## The fastest ways to deposit money into Momo wallets

1. 1. Deposit Momo at Momo charging / withdrawal points
2. 2. Deposit money into Momo from 1 of the 15 linked banks
3. 3. Deposit money into Momo via international card (Visa / Master / JCB)
4. 4. Deposit money into Momo from domestic bank ATM card
5. 5. Transfer money right on MoMo application

### 1. Recharge Momo at the shopping centers

Currently, Momo has more than 5,000 deposit and withdrawal points widely distributed across the country. Therefore, you can go to the nearest locations to conduct a deposit on Momo e-wallet (completely free).

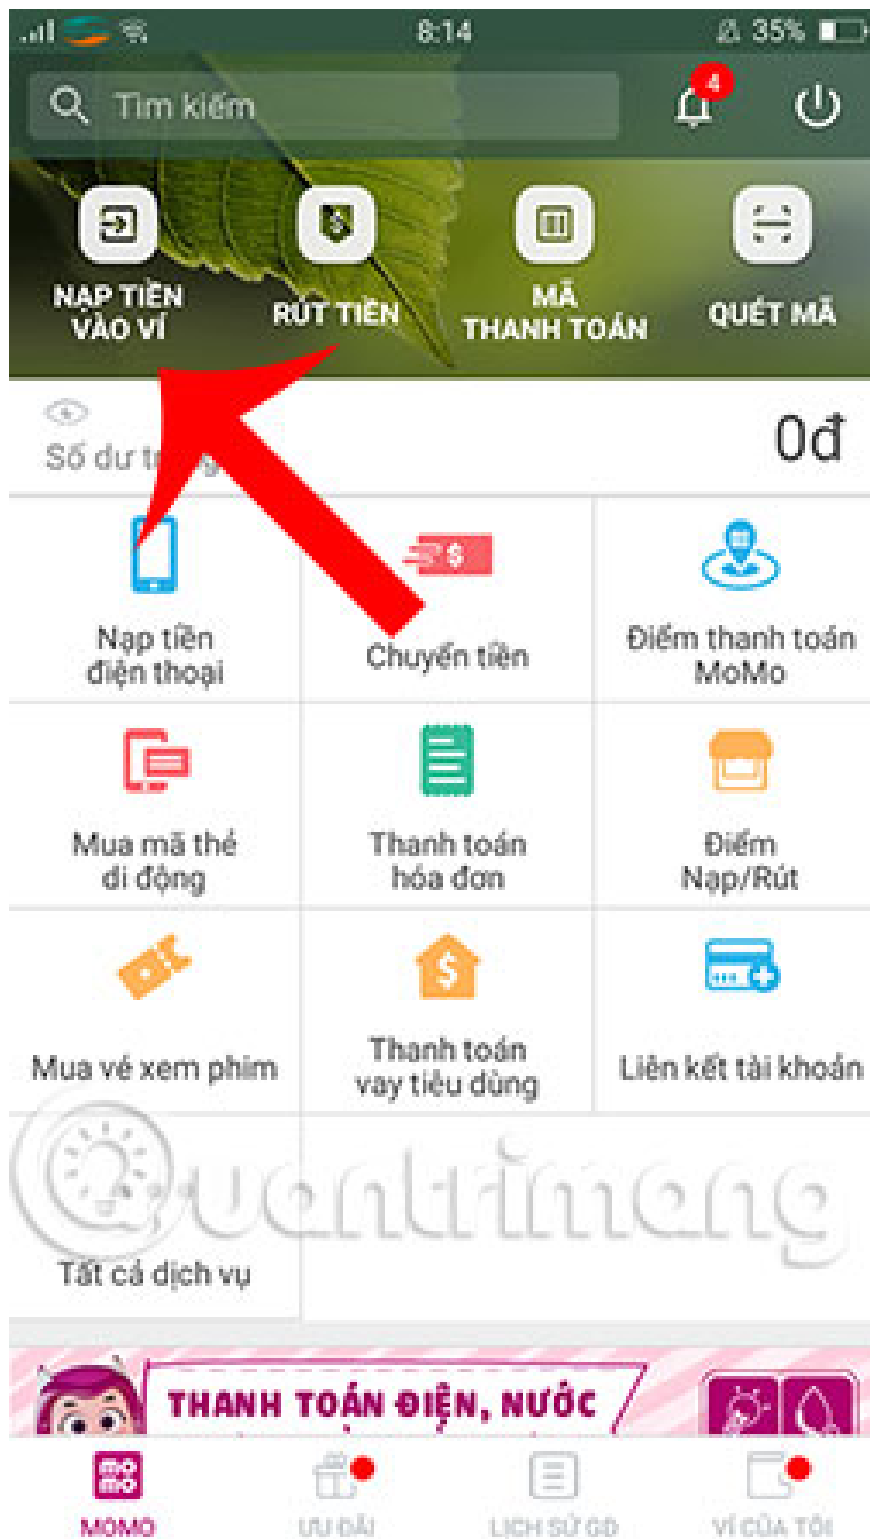

**Note:** Opening hours are from 7:30 am - 9:00 pm (Saturday and Sunday).

### 2. Deposit money into Momo from 1 of the 15 linked banks

Momo is associated with 14 banks including Vietcombank, VietinBank, Agribank, BIDV, ACB, Sacombank, VPBank, TPBank, VIB, OCB, Eximbank, Shinhan Bank, SCB and VRB, Bao Viet bank. In order to be able to do it this way, you must link the account with one of the 14 banks.

