

All the things you need to prepare to welcome the Lunar New Year in 2018

New year is about to come, have you done these things to celebrate happily and warmly and the new year has more luck and peace yet?

There are only a few weeks left until the traditional Lunar New Year of the nation, the work is quite busy at the end of the year so you can not prepare anything for the family to celebrate Tet.

Let's take a look at what you should do, the things you need to shop for a happy, cozy Tet and the new year to be more lucky and peaceful.

1. Clean up, decorate the house

To see off the old year and welcome the coming new year, house cleaning is an indispensable part of families.

The altar is the most important position, the care and decoration of the worship is always focused first to show respect to the ancestors, the deceased and pray for fortune and happiness for the family.

The living room is not only a meeting place for family members but also a reception place, according to feng shui this is also a place to attract vitality. So you need to clean, decorate the living room is always clean, tidy.

The kitchen is the place to cook delicious dishes for the family but it is also the hardest to clean. So you should learn the experience and tips to reduce the cleaning work in the kitchen.

A few bonsai pots, lovely flower pots not only help you refresh your home but also bring the haunting atmosphere of spring and bring good luck and fortune for the family.

2. Prepare meaningful Tet gifts

Vietnamese people have a tradition of exchanging gifts during the Lunar New Year. You need to make a list of objects and give gifts so you don't miss anyone. Near Tet, the price of all items increases, so to save and buy the gifts you want, you should buy before Tet for about 2, 3 weeks for gifts that can be preserved for a long time.

3. Shopping on Tet clothes

You should list a list of things that each family member needs to buy to not miss out on or over-spend on unnecessary items to save during Tet.

You should go shopping for clothes, shoes, . for family 3 weeks before Tet. At that time, the shops have many items that help you have many choices without having to jostle because too crowded. Buy back, you should always clean to close the Tet holidays for food shopping.

4. Buy food on Tet

Many families buy too much reserve food during Tet days leading to excess, long-term food is not delicious and easily broken. You should only buy foods that are sufficient for 2 or 3 days of Tet holiday because supermarkets and markets will reopen the goods on the 3rd.

5. Beautify yourself

Don't be too busy preparing Tet for the family that you forget to beautify yourself. A new hairstyle, a new outfit, a beautiful radiant skin, . will make us have a relaxed and happy spirit with our loved ones in the early days of the new year.

Below is a list of things to prepare for the Tet holiday.
