## 2. Documents 5 download TikTok videos on iPhone

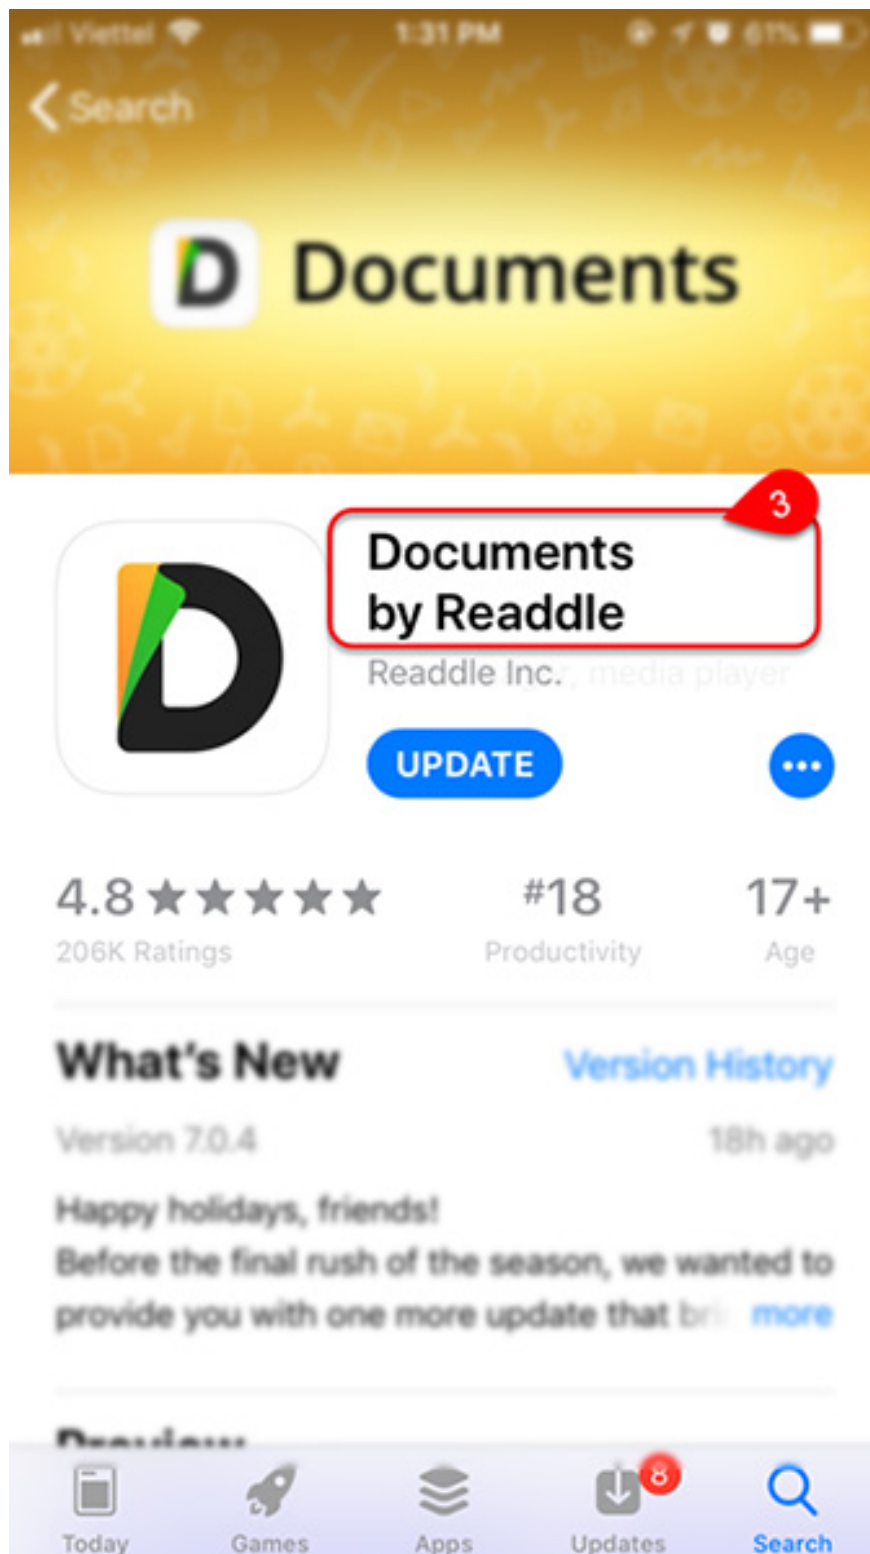

Open the TikTok app, find the video you want to download and select **the share icon** .

