This article is for those you don't know yet! Last Sunday, **August 13 was the International Day of left-handed people** . Therefore, to be sympathetic to the suffering they have experienced in their daily lives, on Bored Panda site, they have collected a list of troublesome issues faced by left-handed people.

If you are a left-handed person you will definitely know that whether you like it or not, this is **the world for right-handed people** . From scissors, book clips, ice cream scoops to school seats, everything seems to be made for right-handed people. This is not surprising by **90% of the right-hand world population** .

However, the **remaining 10% are left-handed - an impressive list** . Did you know that Leonardo Da Vinci, Michelangelo, Aristotle and Julius Caesar, Albert Einstein, Neil Armstrong, Winston Churchill, Bill Gates and Barack Obama, Paul McCartney, Jimi Hendrix, Kurt Cobain, David Bowie, Charlie Chaplin, Robert de Niro, Bruce Willis, Angelina Jolie, Keanu Reeves, Tom Cruise and Jon Stewart are all left-handed? There is another group that we can't list all here.

Although left-handed people may only be a small part of the world, that doesn't make them worse . Some important contributions of the world are made by left-handed people. However, these left-handed people had a hard time in their previous history. The word "*left - left*" is derived from Anglo - Saxon, meaning "*weak*", and the word "*sinister - sinister*" is derived from the Latin word meaning "*left*". Therefore, sometimes left-handed people are said to be friendly with demons and are considered witches. They were persecuted and even executed.

Fortunately, those days are long gone. The only thing left-handed people need to worry about now is how to use a tool to open the lid without causing a mess, how to write the ink on the hand. Please drag us down to see **20+ situations "bad jokes" that left-handed people face** and then let us know your thoughts!
