

Admire Windows 10 is designed with a unique nostalgic Windows 95/98 style

To satisfy curiosity, recently YouTuber Kamer Kaan Avdan created a nostalgic version of Windows 10 from the 1990s that made netizens excited.

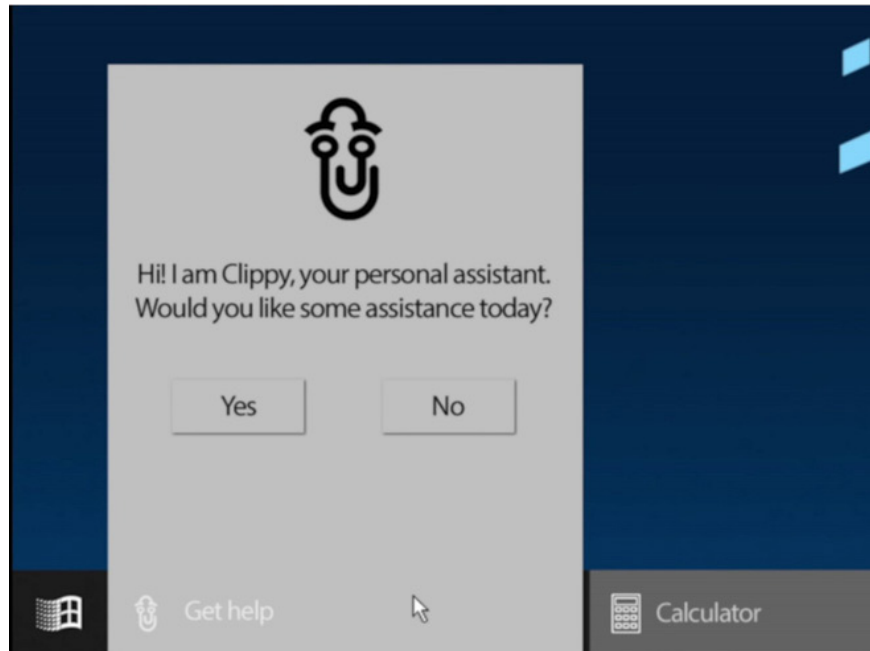

Compared to Windows 95 and Windows 98, Windows 10 is rated a leap in technology, although this version still has some annoying bugs for users. So, if Windows 10 was released by Microsoft in the 1990s, how would it look?

To satisfy curiosity, recently YouTuber Kamer Kaan Avdan created a nostalgic version of Windows 10 from the 1990s that made netizens excited.

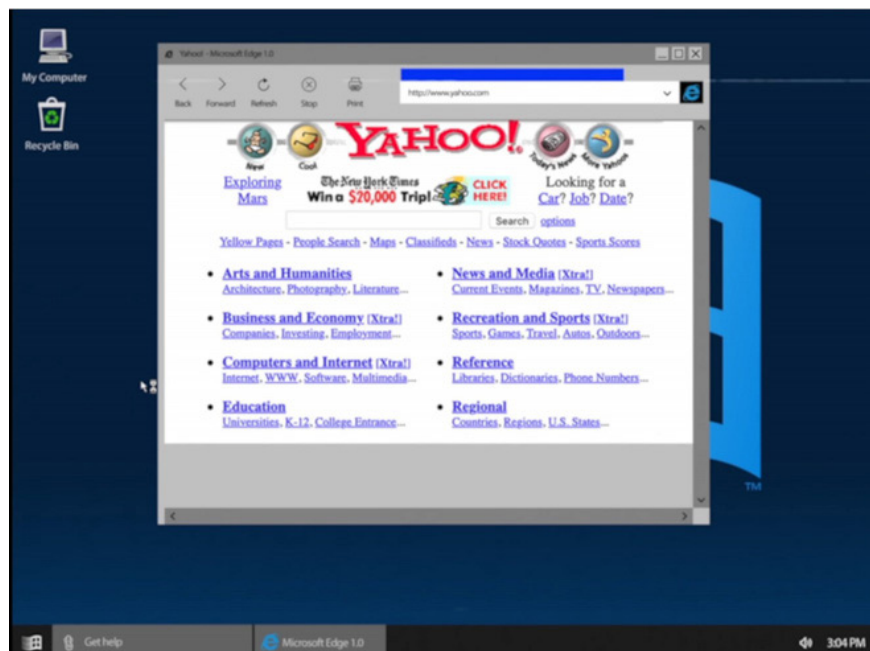

Meanwhile, icons or icons are completely taken from Windows 95/98, arranged in squares. In this version, in Windows 10, there are more famous 'ancient' software such as MS-Dos Prompt, Mine Detection (Minesweeper), Paint and Control Panel.

If Microsoft created Windows 10 at the end of the 20th century, it would probably look like this.

Clippy guy replaced Cortana.

The legendary one-time Yahoo interface will look like this.

Here is the video of the process of using Windows 10 "nostalgic" version, please watch.