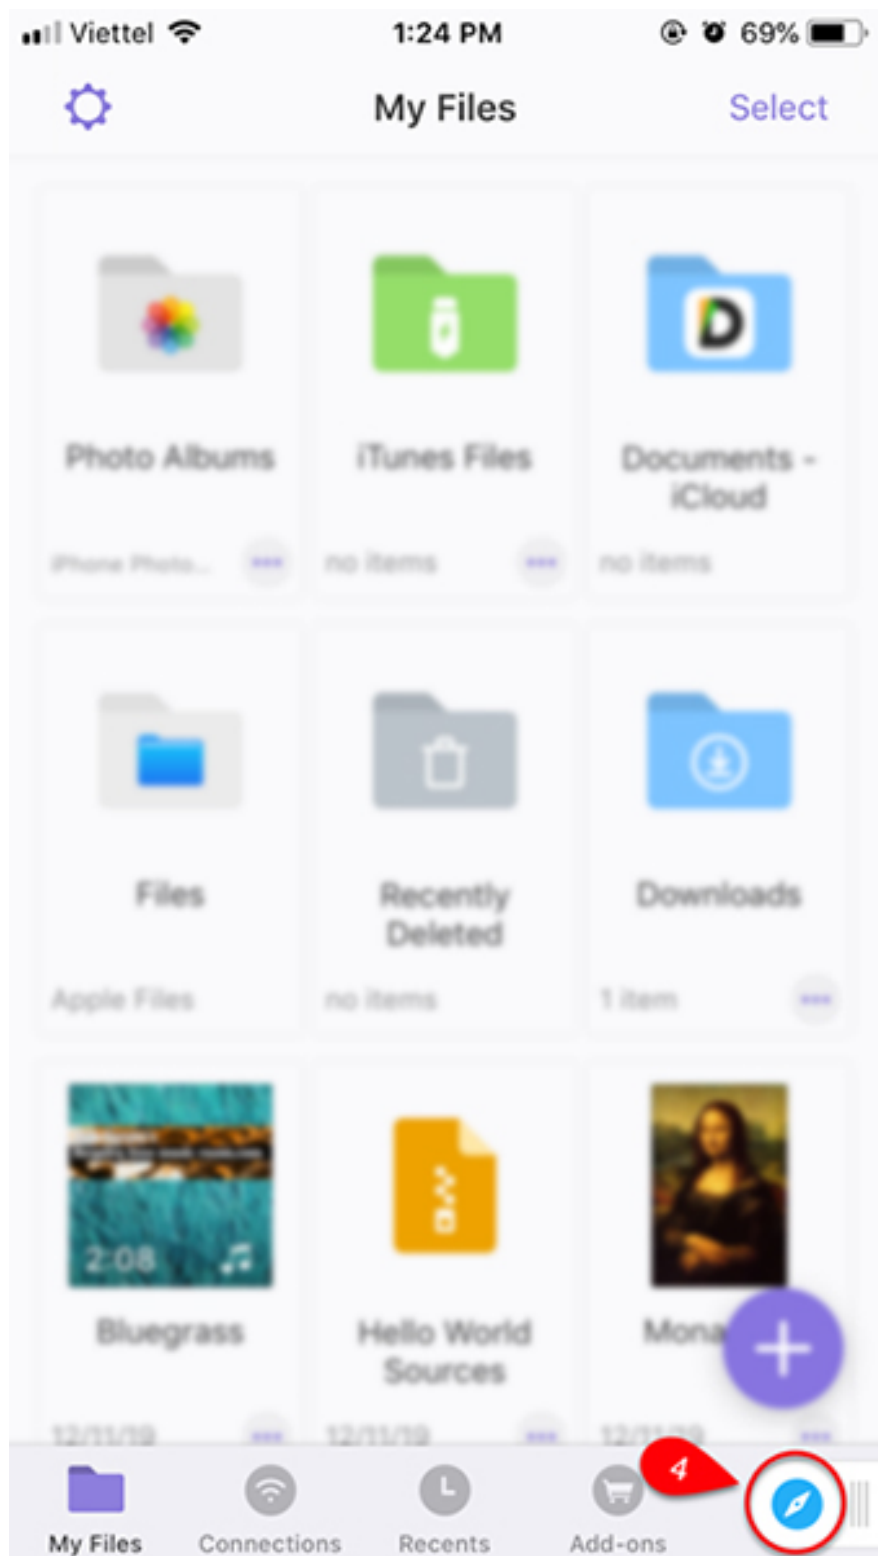

Click the **Copy link** button to get the download link.

