

# 60 best Free Commons music download sites

One of the best things on the internet is that you can find lots of free creative resources on it. Like all other useful content, there are many websites you can download and use for free. This article will give you a list of 60 websites that can download Creative Commons music for free. Let's explore it.

When searching for music online, you often see terms like Public Domain, Creative Commons or Royalty Free. Do you understand what and say what kind of copyright? Public Domain is copyrighted works. You can use it, edit it without paying. Creative Commons means you can use someone else's work but must adhere to certain conditions attached. And with Royalty Free you have to buy a license once and use it forever.
