

40 tourist destinations should arrive at the age of 30

When you turn 30, you want to make a memorable trip - more beautiful and different than the places you have been, like the safari journey in Kenya, East Africa or a ski trip in Swiss Alps, for example. So we have listed the 40 most adventurous and luxurious holidays that you can come to when you turn 30.

When you turn 30, you probably won't want to stay in the dorm or attend a party with 1000 new friends until late at night. You even expect a job that is better than the job you did in your 20s to save a good amount of money.

You may want to reward yourself for a memorable trip - more beautiful and different than the places you have been, like a safari journey in Kenya, East Africa or a ski trip in the range. Swiss Alps for example. So, we have listed the 40 most " *adventurous and luxurious* " vacations that you can come to when you turn 30.