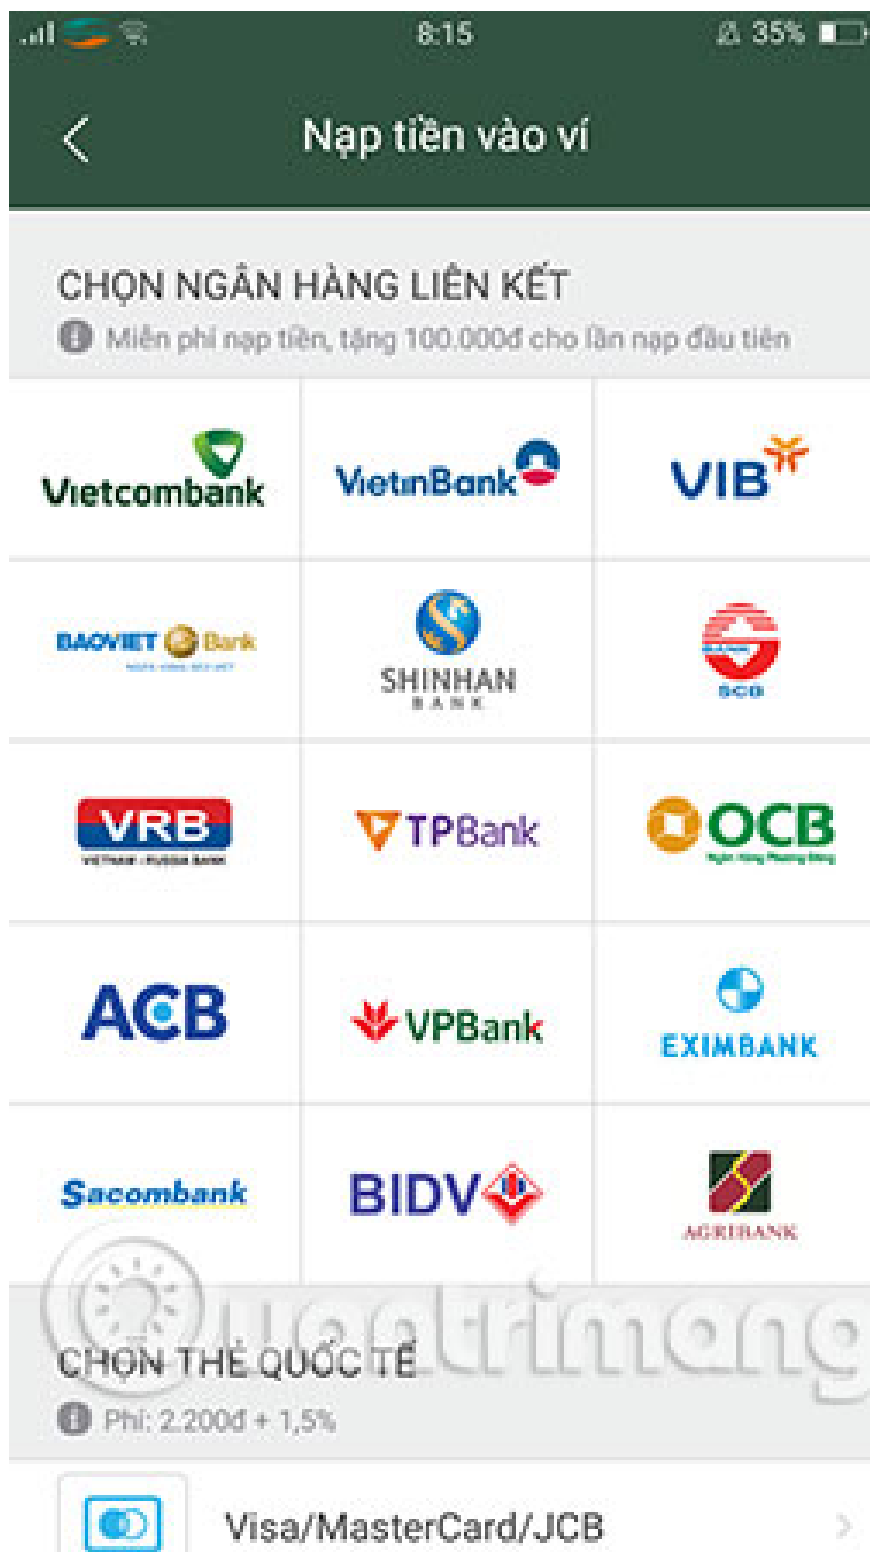

#### Step 1:

Access the Momo wallet, at the main work interface, click **Deposit into the wallet** .