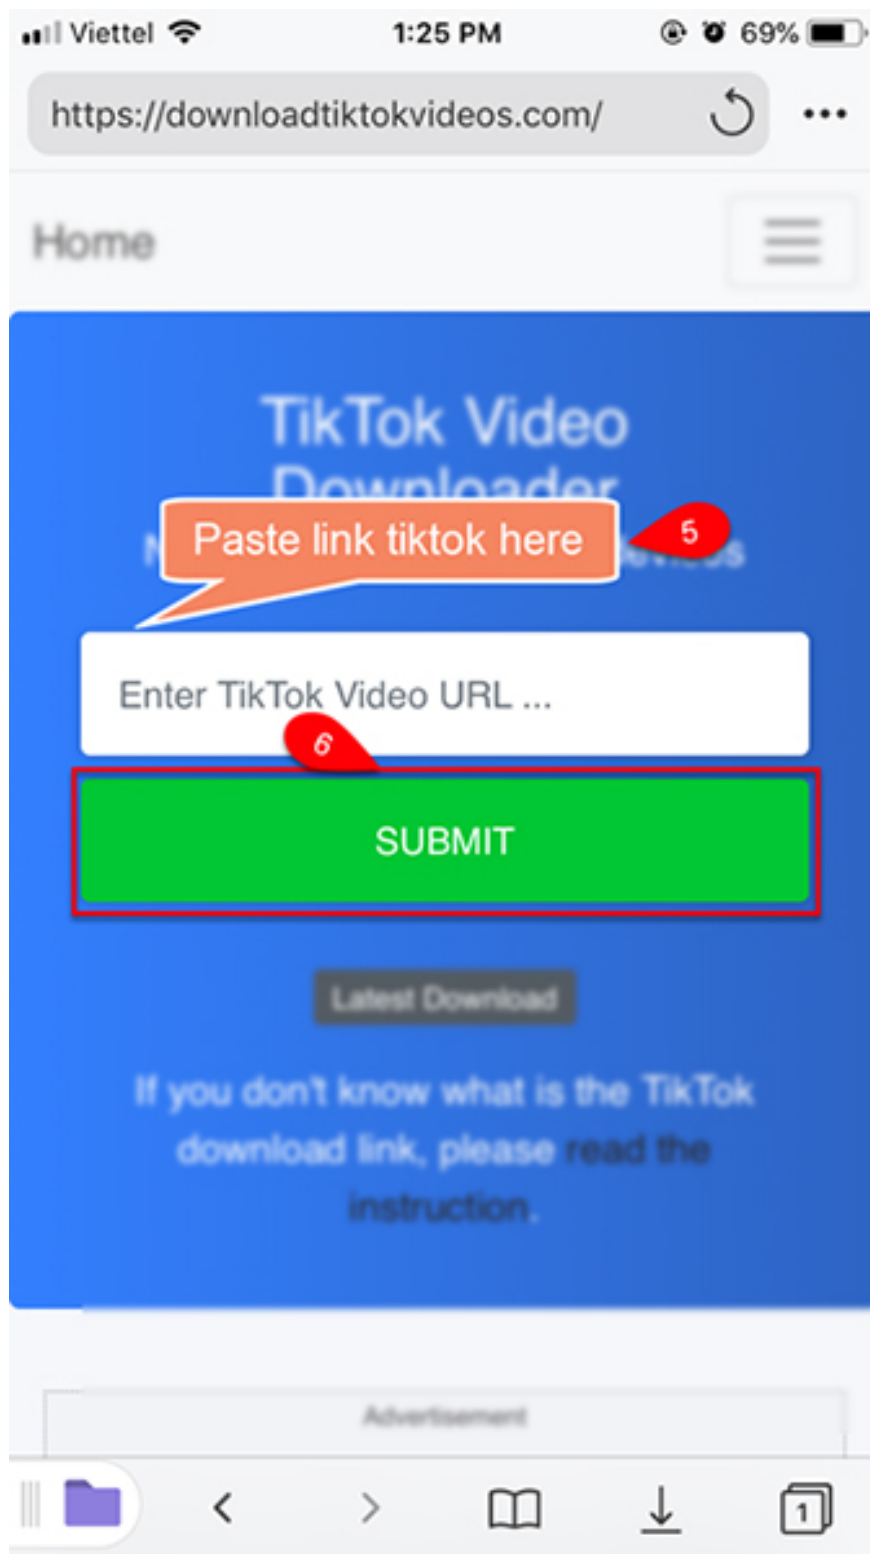

Go to the App Store and download an app called Documents by Readdle. You can search using the keyword phrase 'Documents by Readdle'. The first search result is the application you need to download.

