Nowadays, long hair is becoming "hot" for young people who love beauty. Since ancient times, long hair is known as a Vietnamese tradition, with smooth, naturally flowing hair that creates a gentle and gentle look for women. However, when the country developed, trade and culture from Western countries poured into Vietnam, the old thoughts, lifestyles and traditions were also changed a little, typically long natural hair. In the past, it was replaced with beautiful hairstyles emerging, such as long bangs, long straight bangs, long plaits, etc.
