

# 5 tips to play Chrono Free Fire characters to have Booyah

Chrono is a new character in Free Fire that will appear right after you update to OB25, New Start Garena Free Fire. Here are some tips and tricks to play the character Chrono CR7 Free Fire to own Booyah shared by the players.

In early 2021, Free Fire has officially added a New Start version with many remarkable content, especially gamers can receive Monkey Gladiator immediately after loading any Diamond, this event only lasts. within 7 days from 3/1/2021 to 9/1/2021.

## Tips to use the character Chrono CR7 in Garena Free Fire

Use shield as cover: This new character has a special ability called Aura of Guardians, which allows you to create a shield that protects from enemy bullets from head to toe. your. Therefore, you can combine with Ice wall to keep safe from enemies from different directions.

- Use Chrono Rushing: This character is useful for entering the house thanks to his defense and attack. Especially the shield can save him when he falls into the ambush of the campers, camps in an area waiting for the enemy to appear.

- For Explosive Grenades: When an enemy tries to throw an explosive grenade at you, activate the skill Aura of Patronus to open the shield. When the enemy throws it, the shield can prevent explosive damage, moreover the grenade can be shot back to the enemy, it can even kill them with its grenades.

- Acceleration: Chrono can speed up the run faster than other characters in Free Fire. He was able to chase, catch up, and even surpass DJ Alok when he started chasing the character. That is a huge advantage when you can capture the enemy, shoot him down or need to escape when you are not ready to fight.

- Loot Supply Chests: The shield is also useful for protection when you are looting items from the chests. In any Battle Royale game, you can become an easy target while looting in supply boxes. But with this Chrono Free Fire character skill, you can be safe.

Above are the top 5 tips to play Chrono Free Fire characters to have Booyah shared by the players, surely with this set of skills you can do more than that. In addition, Code Free Fire in January 2021 was also provided by NPH a few days ago, they were synthesized by TipsMake in the Previous side post.