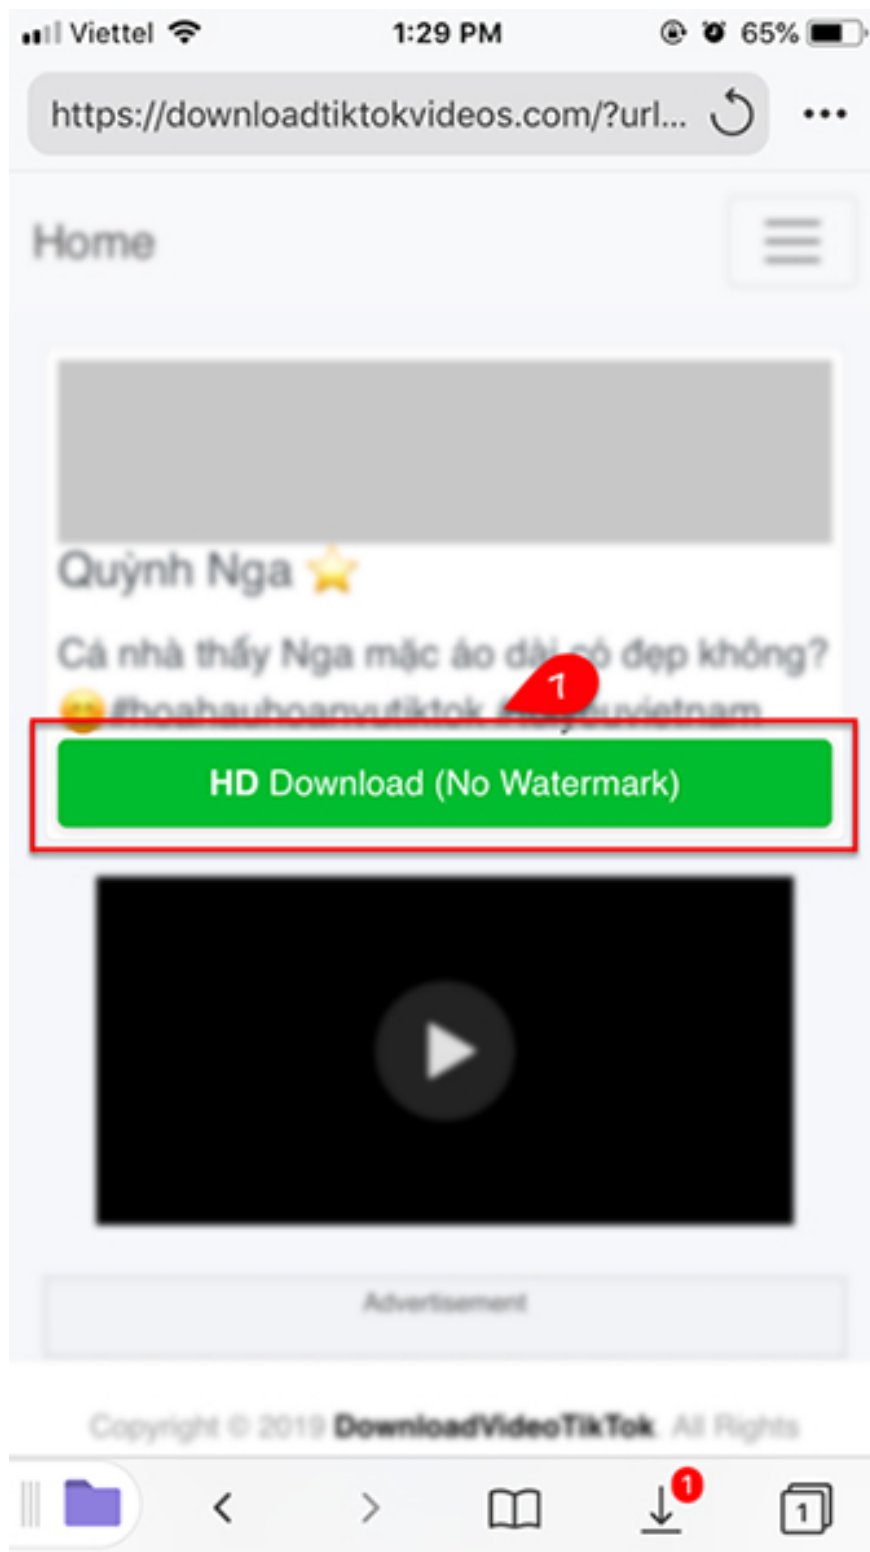

Open the Documents application you just downloaded. Click the Menu tab's **web browser icon** .

