

Apple is free to users of the cool game Starman

After a long period of time since the infltr app free time, Apple today gave you a new game, which is Starman: Tale of Light.

You are looking for an interesting game for iPhone devices, but the games on the app are not enough to satisfy your entertainment, and the paid games are too expensive. No problem, in the article below, Network Administrator will introduce you to an extremely interesting title, especially this is a paid game title but currently users can download for free to use it is Starman game: Tale of Light and this unique game were developed by architects Sergio Abril and Jacobo Abril. When playing this game, you will take control of Starman a unique character in the game and to win you have to solve all the puzzles in the dark and frightening space. If you pass all the puzzles, you will bring 'light to the village'. With a challenging puzzle game, the game has made a strong impression thanks to the non-overlapping puzzle system on how to solve it. The developer even designed the game carefully to support the iPhone X without damaging the feeling of gaming experience when seeing 'rabbit ears'.

Note , this game is not free directly on the App Store, if you want to download it for free, you must follow the instructions below to get the game back.

Step 1 : First you have to download the App Store app to your phone, you can access the link below to download it here.
