

5 Free Fire characters playing guerrilla style

To survive a victory in Garena Free Fire sometimes you must be able to fight or ambush, hide in a corner and look for a chance to destroy the enemy. Here are the Top 5 Free Fire characters playing in the most effective guerrilla style.

In a survival fighting game like Free Fire, the player's main goal is to survive until the end of the match, and to do that, some players choose to evade, setting up an ambush. Or attack from a certain location.

Top 5 Free Fire characters playing the best Campers

1. Rafael

The AR sniper rifle is the ideal weapon for setting up an ambush attack, and no character can snipe from afar as effectively as Rafael. With his Dead Silent skill, Rafael can shoot freely without having to worry about his location being exposed. This can mess up the opponent's lineup.

2. Hayato

Hayato's skill works when he has low HP, making the most of his armor penetration ability this guy can destroy the enemy with just 1 shot, regardless of what armor they are equipped with. But not everyone can adjust their emotions when playing Hayato.

3. Laura

When you are hiding, you usually try to aim with a viewfinder to get a Headshot, for her you have enough time because Laura's passive skill will increase accuracy in the range up to. 30%, make sure your shot doesn't hit even at a long distance.

4. Ford

This character is really underrated for a pretty convincing reason, no one wants to be stuck outside of the comfort zone. However, for a Free Fire gamer with a leisurely playstyle, delaying the safe zone rotation can be a great tactic, moving to a safe zone often puts you in a vulnerable position. public. You can only wait for someone else to move first if you are playing Ford, as he has the ability to reduce the damage caused by the circle.

5. Alok

When going to Campers, you will not have enough time to move looking for healing items and energy pills => this is when Alok's ability comes into play. With Drop the Beat skill, gamers playing Free Fire can keep their HP on average or above.

Recently, Free Fire has released a new character, Wolfragh with pretty intrinsic skills, but gamers still find a way to **counter** them, **countering Wolfragh's character in Free Fire** is not difficult, only you can do. or not.