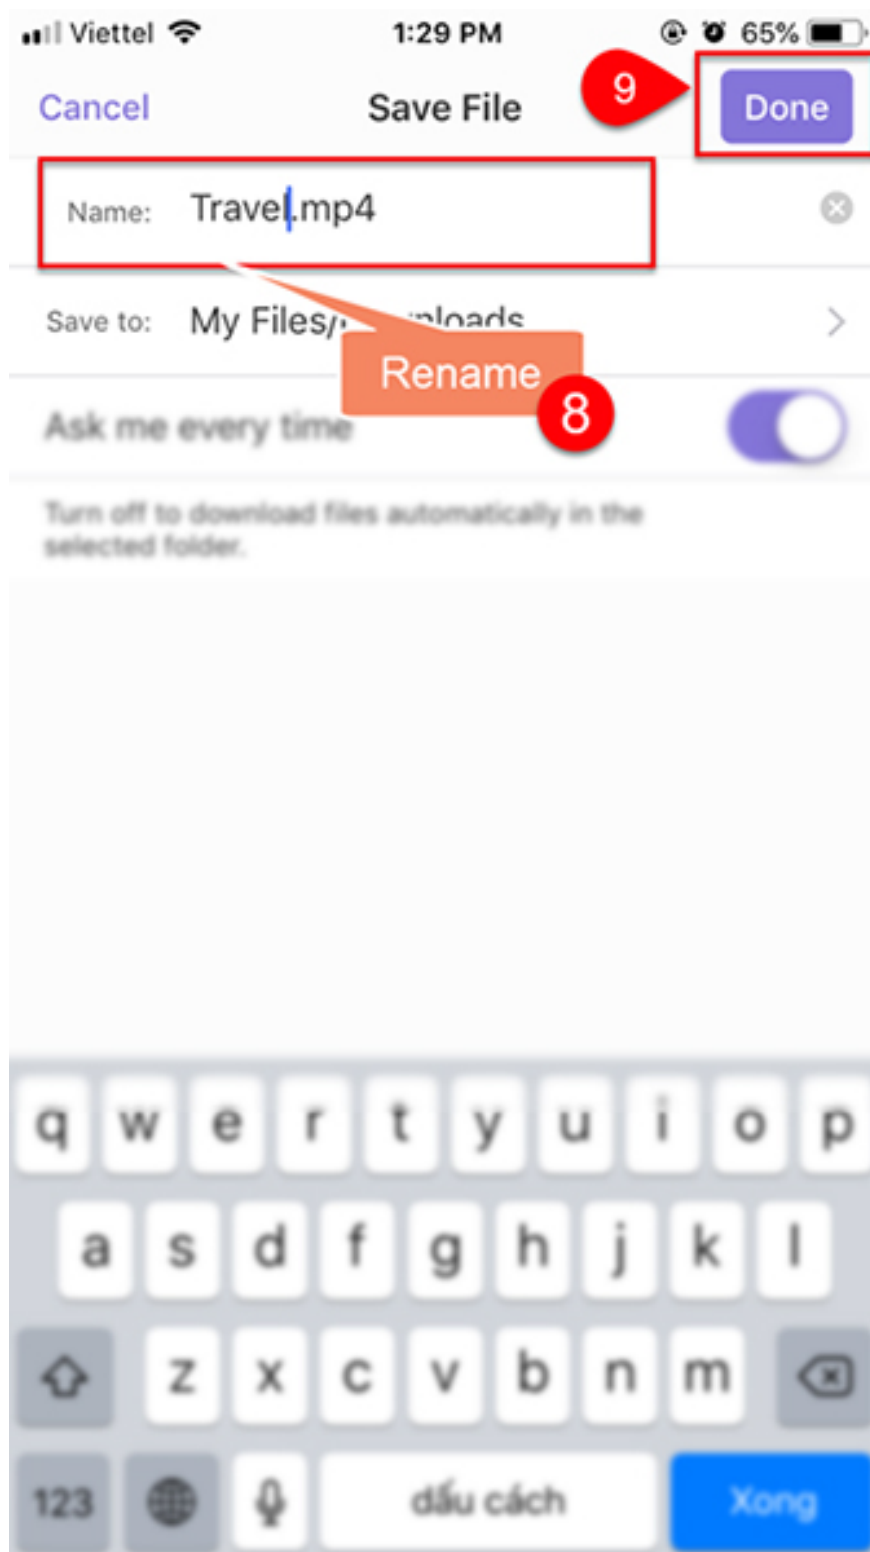

Go to the website [snaptik.app](https://snaptik.app). Paste the download link you just copied above and click **Submit**.

Click on **HD Download (No Watermark)** . You can see the video just downloaded to your phone in the Menu tab.

