10. [10. Office Tasks](#)
11. [11. Reactor Tasks](#)
12. [12. Storage Tasks](#)

In this article, TipsMake will give you a list of all the missions in the Mira HQ map and how to complete them. Keep in mind that there are some visual quests, meaning other players can watch as you complete them.

Since Impostors can't do most of the missions, this is always a good way to prove your innocence. Besides, there are some common quests, meaning you will also work with others. Let's try and see what those missions are.

1. Admin Room Tasks

There are four missions in this room:

1. Create shield: Just click on the red hexagons to complete this task.

9. MedBay Tasks

There are two missions in this room:

1. Send Scans (Intuitive): The only visual mission in Mira HQ. You must interact with Scanner to initiate self-scanning. After 10 seconds, the process will be completed and the mission will be completed.

Picture 17 of How to complete tasks on map Mira HQ in Among Us

2. Switch the power to the MedBay room: You go to the reactor and switch the power to the MedBay room by swiping the joystick to the highest level. Then, go to the MedBay room to get the redirection power by pressing the fuse in the middle of the dashboard

10. Office Tasks

There are two missions in this room:

1. Transfer power to the office: You go to the reactor and transfer the power to the office by turning the joystick to the highest level. Then go to the office to get the diverting power source by pressing the fuse in the center of the dashboard
2. Data processing: Just click the 'upload' button and wait a few seconds until the process completes automatically. This task takes a while so watch your back while waiting for it to complete.

11. Reactor Tasks

There are two quests in this room, coincidentally, just like in The Skeld

1. Start the reactor: To activate the Reactor, you must interact with the control panel and repeat the sequence of lights on the left side by pressing the right keyboard. You must complete five sequences in a row to complete this quest.

Picture 19 of How to complete tasks on map Mira HQ in Among Us

2. Unlock Manifolds (Unlock Manifolds): Just click on the numbers in ascending order to complete the mission.

Picture 20 of How to complete tasks on map Mira HQ in Among Us

12. Storage Tasks

There is only one task here: watering the plants. This is a two-step task that involves moving to the Storage area and interacting with the shelf. On the screen, you have to click on the watering can to hold it. Then you need to go to the Greenhouse and interact with the highlighted trees. Finally, you have to click on each plant to water it and complete the task.
