

# Admire the 10 exotic houses perfectly hidden between nature

Let us admire the 10 exotic houses perfectly hidden between nature that make you easily fooled!

1. 15+ artistic masterpieces created from avocado seeds
2. See 17 pictures of simple happiness to help you love life more
3. Admire 12 composite photos that make you believe that every part of the world has its own "half"

There are times when each of us wants to spend time alone. Close your eyes and let your mind go to a " *private* " place, separate from the noisy life, where nothing breaks the silence except the sound of waves and rustling leaves.

On the Bright Side page will help you enjoy that time with unique artworks. Let us **admire the 10 exotic houses perfectly hidden between nature that make you easily fooled** in the article below!

## 1. The rustic house in Texas, USA

© bcarc

Lying beneath the ground for about 2m, this house from the *grass "roof"* looks from a distance like a rustic boat in the middle of the water. However, just a few steps down the stairs, you will see a completely different world, inside it is extremely comfortable to meet the needs of life. There is even a small pool in the backyard.

## **2. The house under the pine forest in England, Columbia, Canada**

Located in a city of 4 million people living in tight spaces, the roof top house of this mall seems to be the most economical space-saving solution.

## 4. Canyon Castle in Utah, USA

© utahcliffhouse

© utahcliffhouse

Built in 1986, this canyon house is the home of a couple in Utah, USA. They always wanted to find a quiet place for life after marriage, so they found themselves in the canyon and built this house.

## 5. Villa Vals in Vals, Switzerland

© villavals

© villavals

The reason behind the idea of this underground mansion is because local government regulations prohibit the construction of high-rise buildings because they will break the landscape. So, the architect decided to build a beautiful cave villa with extremely comfortable and unique rooms like this.

## 6. Cliff House in Coquimbo, Chile

From a distance, this house looks like a two-story submarine, one in the ground. Because it was built in a cliff near the sea, the house was built lower than the ground.

## **7. Motels on the lake in Hordaland, Norway**

© snohetta

© snohetta

With the goal of making the most of the beauty of the surrounding nature, the architects tried to design the house with stone walls and curved arches. Look at the house like a cliff and completely integrate into the scenery around the lake.

## 8. Desert oasis in California, USA

If you look from a distance, you will only see this house like a pile of dried leaves in the desert of California. But when you get close, you will have the opportunity to admire the house built solidly with full amenities without ruining the desert landscape.

## **9. The Mirrorcube Hotel in Lapland, Sweden**

© treehotel

© treehotel

The exterior walls of this building are all made of mirrors and covered with an infrared film. Therefore, the house not only reflects the beautiful scenery of the forest outside but also does not hinder the birds when flying over.

## **10. The cliff side in Beirut, Lebanon**