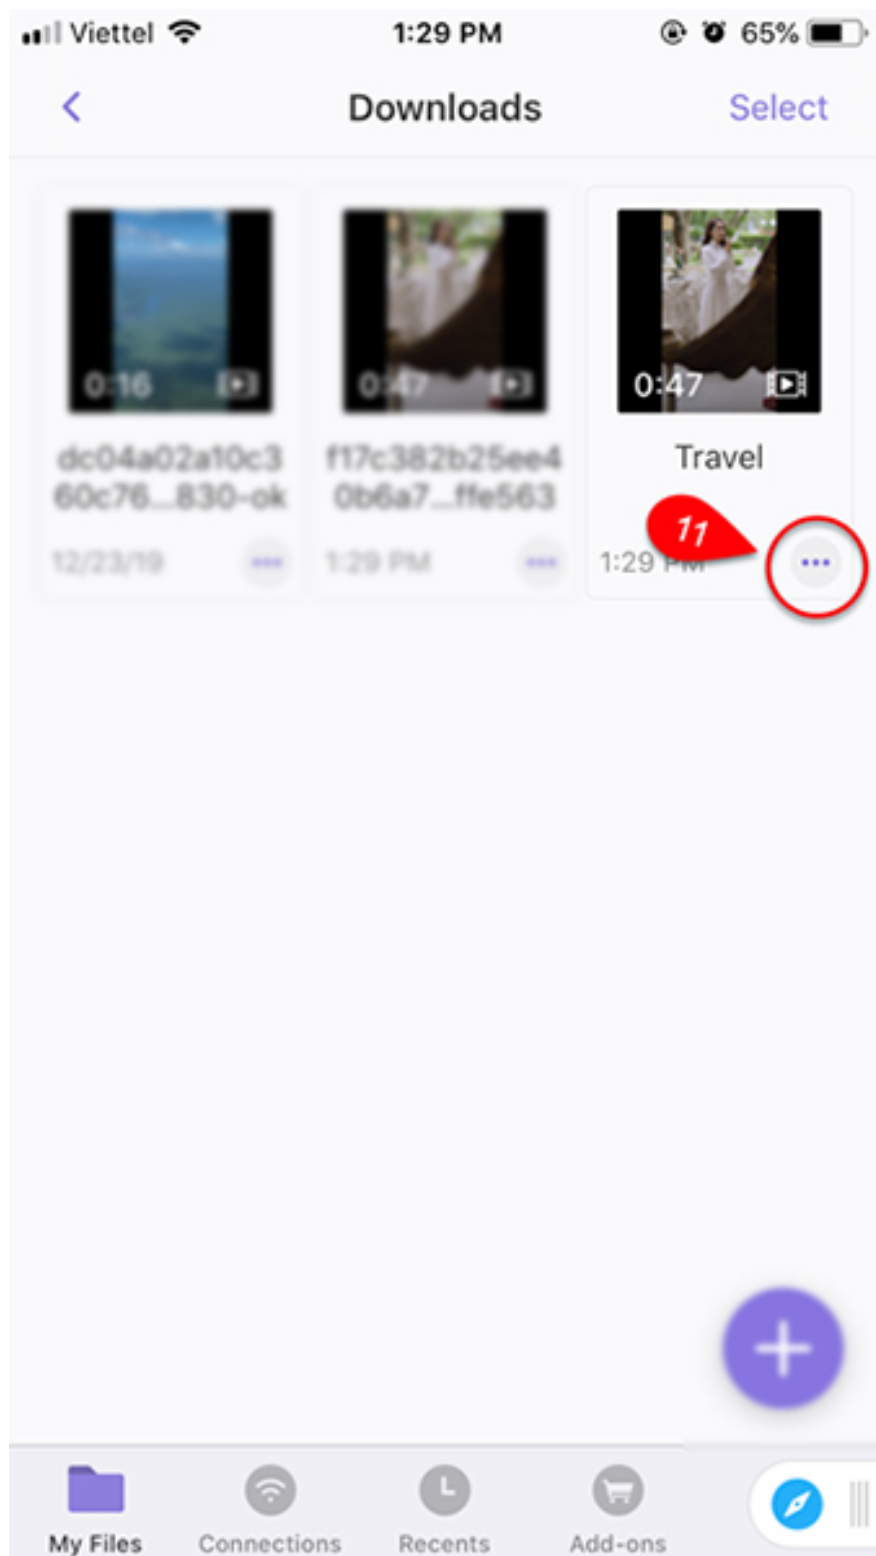

You can rename the file and click the **Done** button to finish saving the video.

