Please refer to 8 good habits to help you succeed in every field!

1. Has passion

If you want to succeed in life, you **must** first **have passion for what you did** first. You can't expect to be successful if you don't enjoy yourself with what you're doing. Passion is the main source from within you. So ask yourself what makes you feel excited?

When you find your passion, make it a habit and live happily every day with that passion!

2. Work hard

Success can only be achieved by embarking on it yourself . Of course, to be successful is not easy, we will have to spend time and effort. When you start working, you will surely reap the benefits that you desire.

3. Good in the field of expertise

Whatever you decide to do, make sure that you will **contribute 100% of the effort and really try to learn** in that area. Invest time and energy every day to develop the mind for what you want to succeed. What makes you different from everyone? Look for what you are passionate about and make sure you try to be good at it!

4. Focus

With so many distractions in everyday life, it's important to keep your **focus on your goals** . Focus on what you want to do rather than allow things that are not good and affect your life. Focus and success will come to you!

5. Promote yourself

You need to make sure that you motivate yourself every day. You need to overcome all your beliefs and limits. Whether it is shy or lack of confidence, get rid of that meaning!

Continue moving forward even if there is suspicion. Find out what you feel insecure and make sure you can overcome it by pushing yourself forward. The difference between a successful person and a failing person is the ability to push yourself through the safe zone and commit to achieving success.

6. Serving others

Spend time and serve others with your knowledge, wisdom and skills. There is nothing more meaningful than **sharing your skills with others** so they have the tools to achieve success and hope. Then they will pass on what they learn from you to others.

7. Implement your own ideas

Once you have good ideas, make sure you put them into practice. Many of us have great ideas but the secret to success is to write those ideas out of paper and make them a reality. Allow yourself to be creative and find a way to turn those ideas into action.

8. Perseverance

Even when things get tough, keep persisting . Commit to yourself every day to fulfill your goals. It's easy to give up when someday you can't get what you expect yourself to, but no matter what happens, keep persevering and know you're growing even when you're in trouble. lose.

As Dale Carnegie once said:

" Success grows from failure. Depression and failure are the two most sure steps to achieving success ."

This is a great saying to remember when you feel frustrated and unmotivated. Certainly in life, everyone will sometimes experience failures but know that experiencing them is also a step towards success!
