

# Admire the super-luxury villas of technology giants

Not only possessing a huge fortune but these technology CEOs also have super luxury villas that make people dream. Let's see how beautiful these villas are!

In the previous posts, the Network Administrator once sent to you to read the article introducing the abundance of billionaire Jack Ma, a richest billionaire in China. Continuing this topic, in the article below will be the luxurious villas of the world famous technology giants such as Mark Zuckerberg, Elon Musk, Michael Dell .

Not only possessing a huge fortune but these technology CEOs also have super luxury villas that make people dream. Let's see how beautiful these villas are!

## Michael Dell

In addition to owning assets worth \$ 22.7 billion, Michael Dell, executive director of Dell, also has five homes and a farm. According to The Wall Street Journal, the CEO's main residence is located in Austin, Texas. Gwathmey Siegel & Associates Architects this villa has an area of up to 33,000 m<sup>2</sup> and is called "castle" by locals because it is located on the top of the hill and is strictly protected. The interior design of the villa includes 8 bedrooms, 16 bathrooms. There is also a tennis court, indoor and outdoor swimming pool and beautiful scenery of Austin Lake.

In addition to properties in Texas, Dell has a 1,700-square-foot resort in Hawaii, a \$ 40 million apartment in Boston, and a 1,000-square-foot apartment in New York, setting the record for the most expensive home in the

city. cost \$ 100.47 million.

Finally, the apartment is located in One 57 skyscraper, this apartment consists of 2 floors in New York including 6 bedrooms, 6 bathrooms and floor-to-ceiling glass doors with a view of the park. Besides, the building also built some facilities such as private library, swimming pool, fitness center and spa.

### **Elon Musk**

Like the director of Dell, Elon Musk also owns 5 homes with a total value of 72.3 million USD. Most of Musk's properties are based on the foot of Santa Monica Mountain, which is environmentally friendly with huge solar panels installed to power the entire villa.

One of them has 3 bedrooms, 3 bathrooms and a garden with an area of 250 m<sup>2</sup>. His main residence is 1,900 m<sup>2</sup>, consisting of 7 bedrooms and 10 bathrooms, worth 17 million USD. This is a classic-style property with full tennis courts and a swimming pool, with enough views to watch Bel Air at night. It is like a lavish palace with full amenities, a gym, a huge wine cellar and a game room .

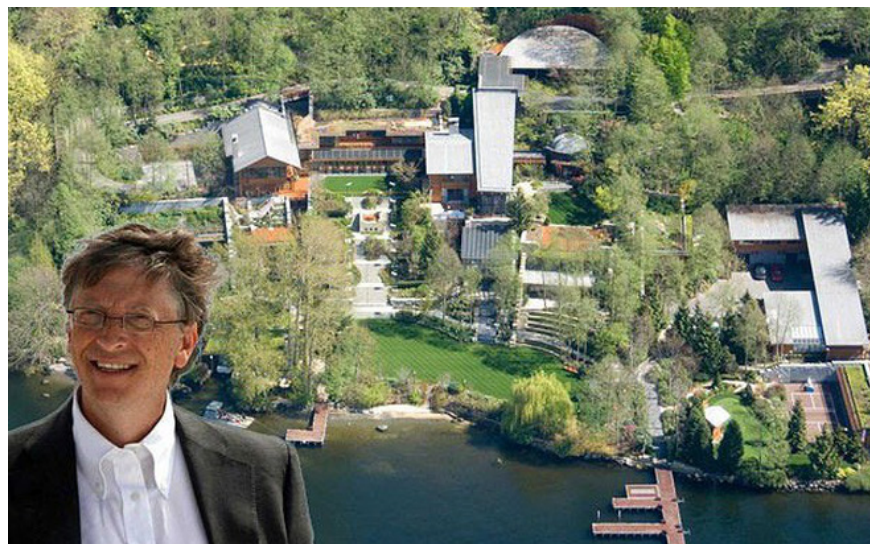

### **Mark Zuckerberg**

Mark Zuckerberg is planning to demolish and rebuild four houses that he bought in a neighborhood in search of privacy. Some people claim that they have steel doors and windows, metal roofs and a shelter security tunnel.

Mark Zuckerberg equipped AI for his Jarvis home is an AI system equipped by Zuckerberg into his own home to serve his personal needs.

In his own home, Facebook CEO makes his own AI system called Jarvis to serve his personal needs. Zuckerberg also bought a 500 m<sup>2</sup> apartment in San Francisco for \$ 10 million and then spent another \$ 1.6 million to renovate.

### **Bill Gates**

Bill Gates does not own many villas like the tech giants, he only has a single mansion located in Medina, Washington (USA). The Xanadu 2.0 villa was acquired by Bill Gates for \$ 2 million in 1988 and up to now, its value has reached nearly \$ 125 million. In 2017, he paid more than \$ 1 million in land taxes.

The house has an area of 4,500 m<sup>2</sup> including 7 bedrooms and 18 bathrooms. Indoor sensors are used to control indoor temperature and light. Moreover, the speaker system behind the wall allows music to follow from room to room. What is special about this house is that it is possible to change wall murals just by pressing a button. The swimming pool has an underwater music system, there is a room with a canvas with a ceiling of 6 meters, a hall can accommodate up to 200 guests, a total of 6 kitchens, a huge library with a handwritten version worth 30 million USD, sand from Gates' beach "is imported from the Caribbean, the price of a tour around the mansion is 35,000USD .

## **Jeff Bezos**

Like Bill Gates, Jeff Bezos also owns a home in Medina, Washington. In the UK, he has a house with an area of 1,900 m<sup>2</sup> and a villa of 800 m<sup>2</sup>. According to The Wall Street Journal, Amazon executives spent \$ 28 million on renovating their home in 2012.

In Washington DC, Bezos bought the most expensive house in the city in 2016 with an area of 2,500 m<sup>2</sup>. To change the atmosphere, this billionaire can relax at his farm outside El Paso, Texas. In addition, Bezos also owns two adjacent houses in Los Angeles, a 1,100 m<sup>2</sup> large villa with 6 bedrooms and a bathroom and another 4,568 m<sup>2</sup> house with a price of 12.95 million USD.

## **Larry Page**

Larry Page's villa is worth \$ 7 million and an "ecological mansion" on the rooftop in Palo Alto. The house has an area of 7750 m<sup>2</sup>, this area can be quite small compared to other technology billionaires, but this is not the only apartment of Larry. In addition to the main house of 6 bedrooms, 4 bathrooms, the CEO of Alphabet (Google's parent company) has built a 6,000 m<sup>2</sup> house nearby.

Two houses are separated by lots of trees. To change the landscape, Page also bought a 194-foot super yacht, which has a helipad called "Senses" for \$ 45 million in 2011 to go to Eustatia, the island, according to rumors. Larry owns.

### **Marissa Mayer**

Yahoo CEO is a famous celebrity in the technology world, not only good at technology, she is also very knowledgeable about fashion and extremely delicate dress. Talking about CEO yahoo's life, apart from the big

asset block, she also owns an extremely comfortable and 483m2 villa, including 5 bedrooms and 6 bathrooms in Palo Alto valued at 5.2 million dollars. In 2010, Marissa Mayer once held a grand party at this house to raise money for President Barack Obama.

In addition, Mayer has a penthouse apartment at the Four Seasons Hotel. This apartment is said to cost \$ 5 million and she regularly hosts cocktail parties here.
