Galaxy S10 + Park Hang Seo Limited Edition is a special Galaxy S10 + version that Samsung launched to recognize as well as fire to the Vietnamese ball. Samsung only limited sales of 5000 Galaxy S10 + Park Hang Seo to users in Vietnam and Hong Kong.

The first images outside of the Galaxy S10 + Park Hang Seo show that it is completely different from the S10 + on the market. The limited version of this Galaxy S10 + is a flagship with the all-new, colorful Silver color of Samsung.

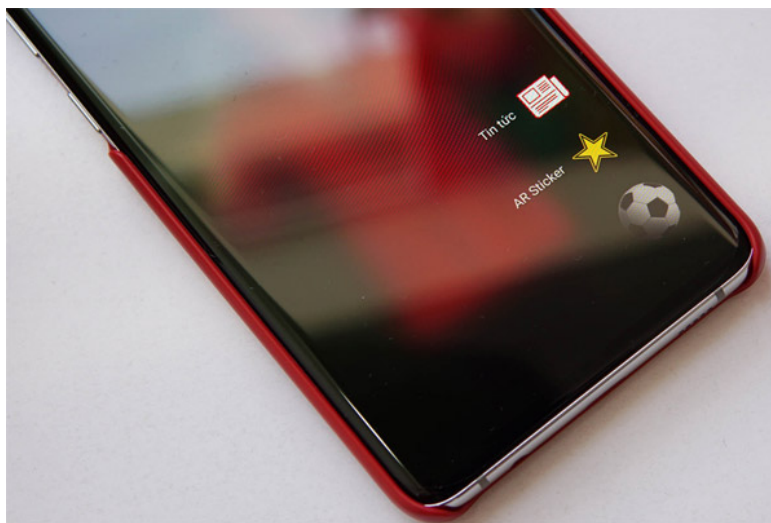

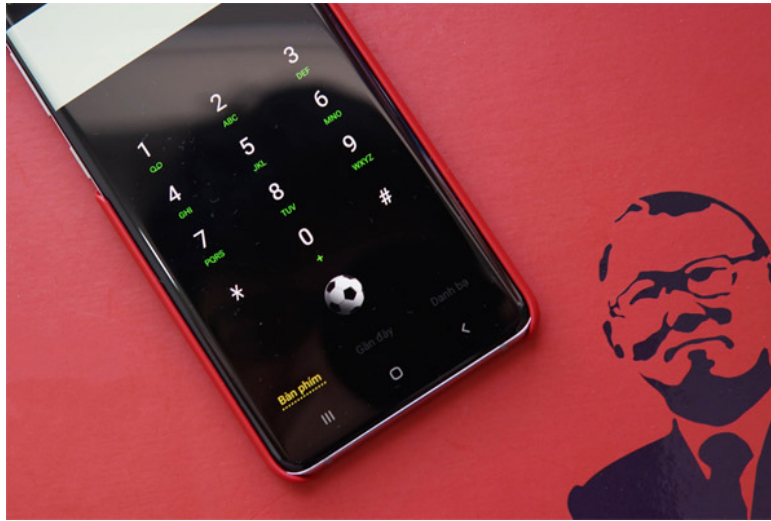

The attached accessory of Park Hang Seo smartphone is an NFC back cover with Vietnamese flag with the image and signature of Mr. Park Hang Seo and a backup charger with wireless charging from Samsung.

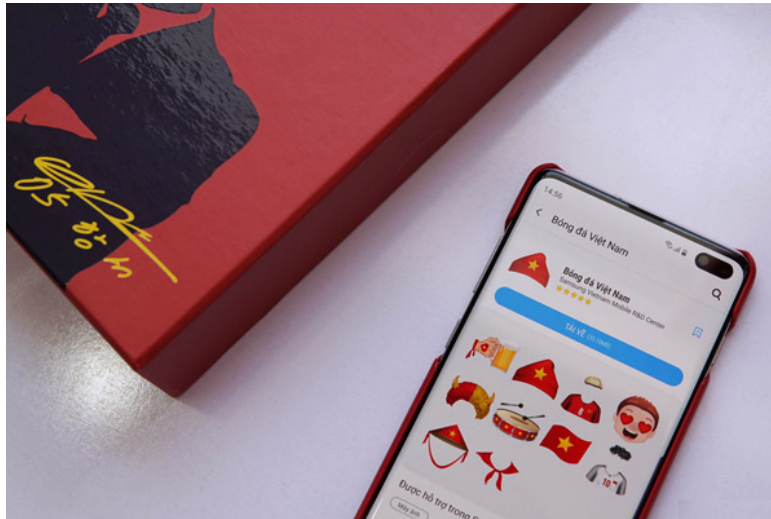

As soon as the back cover is installed, the Galaxy S10 + will automatically install exclusive theme sets with background images, lock screens, colors and extremely beautiful football-style icons that any shadow fan Every stone is mesmerized. Only when you own the Park Hang Seo bumper, does this theme appear.

The back of the device is silvery white with a background that changes color continuously according to the perspective called Prism Silver. In addition, it is also covered with a layer of sandy satin that helps both anti-slip and create interesting lighting effects, similar to last year's Galaxy S9 + Hoang Kim.

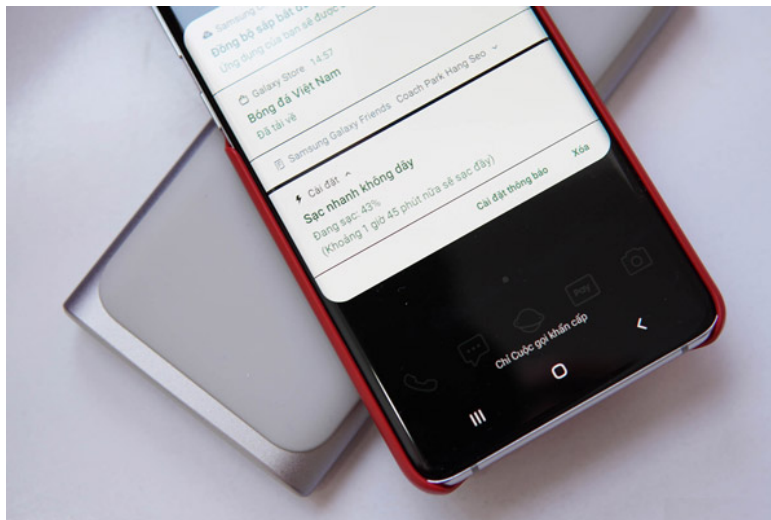

Backup charger supports fast wireless charging of 10000mAh capacity, fully charged for Galaxy S10 + about 2 times through both USB port or wireless charging surface on the back.

Similar to previous versions, Galaxy S10 + Prism Silver is equipped with Samsung's Exynos chip, 8GB of RAM, 128GB internal memory and full privileges for Vietnamese users via Galaxy Gift application.
