

# Absolute things to avoid during the wedding

Marriage is a great affair, affecting the lifelong happiness of the bride and groom so every job in the wedding ceremony needs to be carefully prepared, avoiding mistakes that may adversely affect life. Later family of young couple.

Marriage is a great affair, affecting the lifelong happiness of the bride and groom so every job in the wedding ceremony needs to be carefully prepared, avoiding mistakes that may adversely affect life. Later family of young couple.

To have a perfect wedding, you need to avoid the following taboos altogether.

## 1. Avoid bad days and hours

The day and time of the wedding ceremony is extremely important in the wedding. According to the concept of the Eastern people, every day, now carries certain meanings and every year of the bride and groom to match different days and times. If you celebrate marriage on a bad time, it will affect your marriage life later: married life is unhappy, affecting the health of two people or the problem of children .

Therefore, before the wedding ceremony, families of both sides often consider and discuss carefully to choose the best date and time.

## 2. Avoid home with mourning

In Vietnam as well as other Asian countries, the word "fondness" always occupies an important and particularly sacred position. Therefore, if a family member has lost, it is compulsory to go through the mourning period to

organize a wedding to show their remorse towards the deceased. For parents, they have to mourn for 3 years, with grandparents having to mourn for 1 year.

This also helps to avoid misery, the bad points of the funeral that affect the happiness of the bride and groom.

However, today, the time of mourning has also been shortened, many families consider the funeral to be lost and do not want that too much impact on the lives of their children. It is possible to hold a funeral after one year of a father or mother, for grandparents can leave for 100 days.

### **3. Avoid sketchy offerings**

Vietnamese people attach great importance to the worship of ancestors. Therefore, it is absolutely not a prudent preparation for a marriage. On the wedding day as well as the day of eating, the altar, the ancestor altar must always be carefully prepared, cleaned, fully furnished with salty and vegetarian items such as: sticky rice, boiled chicken, candy, fruit, betel nut, wine, tobacco, votive.

Every time when performing ceremonies in weddings, grandparents, parents, brides and grooms have to burn incense to report to grandparents, ancestors and pray that the bride and groom will be blessed by the deceased. family blessing, maintenance, blessing to have a happy and fulfilling marriage life.

### **4. Avoid the bride's mother to take the bride**

Usually the bride's father will be the one to take the daughter home. People abstain from their mothers not seeing off their daughters, as well as giving them to their mothers because of the affection and affection of their mother and daughter, which can make the bride fall in love, not wanting to leave her family and not wholeheartedly worry about her husband's job. after that.

### **5. Avoid the groom's mother to pick up the bride**

Before the ceremony to receive the bride, the groom's mother will come to the bride's house to offer betel and betel nuts to avoid the front. People think that their mother-in-law, who is not able to pick up the bride, is not

allowed to stand at the door to receive the bride, which will make the relationship between the mother-in-law and the bride-to-be not good.

## **6. The bride can only go out when the groom enters the reception room**

During the reception of the bride as well as the previous ceremony, the bride had to sit still in the room and only step outside when the adult in the house had done all the rituals, the groom entered the wedding room. and pick up the bride to greet everyone. So the bride can keep the charm, officially considered the daughter-in-law in her husband's family.

## **7. Avoid two weddings**

According to the Vietnamese conception, the two weddings go against each other like the confrontation, the fighting will bring unfortunate, smooth things to life later so if there are two weddings near each other, those Family adults will meet and negotiate in advance to avoid picking up the same time.

## **8. Avoid breaking**

In the wedding, breaking is a taboo, especially to avoid because it is said to bring bad luck to the marriage of the bride and groom. Maybe their life will therefore not be fully happy, even with the same broken outcome.

## **9. Those who should not take the bride**

People who have funeral or unhappy family life should not go to the wedding or bring the bride to avoid bringing bad luck and bad luck.

## **10. Avoid dark objects**

Everything in the wedding must be bright colors such as red, pink, purple . symbolizing good luck and good things. Especially the offerings to the ancestor altar and wedding trays must be decorated with harmonious and eye-catching colors. Those who come to the wedding should not wear dark clothes like black and brown . to avoid bad luck.
