This series of photos is the way Thackwray photography selects to understand **the lifestyles of today's youth** , especially those in the ages of 8x and 9x. This project was started by Thackwray from friends who lived in Paris and then around the world. Photographers and characters in the photo often have interesting small talk about politics, culture, education and relationships while shooting.

Room # 192: Bucharest, Romania. Andreea - 24 years old, construction engineer.

Photo Source: John ThackwrayMy Room Project

" *Bedroom* " is not necessarily the correct term because many of the bedrooms in the project are used by employers for many different purposes with highly personalized and layout styles.

Photographer **John Thackwray** shared with the Huffington Post, " *I was particularly impressed with the spiritual style of life in India, the style of hospitality in Russia and the " crazy "way. Every Japanese is a different story "*.

Room # 1,049: Lesotho, South Africa. Osia - 18 years old, shepherd.

Photo Source: John ThackwrayMy Room Project

Each photo in the project has a caption below the person's name, age and occupation, along with the " *room number* " arranged by Thackwray's trip chronology. Hundreds of photos will be presented in the upcoming

Thackwray book. Please take a look at **23 interesting pictures of the bedroom space of people around the world !**