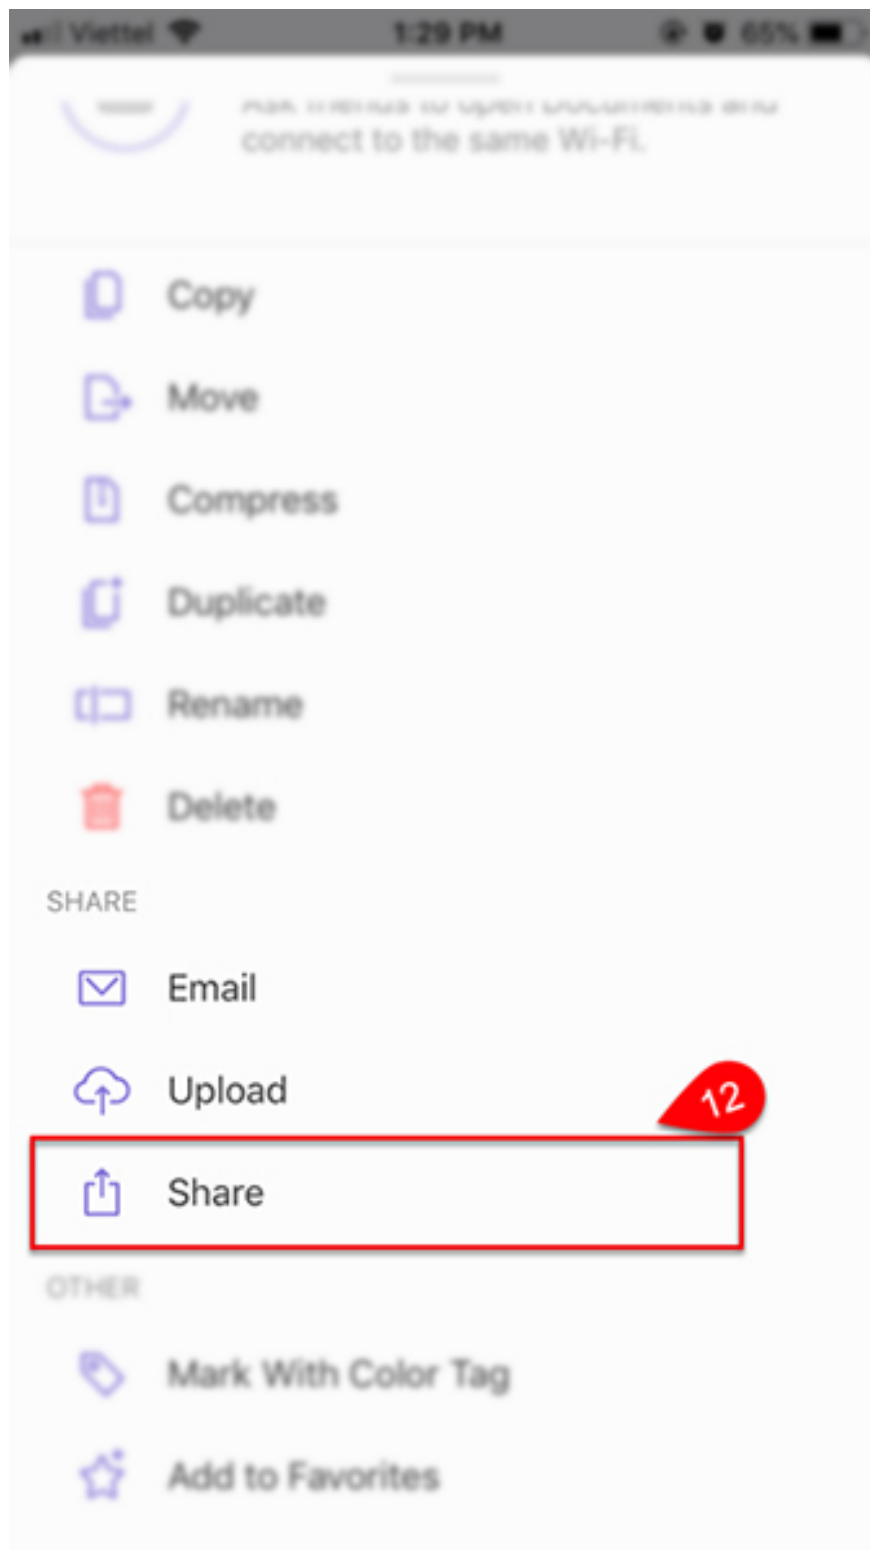

You can find the downloaded video in the Download tab. Click **the eye icon** .

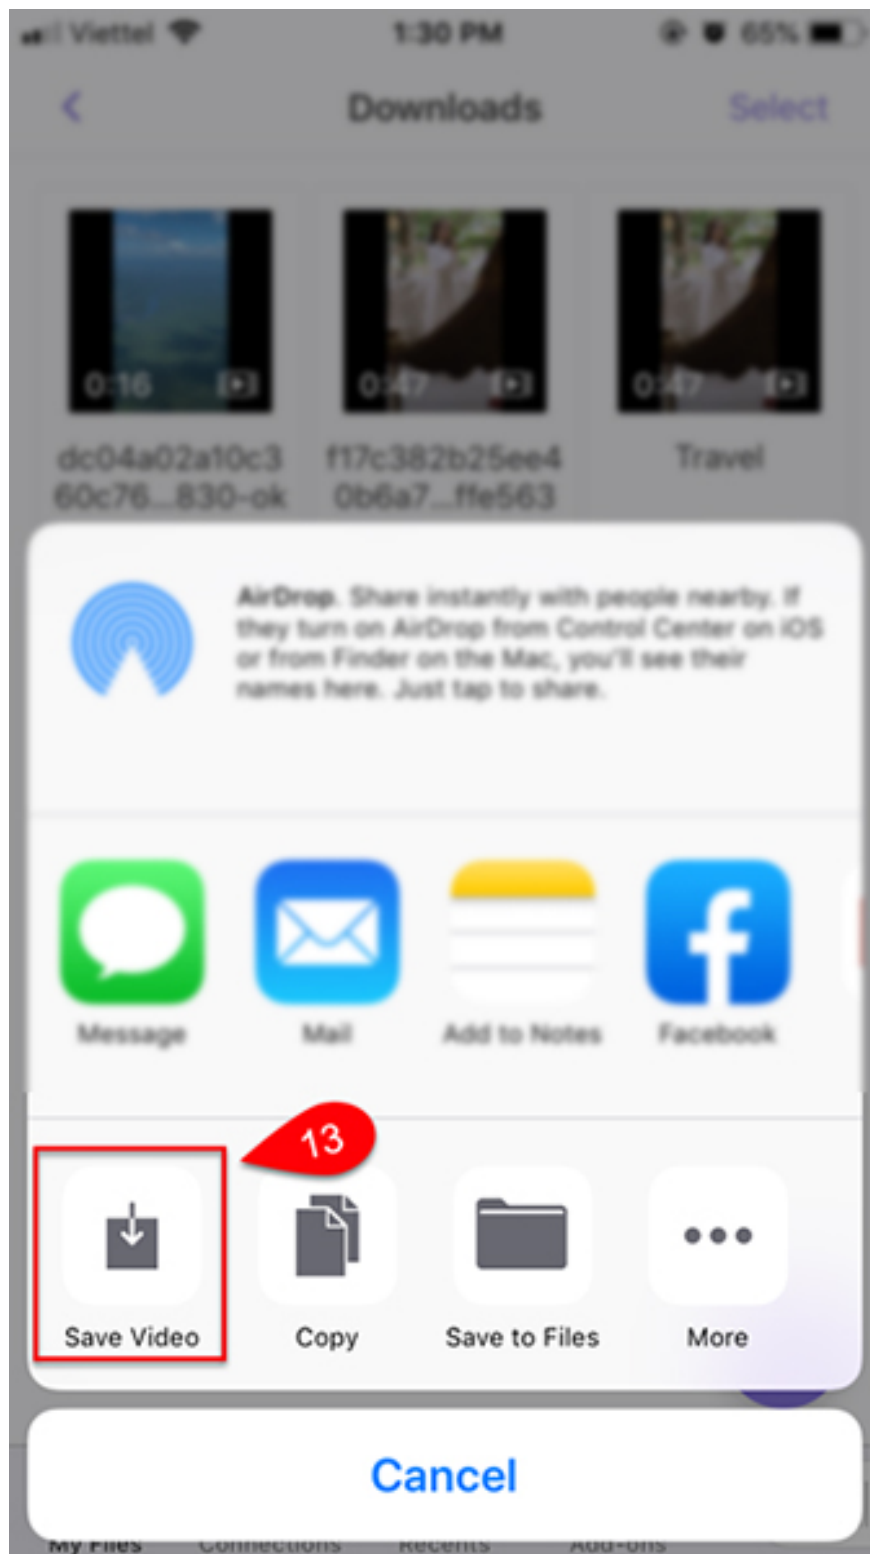

Click on the three ellipsis icon .

