

## 12 caricatures of real life make you ponder

Maybe after observing the sarcastic images of real life, it takes a while for you to understand the deep meaning behind that the author wants to convey to each person. Here are 12 works by famous artist Painter Gunduz Agayev.

Maybe after observing the sarcastic images of real life, it takes a while for you to understand the deep meaning behind that the author wants to convey to each person. However, there are still photos that just look at it can recognize the clear message expressed in it. Here are 12 works by famous artist Painter Gunduz Agayev.

In this series, Gunduz Agayev focuses on the problems of modern society today. There are a lot of opinions and contradictions about Gunduz Agayev's view of the situation by some photos related to political issues. However, whether you agree or disagree, this is a photo that deserves time to watch and ponder. Remember: The message of each picture I think of, may not be consistent with the content of the author and depending on each person's feelings.

**Be careful when you hear someone say something to you because it is not really their true face.**

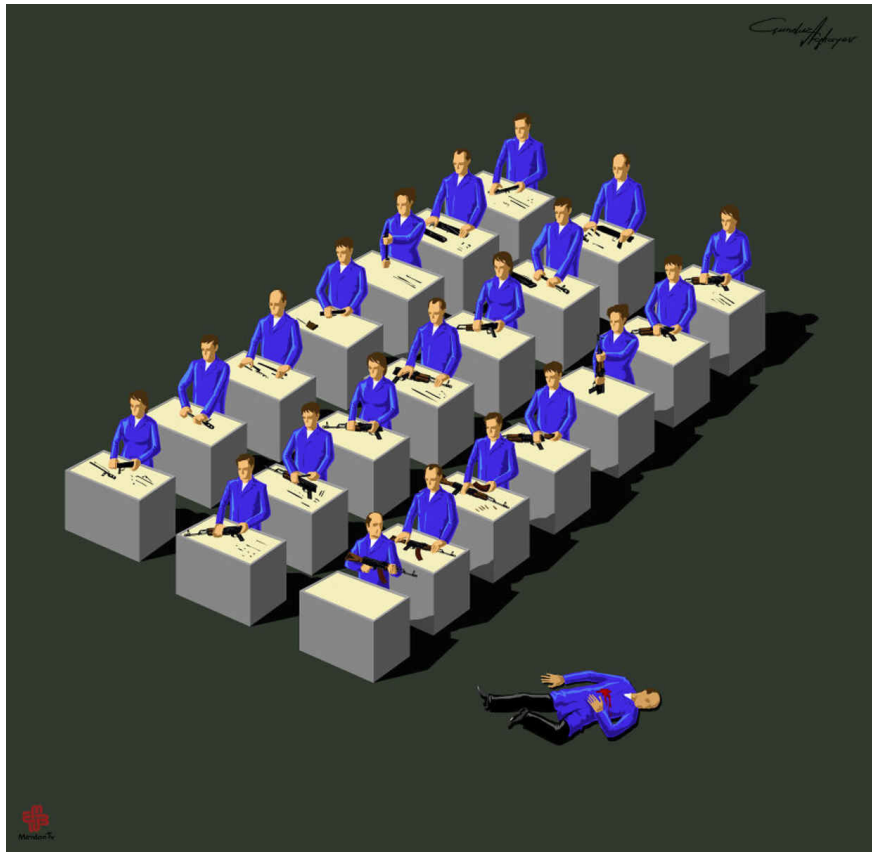

**The pill called "Life"**

At birth .

