

## 20+ images show that roommates are always the most dangerous kid on the planet

Let us take a look at 20+ images that show roommates are always the most dangerous kids on the planet. Will you be among them?

1. Smiling leaning with 20+ images of "kitchen disaster" beyond "imagination"
2. 20+ people who are utterly unlucky in eating
3. 14 super special schools that you can't ignore

Living with a close friend certainly brings a lot of benefits. You will never feel lonely ( *even if you want to* ), you will often have people to talk to ( *even if they don't want to* ) and especially someone to share chores with. But you can observe the disadvantages of living with others from the fun images below.

From the fact that my roommate is always the one who is waiting for the opportunity to drown you every time, reveal the shameful secret to scare you to your heart every time you wake up. **They are the most dangerous creatures on the planet but at the same time still the cutest children in the world .**

Their odd actions sometimes cause you to " *run out* " but the series below will prove the danger far beyond your imagination. Let us take a look at **20+ images that show roommates are always the most dangerous kids on the planet** .Will you be among them?

My roommate told me to buy a mousetrap . and this is the " *live rat trap* "!

I still do romantic games again!

Having a creative friend like this is fun too!

At midnight, are you brave enough to go to the bathroom when you encounter this scene?

Always the ones who are waiting to scare you to death.

Lost the room key and was assigned a new key to your roommate.

The key "princess".

The eyes are closed and seeing this is going to be gone!

If you leave paper like this, what kind of cheek is it, just right!

Never ever escape the heart attack when living with these miserable friends!

Always full of tools but .

Again . Probably lying on the ground waiting for it to be lost!

In the same room, the photo is a matter of course, but muddy to this extent, it is "empty".

He invited me to play a game like this!

The worst case here!

Looming in the distance is "darling"!

You should be mentally prepared that things can fail in a way you can't expect!

There must be Shaolin's "*flying like a bird*" scout to be able to sleep!

Warm up emotionally!

I wonder why he can think of this game anymore!

Hands .

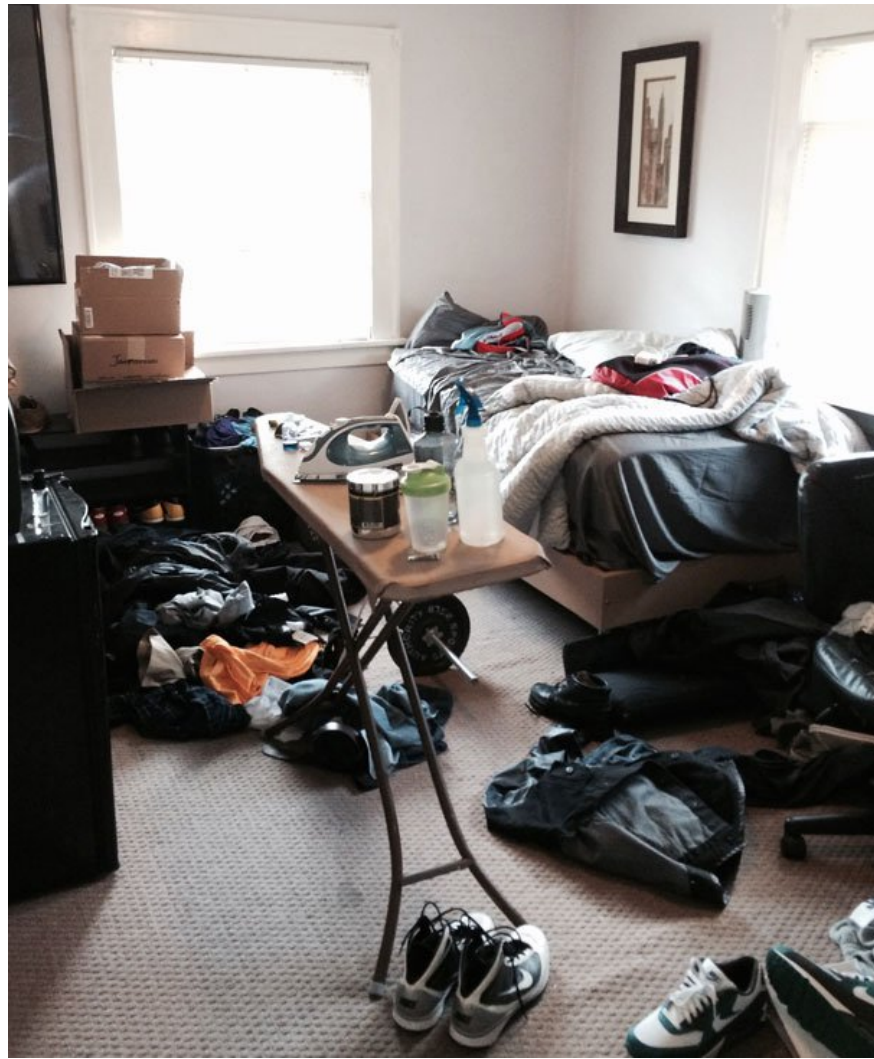

Going to the bath also must have a reception to welcome new polite.

