

After the last 7 years Mark Zuckerberg also decided to change his stylist

Is Mark Zuckerberg changing the stylist to overcome the limits that are encountered?

After 7 years of loyalty to jeans and gray T-shirts, Mark Zuckerberg recently had a big revolution changing his outfit. Mark Zuckerberg decided to change his appearance at his recent appearance at Facebook's F8 conference. In this new appearance, Mark appeared with "wings" including dark blue long-sleeved shirt and black jeans. The shoes are still familiar Nike brands in his collection.

However, do not think that it is easy to learn this style of Mark Zuckerberg, regardless of whether the previous or present suits that Mark is wearing are all reserved from Italian fashion house Brunello Cucinelli at the price of 300. -400 USD for a shirt. And this new outfit is also estimated by the keen eyes of having a total of up to 1000 USD, or more than 20 million VND.

His brand and identity from his new clothes is unknown, because his appearance is really basic and nothing special. Anyway, it has always been Mark's intention, because the CEO is so busy that he doesn't have time to choose meticulous clothes every day, so the best way is to buy the same series, with the look The most basic picture possible.

Regarding the recently "winged" Mark, it still follows the "simple is better" style, it still has nothing more groundbreaking than before. Was this gray color in his 2018 year of the year this year, which caused Facebook to have a heavy drought from the beginning of the year so Mark Zuckerberg refreshed himself a bit to help

"heavy"?
