In the previous posts, TipsMake.com introduced you to the basics as well as how to watch movies for free within 1 month Netflix, online movie watching service has just officially Vietnam. However, many people are still hesitant to choose Netflix for many reasons, in which the reason why the movie warehouse has no Vietnamese subtitles is the biggest.

Today, we will share with you how to watch movies with Vietnamese subtitles through a small utility called Super Netflix. Please consult.

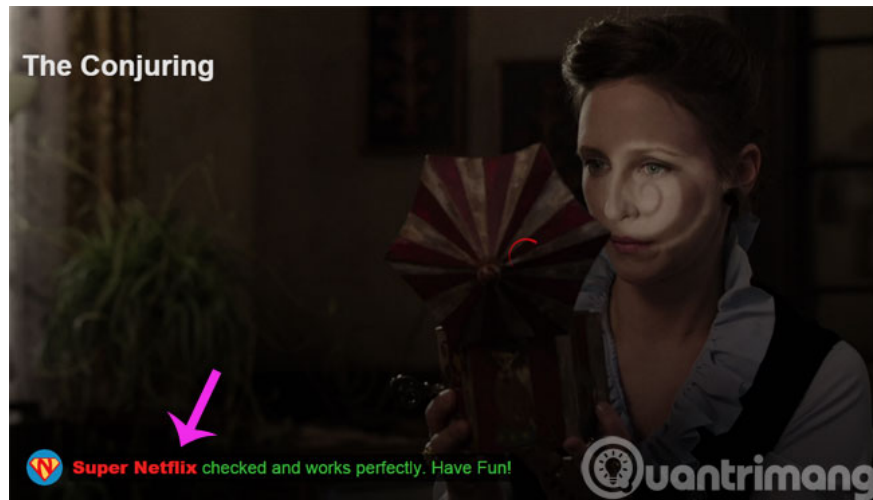

Step 1 : Please install **Super Netflix** utility for **Chrome** browser

Step 2 : Go to the **Netflix** homepage and choose any movie (*here we choose The Conjuring*)

Step 3 : If you have installed **Super Netflix** , it will have the interface as below

Step 4 : To put Vietnamese subtitles in, visit the **Subscene** homepage and find Vietnamese subtitles of movies you want to watch

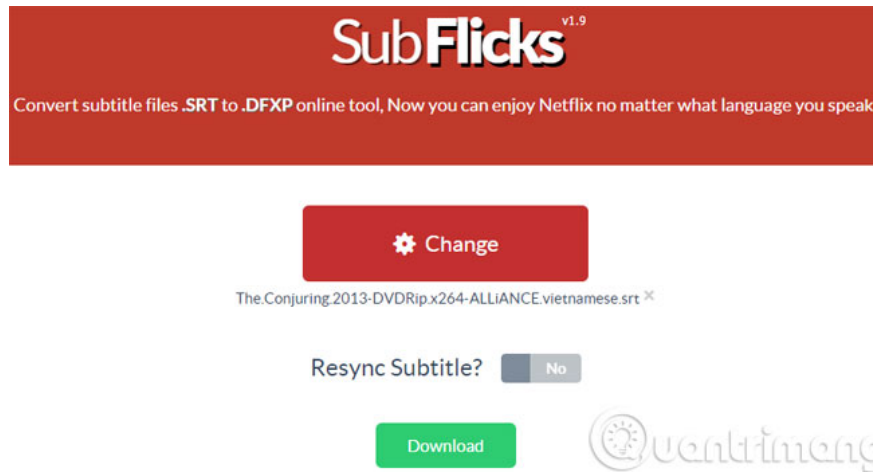

Step 5 : At the new interface, scroll down to find Vietnamese subtitles and download any file

Step 6 : Click **Download Vietnamese Subtitle**

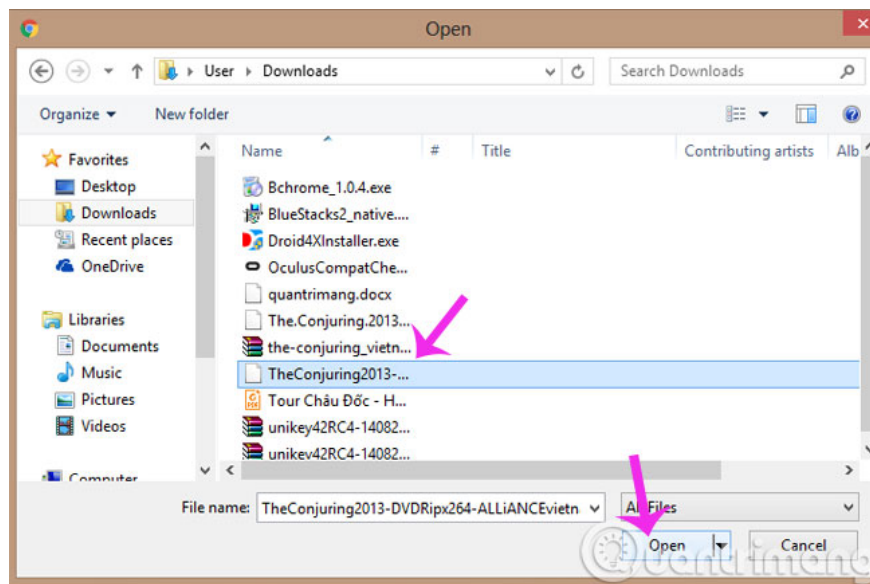

Step 7 : To use this subtitle file, we need to proceed to change the **SRT** to **DFXP** to suit Netflix through the **SubFlicks** page.

Step 8 : Open the movie projection interface and click on the 3 dots mark on the upper right corner

Step 9 : When the new dialog box opens, select the newly downloaded **DFXP** subtitle file

Step 10 : Wait for Netflix to match the data and then you can watch movies with Vietnamese subtitles.