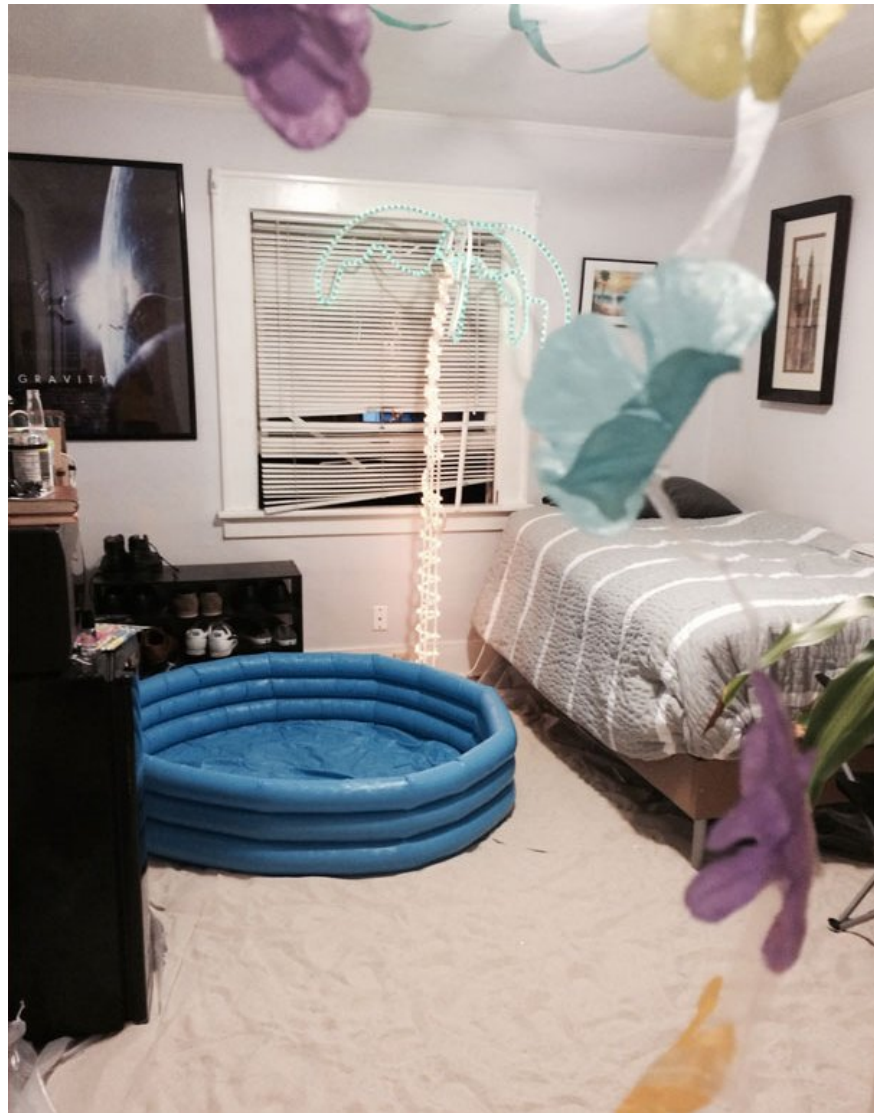

While you are losing weight, it brings back a pile of food. It is true that each other's stamina is challenging!

I don't know if it was accidentally or intentionally!

Here is the "Hawai" beach here!

Your room suddenly becomes a chicken farm.

It's a little joke .