## Step 2:

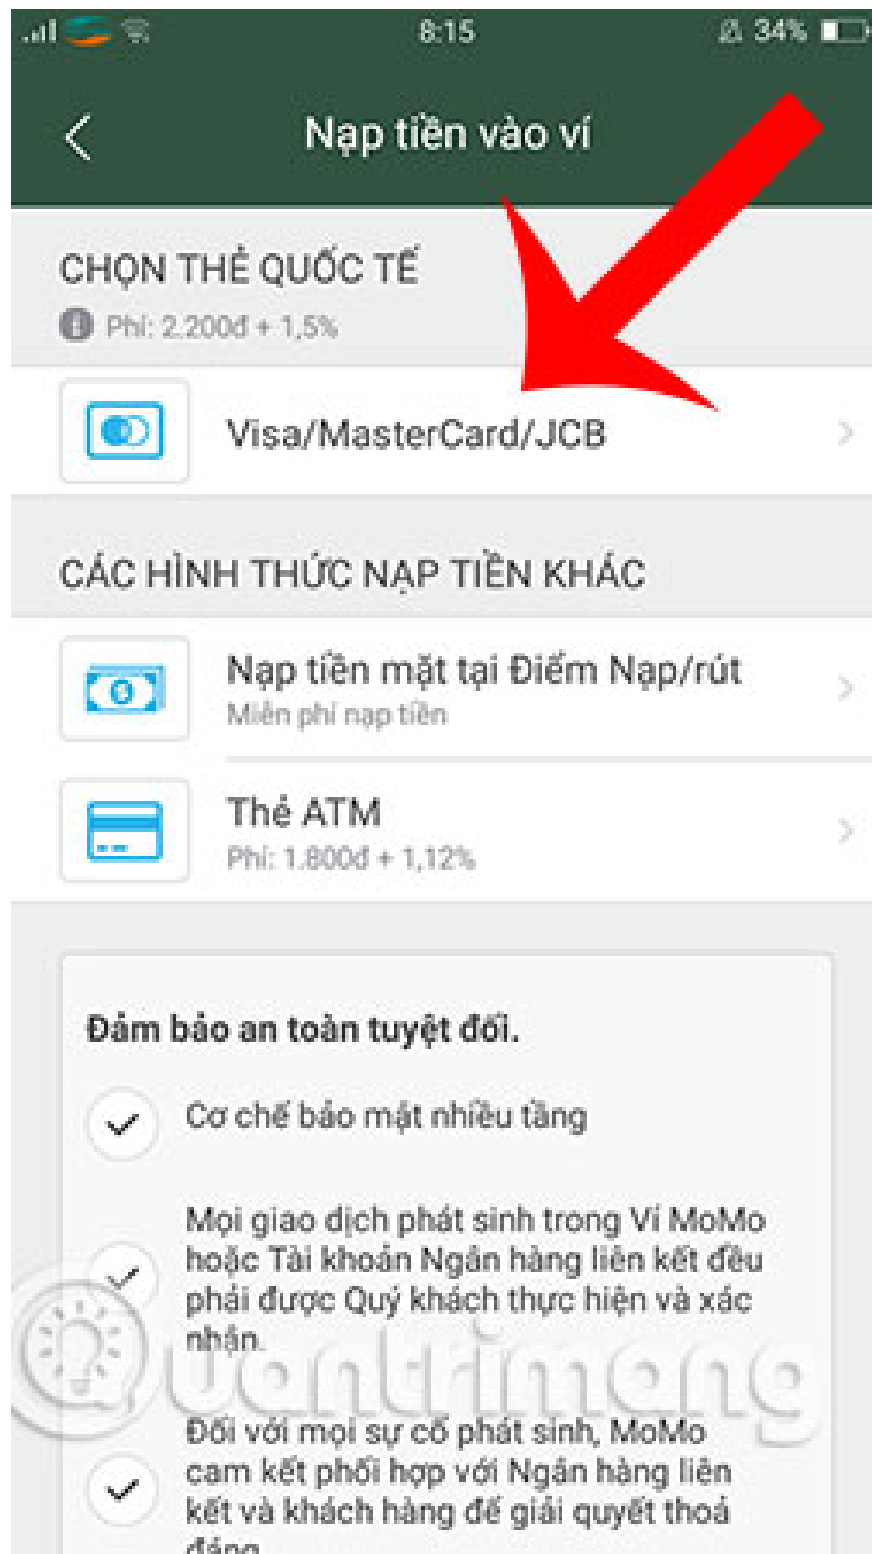

Next, **enter the amount** you want to deposit, then **select the source of money from the linked bank** and just follow the on-screen instructions to be successful.

### 3. Deposit money into Momo via international card (Visa / Master / JCB)

Step 1:

Select **Deposit into the wallet** on the main screen and then select the money source and select the **International card** type.

Step 3:

Here, you fill in the required card information such as: Card number, Cardholder's full name, Expiry date, CVV, do it in sequence according to the order.

The screenshot shows the MoMo app interface for entering card information. The title bar is dark green with a white back arrow and the text "Nhập thông tin thẻ". Below the title bar, there are four input fields: "Số thẻ" (Card number), "Họ và tên chủ thẻ" (Cardholder's full name), "Ngày hết hạn" (Expiry date), and "CVV". Each field has a question mark icon to its right. Below the input fields, there is a grey banner with the MoMo logo and the text "MoMo đã được cấp chứng chỉ bảo mật PCI-DSS, hoàn toàn không lưu thông tin thẻ." (MoMo has been granted PCI-DSS security certification, completely does not store card information). At the bottom of the banner is a large red arrow pointing down to a grey button labeled "Tiếp tục" (Continue).

#### **4. Deposit money into Momo from domestic bank ATM card**

In order to deposit money from ATM cards of all banks, you must register for Internet Banking service provided by the bank before.

**Step 1:**

Same as above, you still select **Deposit into your wallet** , then select **Other recharge options** > select **ATM card type** .

**Step 2 :**

Next, **select** the connected **bank logo** to deposit and **enter the desired deposit amount** > **click Execute** .

