Answer

- 1.** The room with a lion is the safest since they have starved for a long time.
- 2.** Put a young melon in the bottle, with the stalk still connected out into the soil pot. Melons will grow up in the bottle.
- 3.** That coffee has coffee beans, soil or instant coffee.
- 4.** That's the world map: there is everything, but nothing but . ink.
- 5.** Teeth. We will grow teeth twice when we are young. The third time is wisdom teeth, many people will lose money because of it. And even if you don't have wisdom teeth, your teeth can break down when you get old and to have your teeth remade needs money.
- 6.** 70. Usually people will recite this way $30: 2 + 10 = 25$. But when divided, we have to multiply by the inverse number, which is $30 \times 2 + 10$.
- 7.** The other two princesses were too anxious to open the kettle to check and this caused the water to boil more.
- 8.** They just hit 1 on the shoe. If you don't want to look like idiots wearing dirty shoes on the clean side, you will pay to hit the other side.
- 9.** That's your name.

10. He was born in a hospital.
