## 1. Lovely yellow rose pots from aquarium fish tank

Aquarium fish tank can be transformed into a unique and new flower pot. With an extraordinarily beautiful aquarium fish and flowers, you will have a beautiful mini flower pot for your table. With the way of plugging roses for this March 8, it is very simple, you just need to buy roses, then use scissors to cut off the flower stalks and you just need to use the flower alone, those flowers you put stars For neat and turn into the aquarium fish tank that you have completed a flower pot decorated room creative and beautiful. Besides roses you can also replace with some other flowers depending on your liking to plug.

## DỤNG CỤ:

- Chậu cá cảnh
- Hoa hồng
- Kéo

**Note :** If you want flowers to be fresh for a long time, you should put them in the pot with a little water and decorate that flower pot in the living room, surely you will be praised for your creativity.

## 2. Exquisite daisy vase

If you buy flowers to plug into a large vase but you don't know what to do, throw away the charge, you can plug in another small vase to decorate your bedroom with the romantic part.

.....  
**D.I.Y.**  
.....

With a cup and sponge, turn that flower into a delicate vase. Very simple way to plug, you should first soak the sponge with water. Then use a knife to cut off the excess foam to allow it to fit into the mouth of the cup and proceed to flower arrangement. You don't have to plug in too picky, just keep things simple, you can absolutely be as creative as you like and don't need a rule.

### 3. Round flower arrangement

Similar to the above method, you should soak the sponge into the water before plugging it to help the flower keep longer. After buying flowers, you should cut off all stalks and keep your flowers leaving the flower part and start plugging it into that sponge. The advantage of this plug is that you can apply plugs with many different types of flowers that the effect of flower pots is still beautiful.

**CHẬU HOA XINH:** - Hoa cúc, kéo, chậu cây, xô cắm hoa
