Some tips for Rage 2 help you survive longer in the game

Go around the map

Rage 2 players can move with different means, but there are many things you will miss if you don't open the map. Go into an area that you feel desolate and have strange terrain on the map.

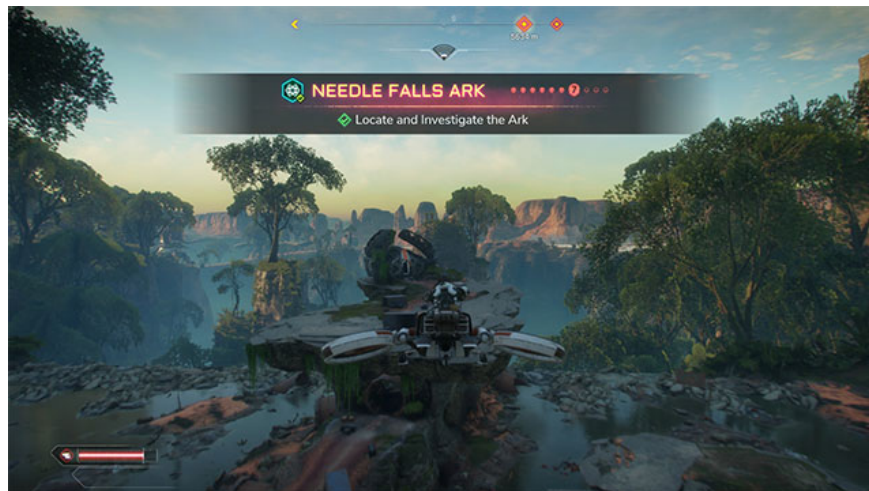

Sometimes you will encounter ARK or something that will help your character. Go all the map parts in Rage 2 to discover the exciting open world of Rage 2 before you finish the game.

Use all types of vehicles

The number of vehicles you can find in the Rage 2 map is 12 vehicles. In addition there will be 5 types of players that need to be on duty and unlock the plot to be able to. Those are Phoenix, Raptor, Icarus, ChazCar, Xerxes. The car will help you travel on all terrain or fly at high speed and flexibility.

Find ARK

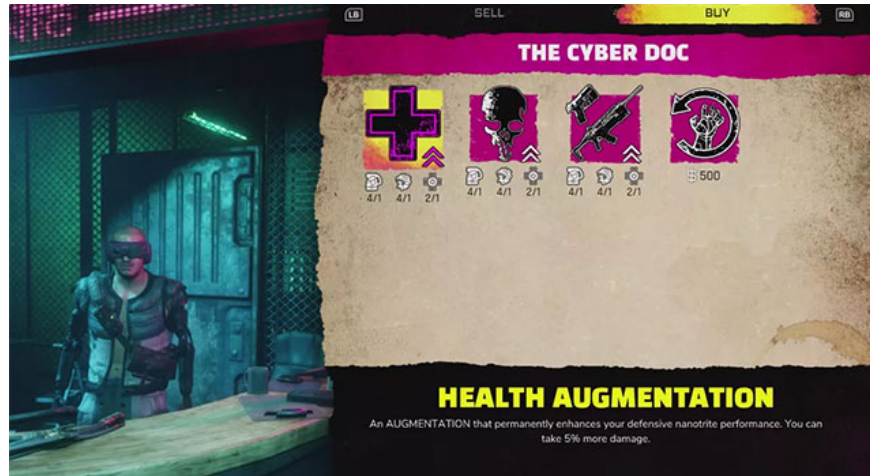

As mentioned above, Rage 2 has a short story so gamers want to experience longer, please take the time to do side quests. So focus on finding Ark in the game.

ARK will give players more items such as weapons and skills . making the gameplay look more boring and attractive than ever. The number of ARK in Rage 2 will be 14, some ARK players must open by following the instructions in the game storyline.

ARK's location is scattered throughout the map to wait for players to explore. Usually in remote areas or in a small valley. If you go there and have monsters then you just need to destroy all the monsters around it, then come and possess ARK.

Priority for damage

Players can upgrade their damage, blood, and other stats by searching for The Cyber Doc NPC at WellSpring. You can spend 500 cash to remove points if they are wrong.

The only way to survive is to fight, so give priority to bonus points and don't pay much attention to your blood. The blood you can pick up everywhere in the game when destroying monsters. Each time you upgrade your damage will be increased by 5%, making it hard to push your damage as high as possible.
