1. 22 creative ideas of Christmas tree are very unique
2. 16 unique DIY Christmas card ideas
3. 15 ways to make extremely cute and super impressive Christmas decorations

The holidays of the year are the time you can renew your home by simply **decorating** , bringing freshness, warmth in the small house. **Christmas** holidays bring the cold of the winter, so the idea of ??turning your home into a cozy place and happiness is fun, isn't it? Please refer to the **19** creative and creative **lamp decorating ideas** at home at Christmas below!

## 1. Upgrade the sweetness of your sleep when decorating the lights on the sleeping curtain

[urbanoutfitters.com](http://urbanoutfitters.com)

A super sparkling space, you can use small LED lights - or double-click without fear of "weighing" on the sleeping curtain.

## **2. Or just hang a few LED lights in the corner of the bed for warm lighting**

**3. You can also hang the lamp string along the bed frame, bringing a smooth mood**

[thedesignchaser.com](http://thedesignchaser.com)

This is a great room decoration trick to increase the appeal for the walls in the bedroom painted white without hanging photos or posters.

**4. And if you are in a bed below in the dormitory, hang the LED string on the wall to add a cozy part to the room.**

[anx-ety.tumblr.com](http://anx-ety.tumblr.com)

You can hang them on the hooks on the wall, along the edge of the bed or consult your roommate if you want to fit through the bed.

**5. A wall that is dry but thanks to a yellow light wire makes it look attractive**

[theglitterguide.com](http://theglitterguide.com)

Use pins to pin around the small space perimeter on the wall. This is a great tip to light a dark wall in the corner of your gallery.

**6. More creative, you can remove some light bulbs, keep some of them to create your own artwork**

Use butterfly clips to clip your favorite photos onto it.

## **8. Demonstrate sophistication and demeanor by hanging a light string in a minimalist style**

[facingnorthwithgracia.blogspot.com.es](http://facingnorthwithgracia.blogspot.com.es)

Plan to design the location of the light bulb to get the best view possible. Plug the lamp into a hidden outlet so people can't see the light cord being emitted.

**9. What about a light string running in a transparent glass vase to make an art nightlight?**

[urbanoutfitters.com](http://urbanoutfitters.com)

**10. A lantern like this is also great, isn't it?**

[anthropologie.com](http://anthropologie.com)

**11. Hanging light bulbs on the bedside in this way will help you get a new super-handy nightlight**

[draumesider.blogspot.com](http://draumesider.blogspot.com)

To save space in the bedroom, you can put books or tools on it.

## **12. Decorate the bedroom for your baby**

[blogg.loppi.se](http://blogg.loppi.se)

This is a perfect way for children who are afraid of the dark, use LED lights to decorate fun shapes that your kids love.

**13. If you want to divide a room without making it darker, use a light 'wall'**

[urbanoutfitters.com](http://urbanoutfitters.com)

This is a great way to provide your space, a secret shape without the need for an extra wall. Put a wall of light in the middle of the living room and kitchen so you can still listen to music while cooking!

**14. . or direct attention to the ceiling to create a highlight for the room**

[gardenista.com](http://gardenista.com)

**15. Hanging zigzag lights in the hallway to bring light to this often forgotten place**

[younghouselove.com](http://younghouselove.com)

Spotlight lights are usually quite expensive, but this type of lamp can provide a similar effect that takes only a fraction of the cost.

**16. Turn off the ceiling or chandelier and instead hang this light chain over the dining table area so you can provide enough light to enjoy a cozy meal beside your loved ones**

Leela Cyd;Danielle Tsi;Gabriela Herman / Via thekitchn.com

If it is a long dining table, hang it along the length of the dining table to make sure it is light enough for everyone.

**17. A warm space in the garden on the "rough" everyday wall is also a romantic idea for that outdoor party.**

**18. Spray gold paint for the lamp holder so your house is filled with Christmas atmosphere**

**SPRAY PAINT YOUR**  
*Christmas Lights!*

landeeseelandeedo.com

Just remove the light bulb, put the string on a cloth and spray it on it.

## **19. Finally, if all these ideas fail, hang the lamp along the empty wall to create a sparkling sky in the house!**

junkaholique.com

Choose copper wire to provide a more sophisticated, modern look because it has more light bulbs and fewer wires.
