If you are looking for an entertaining, fast-paced action game, and especially love supercars, Asphalt 9: Legends will definitely not disappoint you. Since its official launch in 2018, Gameloft's pet game has won countless prestigious awards, and above all, is well received by the player community.

Talking about why this game has received so much love from the community, Mr. Guillaume Da Costa Vieira, Senior Product Marketing Manager of Asphalt 9: Legends, said:

'It can be said that one of the most important aspects that make the game attractive lies in the huge collection of supercars that are prototyped in real life. We are talking about 140 of the highest speed machines in the world, handpicked from legendary manufacturers like Ferrari, Bugatti and Porsche. The idea that Asphalt 9 is aiming for is that everyone can get behind the wheel of a dream car and experience it in the most realistic way through the screen. Besides, players can also customize their supercars according to a multitude of different ideas depending on personal preferences.

Asphalt 9: Legends includes both individual and multiplayer modes. Along with that is 180 different race tracks. The individual game mode features 900 challenges, while the multiplayer mode will let you pit against 7 racers for prizes and a high position on the leaderboards. A nice feature of multiplayer mode is the automatic rating

system, which ensures that the opponents in a game will be on the same level, thereby limiting cheating.

On Xbox Series X|S, Gameloft has tweaked Asphalt 9 to run at full 4K graphics and 120 fps, ensuring it can compete fairly in terms of graphics experience with racing games. other popular. If you want to switch to playing on a Windows computer, Asphalt 9 supports a convenient cross-platform sync feature. You can find and download the game for free on the Microsoft Store.
