Are you a person with 6th sense? Are you good at finding clues and solving all the puzzles? Test your wits with a series of puzzles based on the heroine's exciting story in the quiz game **Girl Genius** today.

The difficulty of the puzzle increases as you advance into the game. Therefore, surely in many cases you have to give up before a difficult puzzle. That is when you need the answer game Girl Genius. Luckily, you don't have to search far as I have compiled and shared it for you in this article.

1. Introducing the Girl Genius puzzle game

Girl Genius is a puzzle game that revolves around the story of a girl who seems to always have bad luck in her life, from being cheated on by her lover to having accidents while traveling, at work. Your task in this fun puzzle game is to help the protagonist solve all the problems by observing the situation, finding the clues and coming up with the right solution. You will explore this girl's life and stories in the process of finding answers to the Girl Genius puzzles.

To unlock a new level and continue to find out what will happen to the main character in the game, you need to complete the current level. One special thing is that Girl Genius does not provide hints like most other quiz games where you have to watch ads to get suggestions. This is annoying and will make it difficult for you to face a challenging puzzle. Don't worry, you can continue to move forward in this case with the list of game Girl Genius answers shared below.

2. Answers Game Girl Genius

The puzzles look extremely simple but will keep you going for a while before you can find the answers. If you have any problems, the above is the answer to the Girl Genius game that you can find whenever you need it.