# Thẻ ATM

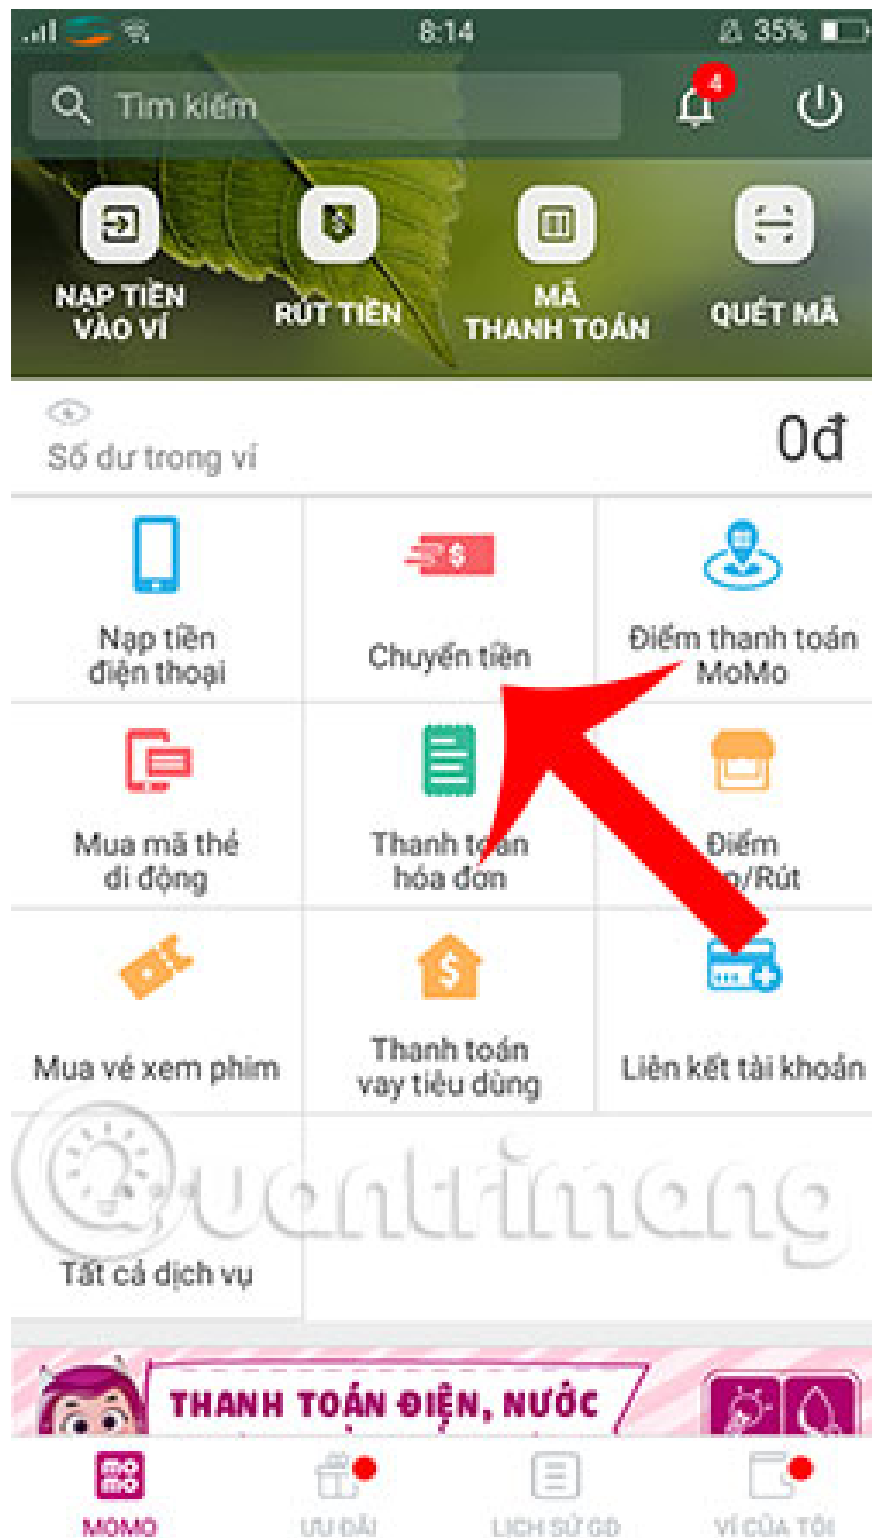

Thẻ/ Tài khoản ngân hàng của bạn cần được kích

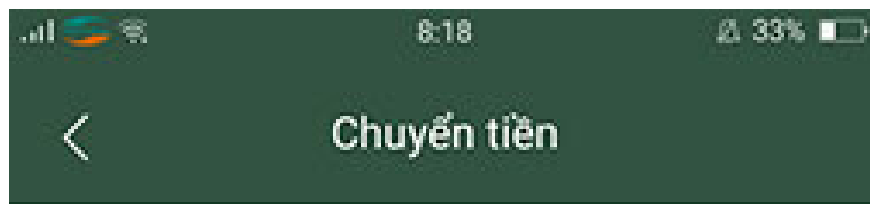

Immediately a bank verification code will be sent to your phone number via text message, enter this code correctly to confirm the deposit into your wallet.

## 5. Transfer money right on MoMo application

Another simple way you can use that is to select the **money transfer** feature right on the application. Transfer money as fast as a message, just remember the phone number.

Nhập tên hoặc số điện thoại

#### Hướng dẫn chuyển tiền trên MoMo:
