

10 signs of an effective working group

Teamwork has been very familiar to us in recent years. However, not everyone knows how to work effectively.

Working in teams (teamwork), it is not simply about completing the assigned part but it also requires each person to practice a lot of skills to be able to adapt. It is for this reason that a common fact is that there are many people who can maximize their ability to work independently but if assigned to a certain team, the enthusiasm and efficiency are greatly reduced.

So what is an effective working group? First of all, it is the productivity, the quality of work completion and the second most important thing is that the members of the team have respect, sincere interest in each other, not selfish, because personal benefits or blame. They all work together to achieve the goal of the whole team.

Here are the 10 most obvious manifestations of a quality Team.

Đồng lòng, không ích kỷ

Tôn trọng ý kiến của nhau

Không đổ lỗi cho người khác

Biết động viên, khen ngợi nhau

Không đứng ngoài cuộc

Không ngại yêu cầu được giúp đỡ

Tôn trọng các phản bác

Biết cách thỏa hiệp với nhau

Ủy quyền trách nhiệm

Thành công thuộc về tất cả mọi người
