

Amazon Prime plays big at the beginning of the year when giving gamers 9 super AAA products for free

The games that are free to play by Amazon Prime this time are all AAA super products that are loved by North American gamers

Recently, Amazon announced 9 free games in January on the Prime Gaming service platform including Star Wars Jedi: Fallen Order, Total War: Warhammer and World War Z: Aftermath and some other attractive titles.

Accordingly, from this point on, Amazon Prime will offer a wide range of free games to gamers who have signed up for Prime Gaming. A little bit about Prime Gaming, this is a subscription service under Amazon Prime, it provides subscribers to use Twitch, exclusive game content and especially free game titles on a regular basis.

The most prominent names in this Prime Gaming free-to-play include Star Wars Jedi: Fallen Order, Star Wars: Revenge of the Sith, Total War: Warhammer and World War Z: Aftermath - hugely popular names Hungry with North American gamers. In addition, it is impossible not to mention Fahrenheit: Indigo Prophecy Remastered - the supernatural game genre is quite attractive.

Here's a list of free titles on Amazon's Prime Gaming service:

1. - Star Wars Jedi: Fallen Order (Origin) - Free play expires on February 2
2. - Total War: Warhammer (Epic Games Store) - Free to play expires on February 1
3. - World War Z: Aftermath (Epic Games Store) - Free to play expires on February 7
4. - Fahrenheit: Indigo Prophecy Remastered (Amazon Games App) - Free Play Expires Feb.
5. - WRC 7 FIA World Rally Championship (Amazon Games App) - Free Play Expires February 1st

6. - Abandon Ship (Amazon Games App) - Expires for free on February 1
7. - Paper Beast: Folded Edition (Amazon Games App) - Free to play expires on February 1
8. - In Other Waters (Amazon Games App) - Free play expires on Feb 1st
9. - Two Point Hospital (Amazon Games App) - Free play expires on February 1
