

# 17 beautiful gift ideas, very impressive and extremely simple

Please join us in 17 beautiful gift ideas, very impressive and very simple!

In order for the gift to sparkle, impress the recipient, you need to have a really new idea in how to gift wrap. But how does your gift become more special, expressing sophistication but extremely simple, fast and economical in implementation? On the Bright Side page found some " *super special* " gift wrapping ideas, which are great creative ideas, beautiful, extremely impressive and extremely simple. Let's refer to offline!

## Green mini wreath

© aburstofbeautiful © spoonforkbacon

A container with a special gift inside can be decorated with grass or thin green **vines** like *arborvitae* or rosemary ( a *shrub native to Central Vietnam*). *Hai* has a pleasant fragrance . You can easily make your own mini green wreath to decorate the outside of the crust, so avoid duplicating the new crust of the box.

## Funny monsters

© static.anttz

Any cigarette case can turn into a " *monster* " if decorated with eyes, teeth and a long tongue. The kids will appreciate your unique creativity.

## The container has holes

© entertainmentmesh

Another great idea: the gift itself represents a piece of decoration, like this beaded box.

## Mini house with paper

© fashionclub

All you need to do is **cut a pattern** printed on handmade paper or plain color paper (cardstock) and make a mini house. Even the biscuits wrapped in this box are also a very special gift.

## Use photos and postcards as decorations

© designandpaper © artifactuprising

Photos, postcards or even cute pictures cut from magazines are great ideas to decorate outside the gift wrapping.

## Jewelry boxes from walnut shells

© pining

With some unique creative ideas, even the most unusual materials can become useful. A peeled walnut, a little glue / lake, sparkling paint and ribbons are essential items to make a special jewelry box.

## Ribbon made from film rolls

© 4.bp.blogspot

Movie lovers and photographers will appreciate such an impressive gift package. And how can I find a special gift wrapping paper ?!

## Feather

© pining © amazonaws

Using feathers to decorate the outside is a good idea. If you don't have real feathers, you can cut it yourself from colored papers or blank paper and then attach them to the gift box.

## Conical gift package

© mmbiz

Cute gift bags made of paper are also a great gift wrap for small gifts. You only need one pin and some external decorations like the one shown.

## Use colored thread or colored yarn for decoration

© pinme © picmia © squarespace

Just use **colored threads or colored paper to decorate** the outside of the box, you can create a special gift for your loved one!

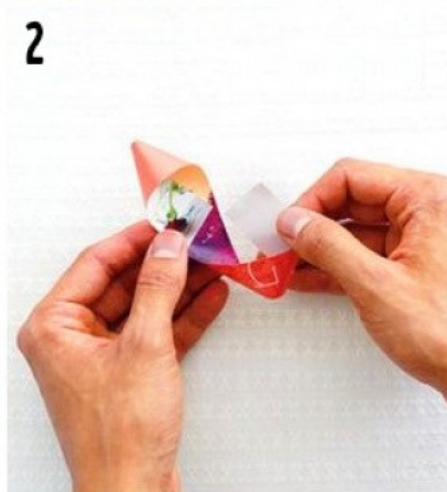

## Shirt button

© 2.bp.blogspot © lauratrevey © 3.bp.blogspot

Who would have thought even the button buttons could be an impressive decoration for a gift box? Place a thread through the buttons and attach decorative accessories to the gift box. Or you can attach a button on the ribbon.

## **Decorated with ribbon ribbons**

© mjtrim.files.wordpress

A **handmade flower** adds an impression to your gift box. You can even take advantage of old journals: just follow the instructions and use the pin.

## **Box with any shape**

## Tiny flags

© rangirangi © secondstreet © asubtlerevelry

To create **tiny flags** , you just need to prepare a colored paper or a small piece of cloth. You will need to add the tank to paste them into the twine, then attach them to the gift box.

## Gift boxes with pillows

© kittiekraft © blogspot ©

Creating cute gift boxes is absolutely easy. The way to wrap this gift is to wrap small and light gifts such as headscarf towels, thin scarves or handmade decorations.

## A white cover

© almostmakesperfect

Gift packages in white wrapping paper, using white ribbons and adding a white postcard seem a bit odd. However, the results showed incredible!

## Hats for wine bottles

© thewowstyle

Make a conical cap with bright colored fabric and attach them with a glue gun. Adding a nose and beard to a bottle of wine will be turned into a humorous ( *gnome* ) dwarf.