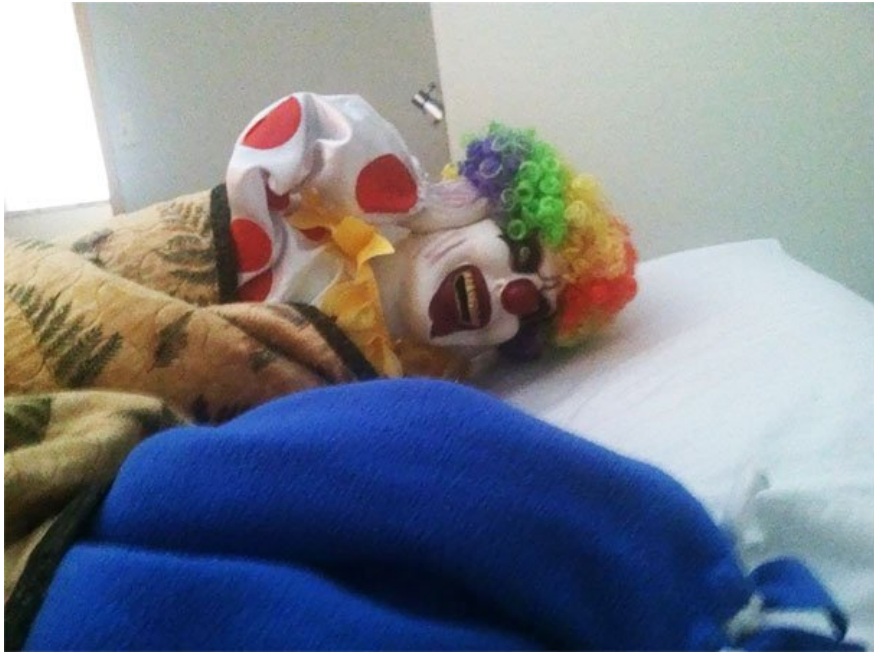

Sweet explanation.

He told me a piece of pizza! Suspense opens and results .

Imagine if you get up early in the morning to see this thing next to you with "vinegar"?

Who is weak and faint!

Continue.

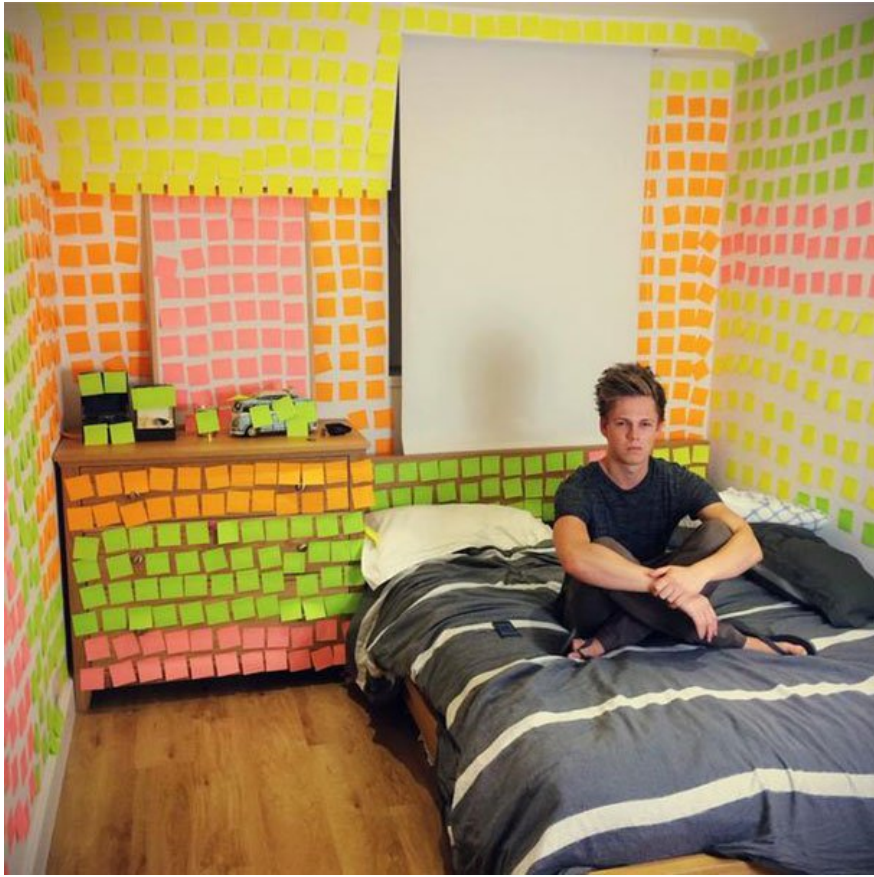

"Packet" furniture carefully.

When you have to live with a diligent person who studies theory.

Anything must be clear like this!

Store food carefully if you don't want them to "evaporate" for a moment.