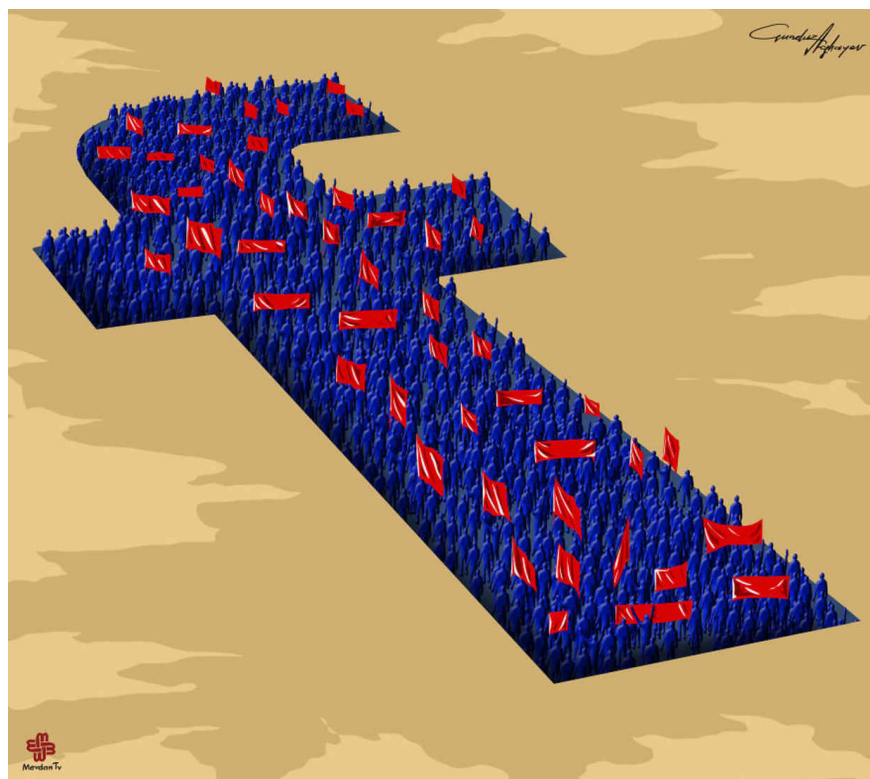

**There are too many stages to assemble a gun but just one bullet can kill someone!**

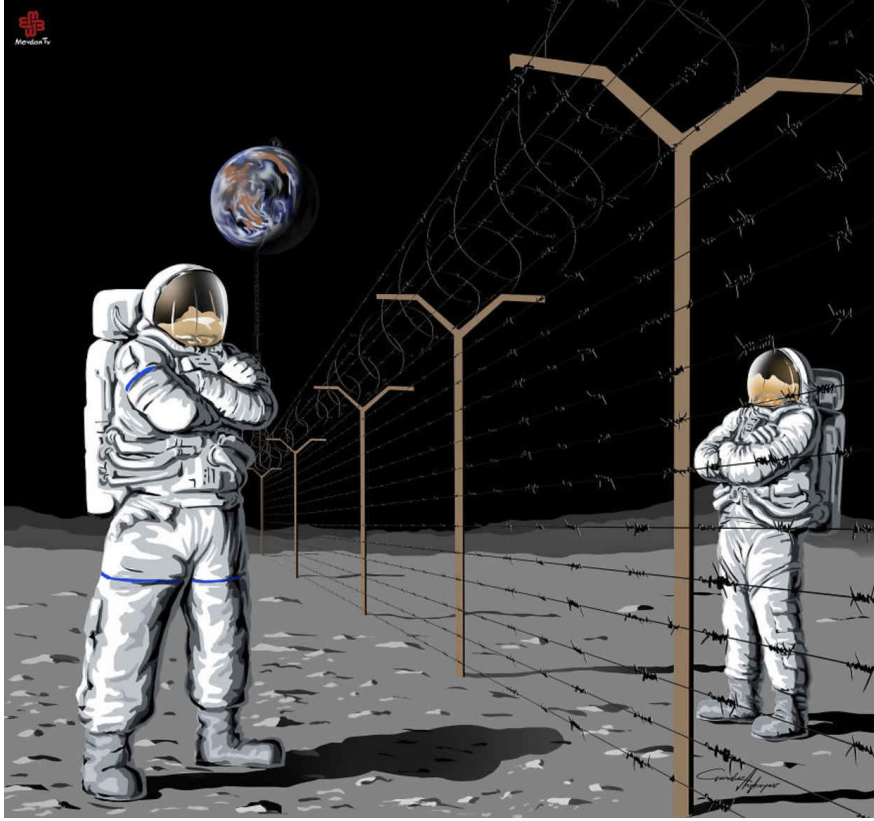

**Cramped life on Facebook**

**Whether on earth or in the universe, we humans want to own things that don't belong to them!**

**Life and death are separated by a visa card only!**

**Be careful with actions for others, because it can make them evil.**

**They are all human but why is their life so different?**
