[Videos] " *Aliens will arrive on Earth in September 2017* " - confirming the prophecy of **the prophet Nostradamus** .

In September 2017, an **alien invasion** of Earth is expected to occur. A top secret " *report* " leaked from the cyber-hypothetical community revealed that the Kremlin's " *highly leaked* " documents presented at the secret meeting that took place between Russian President Vladimir Putin and Deputy US President Joe Biden.

An alien invasion will take place as soon as a UFO "unidentified flying object" glows in the sky of Peru? Vice President Biden sent a message from President Barack Obama to President Putin that Russia needed to cooperate with the US to establish a "Earth-wide" missile defense system to protect our planet Earth from UFO alien invasion will happen in September, 2017.

The invasion will happen when NASA satellites are located in the UFO alien giant's " *miles-wide* " fleet when it enters the solar system. This fleet is heading towards Earth and is expected to reach our planet in September 2017.

On January 15, 2014, the report described a large number of alien plot theory blogs and UFO unidentified flying objects, which explains the US Department of Defense's launch of three missiles. **Terrier-Orion** from NASA's Wallops Flight Facility launcher. The reason is still unclear but there are also speculations that the Pentagon ( *Pentagon* ) is trying to probe the invading alien UFO fleets.

NASA also found the mysterious force field operating similarly to Earth's magnetic field. It is the " *deflected* " space energy particles that form the solar wind.

"*This fleet has come very close to the planet Earth that amateur sky watchers have been examining small details with powerful telescopes. Aliens do not reveal the purpose of that mission until the end of 2017, when they reach Earth* , "the report said.

The opinion opinions on the US *Educational Testing Service* ( *Educational Testing Service-ETS* ) are divided into two groups. Some are convinced that aliens are " *unfriendly enemies* " who are holding the threat of " *confusing* " invasions. On the other hand, many people believe that aliens are benevolent and come to save us from the **Third World conflict between Russia and the United States** .

The conspiracy hypothesis that aliens can save our planet from the globalized party NWO-Illuminati ( *New World Order - controlling the brain and policy* ) wants to impose a rule Switch the dictatorship in the world. However, many people are surprised that why they have not come down to our Earth world.

" *They should have been here already,*" said one of them . "*Aliens continue to waste our time. We have been waiting since 2000 and now it is 16 years. They tell us they will come next year. When next year comes, Maybe they will have to take a detour, visit Mars and we will have to wait until 2019. After that, they can decide to go to Venus and check again before they reach Earth, then they again delayed until 2021. And maybe our generation has 'passed'* . "

A " *prophet* " Psychic T. Chase, revealed a video on his **Revelation13net** channel that recent warnings about the alien invasion fleet in 2017 are supported by the prophet Nostradamus, as well as "Book of Revelation " : "*Decoding Rev. 19 is like sounding a UFO invasion and I see heaven opened, there is a white horse .*" *Rev. 19:14 says: "And the fleets in heaven follow those white horses ."*

Forecasts suggest that aliens will intervene to stop the Third World War between the US and Russia. They then planned to create a new global government and " *spark* " a genetic engineering program to protect humanity from self-destruction.
