

Admire the photograph of 'another real world' by animator ErAn Croitoru

Let's take a look at another real world picture of cartoonist ErAn Croitoru below!

In everyday life, the duties, responsibilities and obligations are the invisible strings that bind people to the strict principles and the dry law that prevent us from getting out, which from birth The label has been assigned. Living together in a society but there is always a difference, those seemingly simple differences make some people extremely out of place. Why not try once to step out of the boundaries of prejudice and free yourself with bold thoughts, forgetting about those ridiculous constraints?

Like the way **ErAn Croitoru** - an animator has spent more than two years incubating and executing an interesting project of a different set of thoughts, in a different world, where selfie cameras and snails can fly. Welcome to the " *world of animation* ", where each picture has a meaningful story behind it.

Return to the source of wild nature

Mother and daughter

A vacation of a vegetable sibling

Dream of the star

Special case

Love drunk

Family house light bulb

A special time!

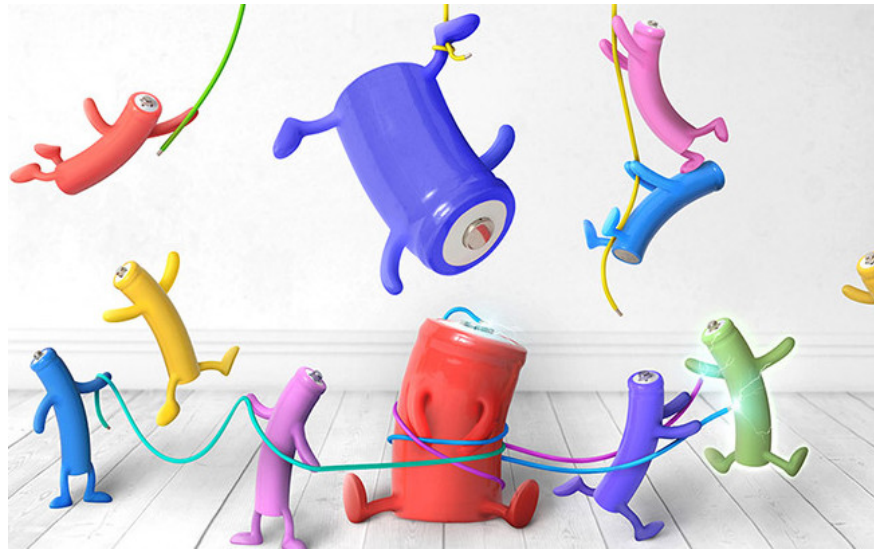

The time has come for old electric posts to rest and regain freedom

Vacation of the cameras

"Protect the king"

Affection for family

"To see if this word is even more noisy?"

Birthday party of birthday candles

And this is the solution for slow snail girls

Attack of the city rivets

All that "kids cup" needs is a little coffee for breakfast

It turns out this is the place of the rabbit in the mysterious magic tricks.

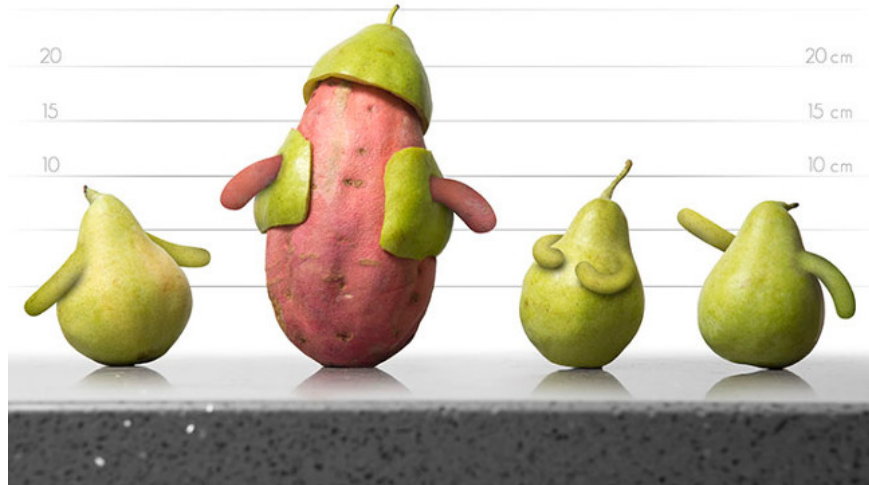

Family candle in the last moment.

Love, not love, love . no love.

Everyone needs to be loved

There must be someone who mixed up here
