The mushroom haircut, also known as the mullet, is one of the new and trendy men's hairstyles that helps you exude a carefree and youthful look.

22. Men's Quiff Hairstyle

The Quiff hairstyle is one of the most popular men's hairstyles among young people because it has a unique and sophisticated classic look. With this hairstyle, the sides and back are cut short, while the bangs are left at a

moderate length, giving the face a longer and more masculine appearance. The Quiff hairstyle has many variations to suit different face shapes.

23. Pompadour hairstyle for men

This is one of the classic men's hairstyles, chosen by many men to enhance their elegance and masculinity. This handsome men's hairstyle features short hair on the sides and back, while the bangs are swept back and are longer than the hair on the crown and nape.

24. Slicked Back Hair

Slicked Back is a modern hairstyle for men, suitable for those with a square jawline, balanced facial features, and a round skull. With this style, you'll need to cut the hair on the sides and back short, while the bangs are swept back and held in place with hair wax.

25. Textured

This is a relatively new men's hairstyle, characterized by intentionally interwoven layers of hair. The bangs and nape are short, creating the illusion of a longer face. The Textured hairstyle is suitable for men with short faces.

26. Long, stylish men's hairstyles

Long hairstyles for men give guys a romantic and rugged look. This hairstyle is especially suitable for those with an artistic nature.

Nowadays, long men's hairstyles have many new and unique variations that suit fashion trends and are chosen by many international male celebrities. Some beautiful long men's hairstyles include man bun, knot, etc.

27. Beautiful men's hairstyles with worm-like curls.

Textured hair, also known as "worm hair," is one of the popular men's hairstyles among young people today. With this style, the roots are curled using a foil-wrapping technique, making men look younger and more energetic. To make a great impression, you should combine this hairstyle with edgy, slightly rebellious outfits.

28. Long layered hairstyles for men.

With this stylish men's hairstyle, the hair on both sides is trimmed long, giving a romantic look to the wearer. This sideburns also help to balance the features of slightly rounder faces. With this long layered men's hairstyle, you can combine it with trendy hair colors to look younger and more energetic.

29. Beautiful men's hairstyles resembling crab claws.

The buzz cut hairstyle is a versatile cut suitable for men of all ages and styles, complementing various outfits and styles, making it a favorite among many men. This simple buzz cut hairstyle is also commonly used in the military.

30. Mohican hairstyle for men

The Mohican hairstyle is a classic style that conveys a strong and dynamic look for men. This style features a characteristic shaved nape, with sideburns, while the top of the head is styled in various ways depending on individual preferences.

31. Beautiful men's hairstyles for round faces

If you have a round face, guys can style their hair by curling, perming, trimming the bangs, opting for Korean-style haircuts, undercuts, etc., which will help conceal facial imperfections and enhance your charm and attractiveness.

32. Beautiful men's hairstyles for long faces

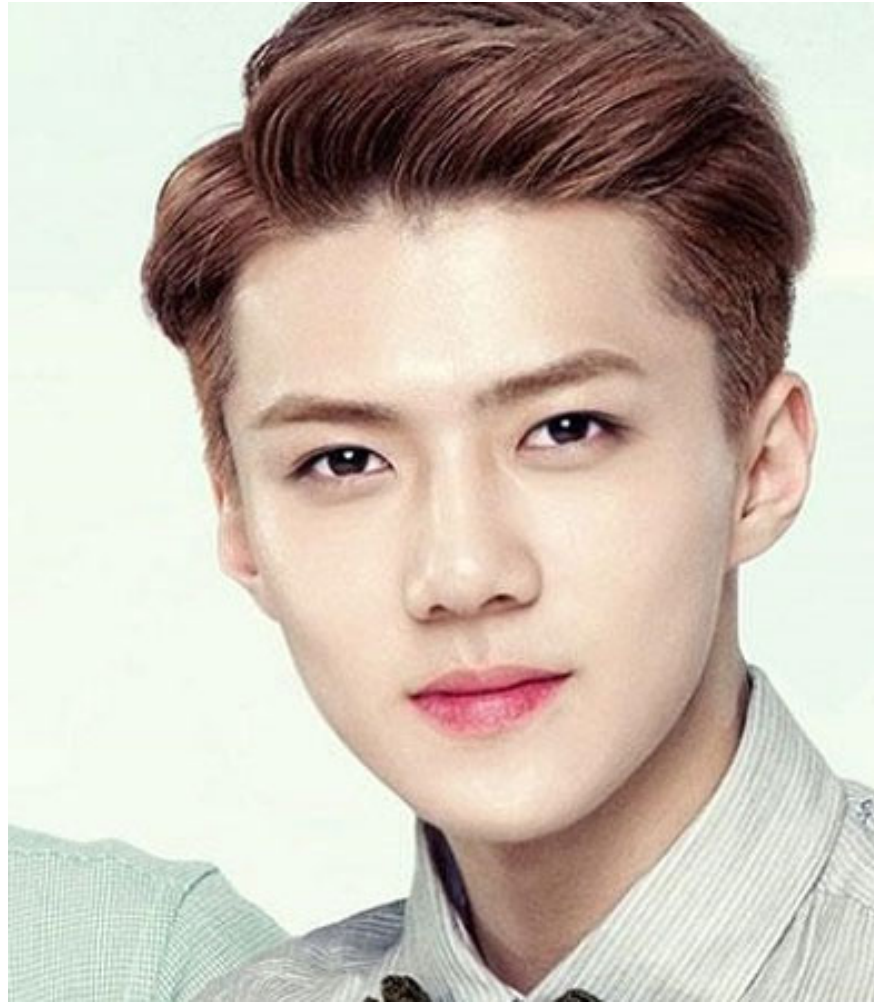

Men with long faces can consider hairstyles such as curly hair, undercut, or a 7/3 side parting, which will help to balance and harmonize their facial features.

33. Beautiful men's hairstyles for square faces

Square faces suit hairstyles such as side partings, slicked-back styles, undercuts, curly hair, quiffs, pompadours, etc., which help to conceal facial imperfections and enhance a masculine and attractive appearance.
