

## 8 best iPhone 11 accessories

If you own a new iPhone 11, you'll want to equip it with some accessories. Here are the best iPhone 11 accessories available.

Apple's iPhone 11 offers a great balance between price and features. Along with a 6.1-inch bezel-less screen, the phone offers a dual-lens camera system, which makes it perfect for taking photos or videos.

If you own a new iPhone 11, you'll want to equip it with some accessories. Here are the best iPhone 11 accessories available.

### Should accessories for the iPhone 11?

1. Spigen Ultra Hybrid Case
2. OtterBox Defender Series
3. Anker Powerline II USB-C to Lightning Cable
4. Mophie Powerstation Hub
5. Apple AirPods With Wireless Charging Case
6. Twelve South HiRise Wireless
7. Libratone Zipp Mini 2
8. Sony DualShock Wireless Controller 4

### 1. Spigen Ultra Hybrid Case

Reference price: \$ 10.99 (VND 253,000)

One of the best features of the iPhone 11 is that it is available in 6 unique colors: White, Black, Green, Yellow, Purple and Red. And an internal case is a great way to protect your iPhone 11 while still displaying your color choice.

The Spigen Ultra Hybrid Case combines hard and durable backs with a soft cushion to make iPhone 11 easier to hold. The bezels on the case protects the screen in case it is dropped and allows you to comfortably put the phone face down without worry. The large buttons on the panel are also very easy to press.

Spigen has also made the Lightning port cut big enough to be compatible with most cables on the market. Along with a completely transparent version, you can buy Ultra Hybrid with matte black border. People with an iPhone 11 Pro or iPhone 11 Pro Max also have their own options.

## **2. OtterBox Defender Series**

Reference price: \$ 50.41 (VND 1,170,000)

Although Apple continues to make every iPhone generation resistant to bumps, drops and other hazards, you may want to add a case to further protect the iPhone 11. OtterBox Defender The series has two layers of protection.

Along with the hard inner shell, the exterior of the case is made of softer material. The port cover is equipped to help prevent dust and debris from falling on sensitive parts of the iPhone. There are many colors to choose from, including black, blue and purple. You can also choose separate Defender cases for iPhone 11 Pro and iPhone 11 Pro Max.

### **3. Anker Powerline II USB-C to Lightning Cable**

Reference price: \$ 19.99 (460,000 VND)

Most devices in the past few years, including the most recent MacBook Pro, have switched to USB-C cables. While Apple includes a USB-C to Lightning cable and 18W adapter with iPhone 11 Pro and iPhone 11 Pro Max, iPhone 11 buyers are not so lucky. You'll find a regular USB-A to Lightning cable and a slow 5W charger that comes with this device.

Fortunately, a USB-C to Lightning cable doesn't cost too much. Anker Powerline II USB-C to Lightning Cable products are MFi certified and have a lifetime warranty. You can pair the cable with Anker's PowerPoint III Nano to unlock fast charging. With that combination, you can charge your iPhone 11 from 0 to 50% in just 30 minutes.

#### **4. Mophie Powerstation Hub**

Reference price: \$ 69.60 (VND 1,616,000)

When away from the power outlet, the Mophie Powerstation Hub is the perfect companion for iPhone 11 and a host of other devices. Together with two USB-A ports, you can use any compatible USB-C to Lightning cable to quickly charge your iPhone on the go thanks to its 6,000 mAh battery. 4 LED status lights will tell you the battery status.

When you're tired of messy cables, the top of this hub can be used as a wireless charger. And there's no need to find a cable to charge the hub, as it has built-in AC power prongs to fit into any wall outlet.

## 5. Apple AirPods With Wireless Charging Case

Reference price: \$ 164.99 (3,831,000 VND)

Apple's AirPods With Wireless Charging Case is a headset specifically designed for iOS devices, including the iPhone 11. After a quick setup, AirPods will automatically connect to all devices on the same iCloud account. without doing anything else.

To access Siri while using AirPods, just say 'Hey Siri'. You can also double-tap the headset to play or skip a track. AirPods provide up to 5 hours of music playback on a single charge, and the charging case can provide an additional 18 hours.

When needed, a 15-minute charge in the case will provide 3 hours of music playback. When the battery runs out, you can charge the case and AirPods with a Lightning cable or Qi wireless charger.

## 6. Twelve South HiRise Wireless

Reference price: \$ 79.99 (VND 1,857,000)

A wireless charger around the house or on the headboard is also a must for the iPhone 11. Twelve South HiRise Wireless is made of leather and chrome plated, looks great everywhere. Instead of lying on a flat surface, the iPhone 11 can be placed vertically so you can easily follow notifications and even use your phone while it charges.

And this device is perfect for a dual task: Charge both your iPhone and the AirPods wireless charging box. Just remove the charging disc. You can also carry it with you on the go with the included cable.

## 7. Libratone Zipp Mini 2

Reference price: \$ 177.65 (VND 4.125.000)

Libratone Zipp Mini 2 is a versatile portable speaker. For anyone with an iPhone, the best feature of this product is compatibility with Apple's AirPlay 2 protocol. That means you can quickly and easily play music, or just about anything else, from your iPhone to the Zipp Mini 2. Speakers can also be part of an audio system for the whole home, controlled through via iPhone or other iOS device.

You can even start a song on the speaker by asking Siri. It can also access Amazon's Alexa directly or use Spotify Connect. When away from WiFi networks, you can use the Zipp Mini 2 as a regular Bluetooth speaker. The built-in battery provides up to 12 hours of music playback on a single charge. You can choose from 4 different speaker colors: Gray, black, red or green.

## 8. Sony DualShock Wireless Controller 4

Apple's iOS app store has a lot of great games. And, with the introduction of the Apple Arcade gaming subscription service, there are many games that are compatible with gaming controllers. Using the controller sometimes provides quicker and more accurate control of the touch screen.

Sony's DualShock 4 Wireless Controller has a built-in rechargeable battery so you don't have to spend extra money on the battery. When it's time to play, the handle has everything you need for entertainment. This controller is also compatible with iPad, Apple TV and Mac.

While the iPhone 11 is a great handheld device, these accessories can help you use your smartphone better, no matter what you are doing.
