

5 ways to decorate candles for Christmas night add sparkling colors

Try to look through the ideas presented with beautiful sparkling Christmas decorations below to see if you can apply anything to your house.

To decorate Christmas, beside pine trees, flowers, snowflakes, candles are indispensable items. With the candle decoration below, make sure your room will be more gorgeous, fanciful and cozy.

The bright colored candles decorated with perfection will become an indispensable highlight in every space when Christmas returns. Try to look through the ideas presented with beautiful sparkling Christmas decorations below to see if you can apply anything to your house.

Pine leaf candles

You just need to put a candle in a glass cup surrounded by green pine leaves that also creates natural patterns with warm candles. This Christmas, instead of just burning a few candles and lighting as you normally do, try changing the wind by decorating this pine leaf candle.

Candles are more sparkling and magical when placed in a glass cup and surrounded by fake pine needles.

Candle ladder

Arranging candles by the ladder is an interesting idea, in order to make this classic and simple display, you can buy candles of different heights or cut them at will. In addition, the bottom of the candle can use a wide silk ribbon to pack for unique candlestick, more sparkling. This way of presenting candles will be better when on a fireplace or in the middle of the table for your Christmas party.

This way of decoration is more impressive, shining for the entire Christmas night space.

Hanging candles

How to decorate hanging candles is quite simple but equally shimmering and romantic. Shape snowfall with candle hangers, snowflakes and decorations. Everyone in your family as well as your friends will surely be attracted immediately with sparkling candles hung up like this.

Creative candles are hung up for the space in the Christmas house.

Cardboard candles

This is a not bad idea for your Christmas night and the person becomes warmer. Combine candles and cup holders with the same color but different in shape and size. Refer to the collection of pairs of winter branches with white candles and many shapes like in a forest below.

Your room will stand out and be exotic with this candle decoration idea.

Red candles

The red color is a true symbol of Christmas, put red roses in a glass box. Then put it on the bottom of a glass cup. Next, just fill the cup with water and insert the berry around the candle. You don't see the candle light seem more magical thanks to the embellishment of green leaves or colorful flowers full of charm.

The beautiful candle cups are adorned with branches of red roses and red berry fruits.

Above, TipsMake.com has introduced you to 5 creative and impressive Christmas decoration candles . The flickering candlelight will light up the space and create an extremely romantic atmosphere. Hopefully these suggestions can help you choose the right decoration for your home this Christmas.
