Alto's Odyssey

Alto's Odyssey is a sequel to Alto's Adventure game but is completely independent so players don't need to play the first to experience this part. In the game, players will be taken to a majestic desert, vast and unexplored. Here, players will start an endless sand sliding journey to uncover the mysteries and temple city hidden in the magical lands far away. In that journey, you will experience surfing on windy sand dunes, sliding on towering

rock walls, crossing grape fields, jumping on top of balloons and escaping from apes. wicked fox .

In Odyssey, players can unlock six characters, each with unique abilities and qualities.
