the correct drop point and click on the screen to place the pieces together. If the set is misaligned, the size of the rectangular pieces will decrease and the speed will increase. So players will have more difficulty in arranging wood. If the correct touch is set continuously, the column size will be enlarged. The game will end if the pile column collapses.

## 10. NinJump

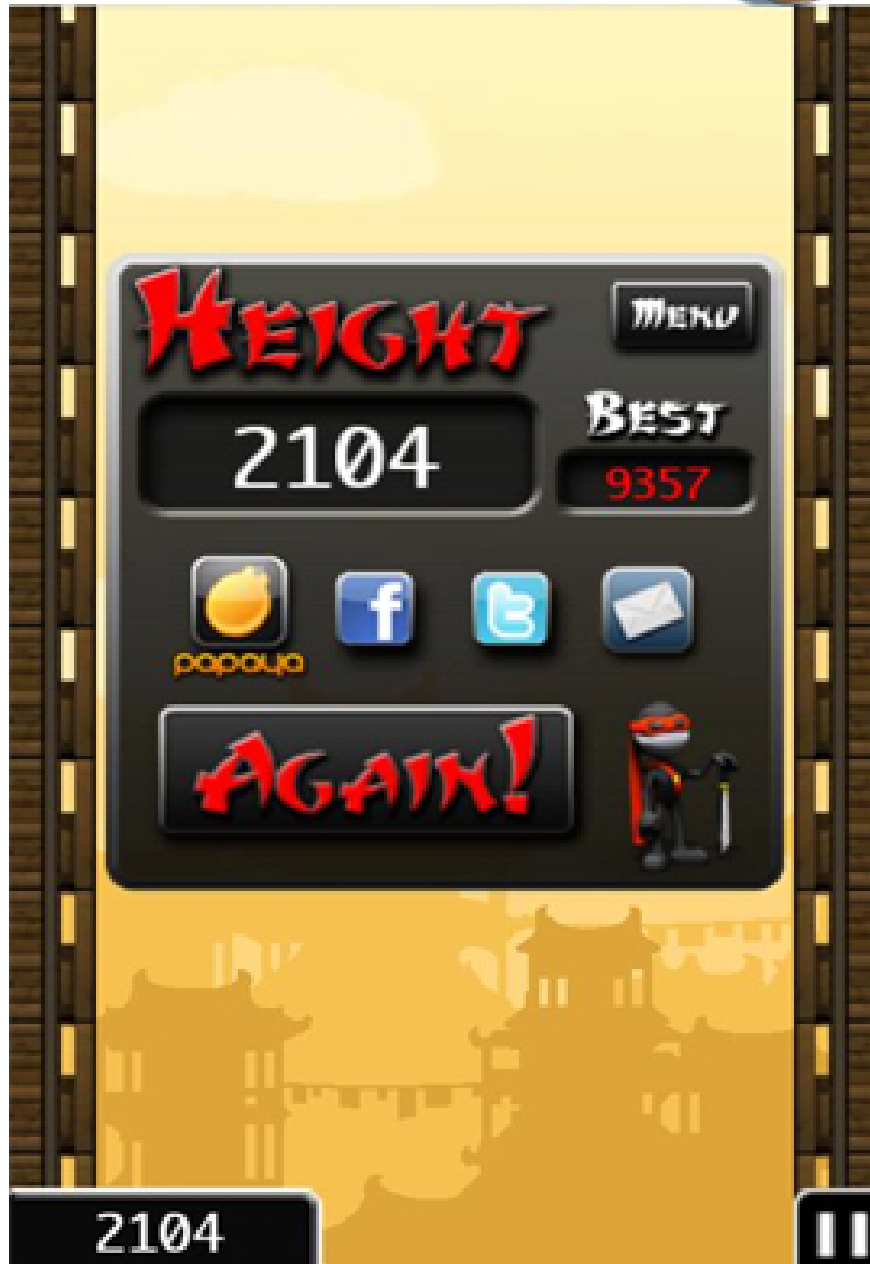

1. Download NinJump iOS
2. Download NinJump Android

According to the endless run, NinJump creates vertical terrain, meaning that the higher the player, the higher the climb. As Ninja with skill, the player will need to avoid all obstacles and collect many items for his journey.
