

8 suffering of girls do not know who to talk to when summer comes

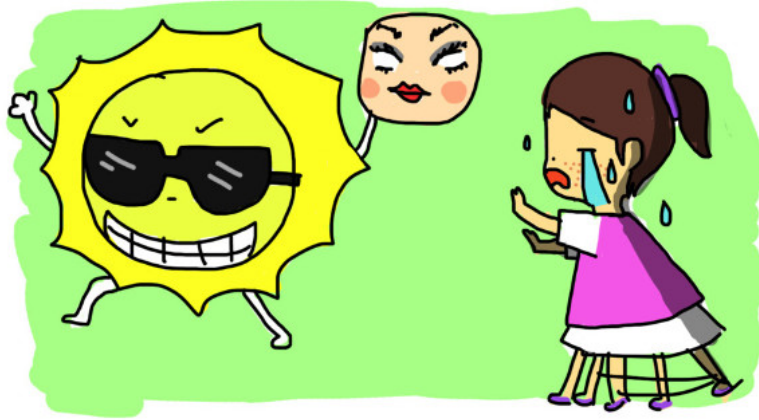

Being regarded as a ninja, unable to keep makeup, beautiful hair for too long or still wearing many clothes ... are things that make girls cry during hot summer days.

Summer is coming to you, you feel happy because you "sprinkle silk" in long-term travel or even if you go somewhere in the evening, it's just like. But for women it is true that summer is a terrifying obsession with them.

If you are free to choose the simplest outfit to go out, the sisters are completely different, even if it is as minimal as possible, they still have the ability to encounter obstacles that can't be helped. floating.

1. Where is the Makeup class?

Lớp make up nay còn đâu ?

In the summer, hot weather makes the skin shed too much sweat and oil makes the sister's make-up class fly away. But the important thing is that they don't go away as quickly as when washing, but they become a messy coating that makes the owner no different from a mobile clown. It was horrible.

2. Always covered like Ninja

Luôn trùm kín như NINJA

In the summer of the road, we will easily catch sight of sisters wearing tight clothing like real Ninja. This is the best way for you to deal with the hot summer sun.

3. Ear hair is never beautiful

Không thể xinh đẹp nổi

Girls who do not want to look at me are always beautiful with thick, bobbing hair. However, the summer coming with the helmet and the "help" of the helmet will cause your hair style to collapse and stick together. Especially

with the sparse girls, there will be hairstyles that show off the super silly curls, the thick bangs are sure to warp each other. This always makes women lose confidence when going out.

4. Summer still wears many shirts

Vẫn phải mặc nhiều áo

Under the sweltering weather, one does not want to be comfortable with silk, but it is difficult for women to do this, the summer is a difficult season to handle medical furniture, making sisters always feel more uncomfortable.

5. Haunting named "red light day"

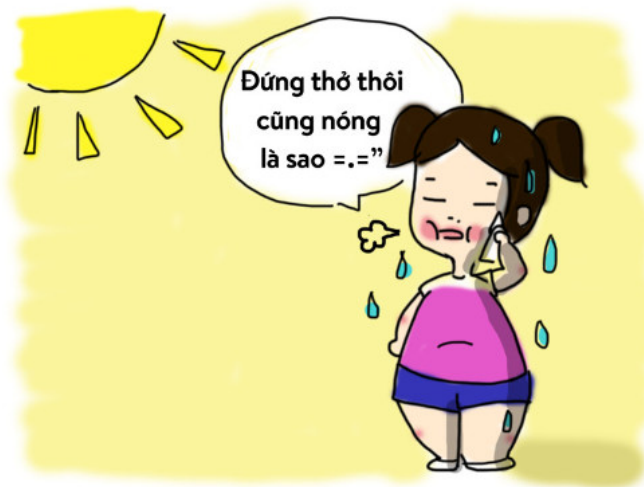

Kinh hoàng mùa “đèn đỏ”

On a beautiful day, when the weather reached 40 degrees Celsius, suddenly the "maiden" visited unexpectedly, causing many women suffering at the same time without knowing who to talk to.

6. The pain of the "chubby" association

Nỗi đau của hội “mũm mĩm”

For the chubby team girls, summer is true for them is an execution that is not light. Where to go, what to do with them is also difficult with this hot weather.

7. Observe the scent of the body

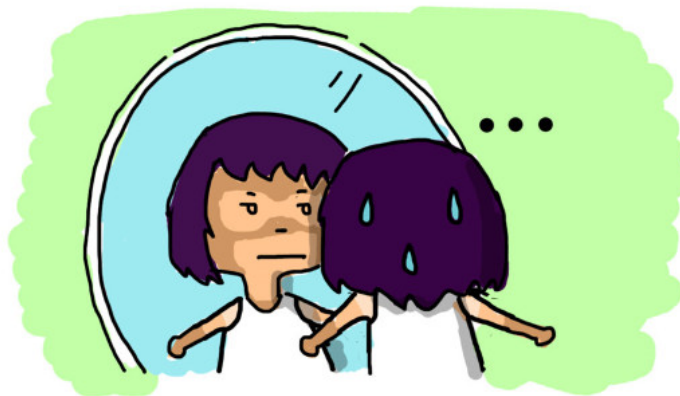

Ảnh hưởng mùi hương

Body odor seems to be the daughter's biggest obsession in the summer. It makes them embarrassed and lose confidence when they are around others.

8. Skin is prone to sunburn

Tập làm quen với làn da Châu Phi

Even when applying continuous sunscreen, if you work, travel a lot outdoors, your skin can still be burned black, burning. Uneven skin is what makes girls "cry" whenever they look at themselves in front of a mirror.
