

A lot of users are waiting in line to buy the first Galaxy S20 in Vietnam

Although it is not until tomorrow (March 6), the Galaxy S20 trio will officially be available, but from this evening, many users have enlist to line up early to be the first to own. Galaxy S20 in Vietnam.

After nearly a month of launching the Galaxy S20, Galaxy S20 + and Galaxy S20 Ultra pre-order programs with great prices and attractive gifts, March 5 today will be the last day of the pre-order program and The device will officially go on sale tomorrow (March 6).

However, right from the evening of March 5, the time before the preorder ended, a series of users came to the door in front of the night market to have the opportunity to become the first owner. Galaxy S20 in Vietnam.

According to our records, in order to be the first to own the Galaxy S20 in Vietnam, many people spent the evening queuing in front of the store. And even though the number of people lining up is very large, people still consciously line up and get their numbers in a civilized order without pushing and pushing. Organizing committee also favored to provide both snacks and drinks to "energize" users while waiting in line.

The area to get the ordinal number

Sharing with the reporter, Tram, who has just changed to Samsung, was also lucky enough to get the first number, saying that her intention is to buy the highest-end Galaxy S20 Ultra. *"The reason I chose the Ultra was because of my hobby of taking photos and videos, so I chose the Galaxy S20 Ultra for the best camera quality. I myself am also a traveling person, sometimes I want to take zoom in. who could not do this due to distance limitations, so the Galaxy S20 Ultra is the phone I need for this need,"* Ms. Tram shared.

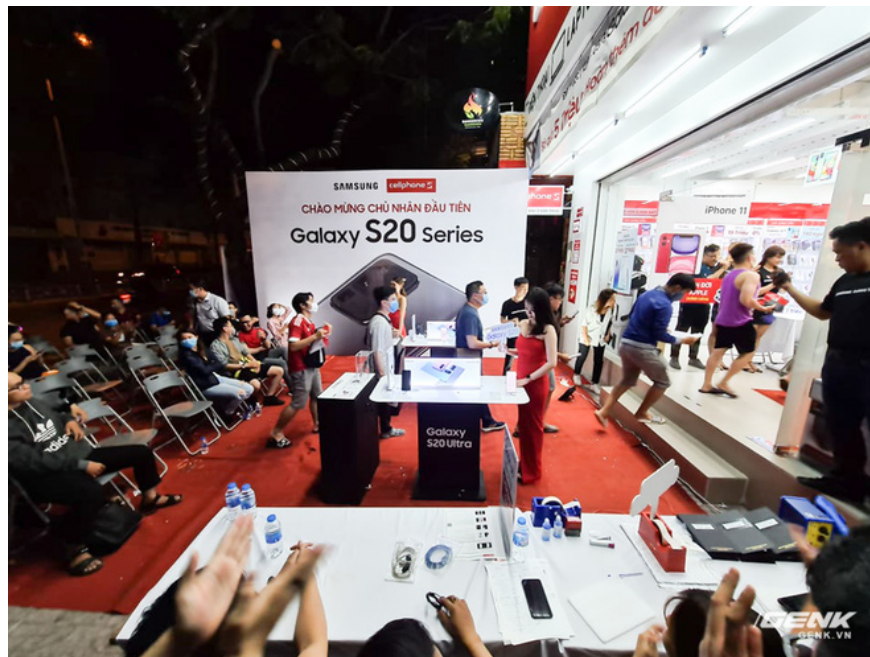

Ms. Tram, the lucky user received the first order ticket

Besides, Tram also shared that she was studying concoction, but her eyes were nearsighted, so she could take advantage of the Galaxy S20 Ultra's 100X zoom camera to take documents.

00:00 March 6: Officially launched Galaxy S20 trio

At 0 o'clock on March 6, the store officially opened to welcome customers to buy Galaxy S20 in the order they had been lined up earlier. To avoid hustle and bustle, the store only receives 8 customers at a time, each customer will have a dedicated counselor and support to ensure the best shopping experience.

Open to first customers who purchase Galaxy S20

Each customer has their own support counselor

Hung, one of the first eight lucky customers to own the Galaxy S20, is also an iFan using both the iPhone XS Max and Apple Watch, saying this year he decided to launch the Galaxy S20 Ultra. The reason is that every 1 to 1 and a half years, you change your device once to experience both operating systems. He chose the Galaxy S20 Ultra because this year the iPhone 11 Pro Max is so boring, he plans to replace the Apple Watch for synchronization.

Mr. Hung, an iFan using an iPhone, is determined to change to the Galaxy S20 Ultra

Not only attracting technology fans, this year's Galaxy S20 queue event also welcomes young students. Thu (born in 2000), accompanied by his brother to line up, is also one of the first eight customers to say: *"I have been using Galaxy J7 Prime for 3 years, now I have the opportunity to be born. I choose The Galaxy S20 + is because it meets my needs, and also for long-term use because I don't change devices often. "*

You Thu (2000) chose the Galaxy S20 + for long-term use

Sharing with the reporter, as the first customer to own a Galaxy S20 Ultra in Vietnam, Tram said the feeling of being touched for the first time is very "happy". I plan to use my Galaxy S20 Ultra to take photos of myself, my friends and family more because the camera is the feature I need most every day.

Ms. Tram, the first owner of Galaxy S20 Ultra in Vietnam. She also said that Apple has always used it, "but this time I saw a new Samsung phone with good zoom feature, added 8K video recording, so I changed it always, I think the image / video quality will be better. absolutely! "