Select **the Share** option .

Select **the Save video** option . Your video has been successfully downloaded and saved in your camera roll.

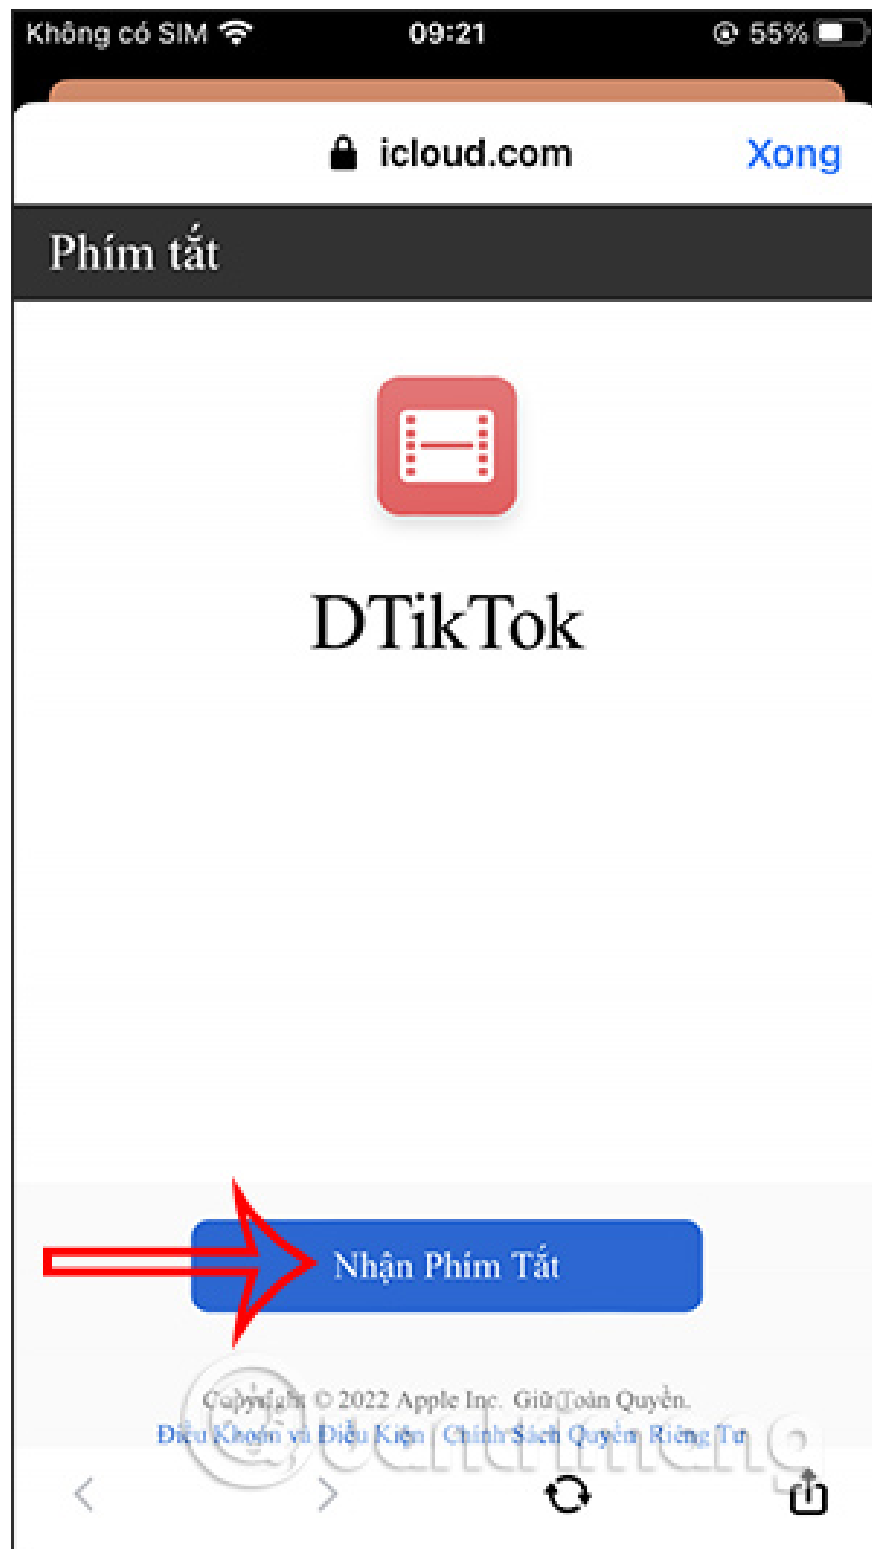

With the above ways to download Tiktok videos without logo, you can share good and quality videos from TikTok users with your friends or you can combine them into one video with the same topic and share it on your channel or in the Watch section on Facebook.

### **3. Download TikTok videos without logo using keyboard shortcuts on iPhone**

**Step 1:**

You download the DTikTok shortcut on iOS 14 by following the link below and then install the shortcut.

**Step 2:**

Open the TikTok app and then tap **the share icon** . Next, click on **Other** to expand your options. Now you will click on **the DTikTok shortcut** .
