

3 popular laptops from Acer

Aspire 4750, Aspire 4755 and Aspire 4830 are three well-configured and well-priced laptops from Acer.

Aspire 4750, Aspire 4755 and Aspire 4830 are three well-configured and well-priced laptops from Acer.

Aspire 4750 has an elegant design equipped with many powerful features, meeting the diverse needs of users.

It is equipped with Intel's Core i3 and Core i5 processors. The use of graphics software, photo editing or video is also smooth, accurate thanks to NVIDIA GeForce GT520M 512 MB VRAM graphics card as well as the latest Intel HD Graphic 3000 integrated graphics chip.

It also offers maximum data sharing capabilities with USB 3.0 and a massive 500 GB hard drive. Aspire 4750 is priced from VND 10,990,000 to VND 11,790,000 (VAT included).

Aspire 4750 - Versatile entertainment

Aspire 4755 - Colorful collection.

Aspire 4755 is elegant in design, powerful in the main configuration.

Users can choose the device with green, black, dark red or olive green color to match the personality. Aspire 4755 owns Intel Core i3-2310 / i3-2330 processor, Intel HD 3000 graphics card, 500 GB hard drive, HD webcam, Wi-Fi and Bluetooth connectivity. Aspire 4755 is priced at VND11,590,000 (VAT included).

Aspire 4830 - Excellent every corner.

Acer Aspire 4830 is an upgraded version of Acer's TimelineX series.

It has a new design, an aluminum case, and cobalt blue accentuates the silver Acer logo on the case. Despite its rather slim design, it only encapsulates 1 inch. The new integrated Sandy Bridge processor supports the optional 3D Blu-ray drive and HDMI 1.4 mm port for excellent picture and sound quality.

It offers up to 9 hours of battery life. Aspire 4830 - excellent every corner from VND 12,999,000 to VND 13,999,000 (VAT included).
