

A124 Free Fire characters will resemble Alita?

Some gamers believe that A124 will be like Alita's angel in Free Fire

New updated version of Garena Free Fire will be named OB17 - Survival energy will have more character A124. This new character is introduced to have destructive power because she possesses a supreme technology with the ability to transfer EP into HP quickly when fighting.

Immediately after some information about this new character was revealed, many gamers commented that A124 was designed with a style similar to that of Alita who is pretty much. There are also many players who consider that A124 and Alita are actually just one, and the name A124 is just a replacement for Alita. And does this new A124 character possess special skills and terrifying destructive power like Alita?

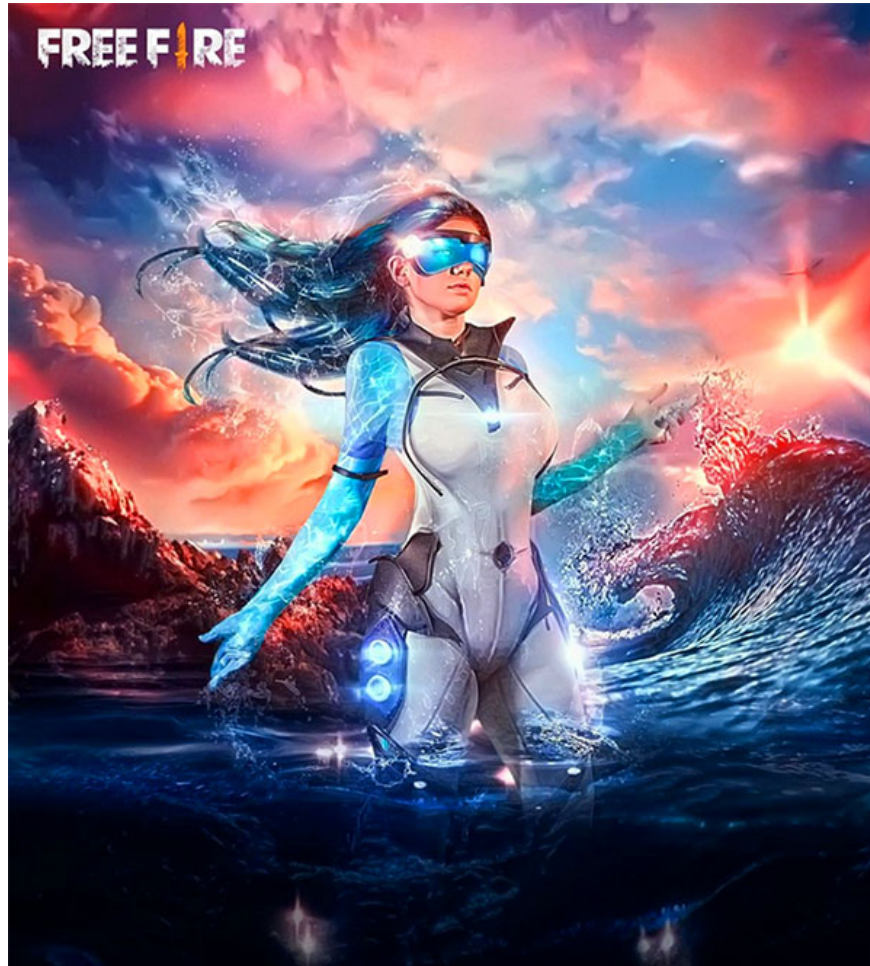

Meanwhile, the players who stand on Alita's side think that it is unlikely that A124 will be like Alita and even the characters that will be released later are just a "fake" version of Alita.

And when the debate about character A124 is still lively. Then Garena released a Cosplay photo called Ocean Girl with a look quite similar to A124. At first glance, the two girls will be identical except for the longer Ocean Girl's hair. And the costumes are almost the same.

Currently, the character of the Ocean Girl above is being offered a discount in just two days from August 12-13. You can buy this character for only 799 diamonds, please quickly "take her to the palace".
