According to BGR sources, "Apple" not only planned for May 19, but was also busy during the weekend several days ago. Accordingly, there will be a special shift from the night of the 15th to the morning of the 16th.

Apple Store received new equipment and staff would have to hang a black curtain around the store to cover the entire operation.

Thus, if the source is true, Apple has a plan for this anniversary, possibly a discount or a gift when buying specific products. However, the mentioned "new device" raises curiosity for observers.

It could be a new iPhone design or a higher possibility of a special iMac version celebrating the 10th anniversary of the Apple Store.

So far, Apple has often given gifts to customers and fans during their celebrations, at least for those who have queued all day when "*Apple* " launches a new product.

As of the end of 2010, Apple opened 317 stores, of which 233 Apple Store in the US and 84 in Europe and Asia. The venue for these popular devices like the iPhone, iPod, iPad and MacBook contributed \$ 3.2 billion, accounting for 13% of Apple's sales in fiscal year 2010.
