

Asus Lamborghini VX5 - laptop 'supercar' available in Vietnam

ASUS has launched a new high-end laptop Asus Lamborghini VX5 in Vietnam market with a retail price of about VND 70 million.

ASUS has launched a new high-end laptop Asus Lamborghini VX5 in Vietnam market with a retail price of about VND 70 million .

Asus VX5 has a design inspired by the Lamborghini Reventon sports car. The level of the product is confirmed right from the outer shell designed and processed by Lamborghini experts from AZ. Using synthetic materials from Carbon fiber, VX5 is equipped with surprisingly effective anti-scratch and anti-scratch cover. If Lamborghini's class of 'million dollar' supercar is shown in the powerful engine of V12 650 horsepower, acceleration to 100 Km / h in just 3.4 seconds and maximum speed of 340 Km / h, then VX5 is also full Power with CPU Intel Core 2 Quad Q9000, 4GB DDR3, HDD 1TB, NVIDIA GeForce GT 130M 1GB GDDR3 Graphics, ODD Bluray, 16 inch full HD screen. In addition, the VX5 also comes with a TwinTurbo feature that allows users to speed up CPU and chip processing at the same time with just one button - an idea derived from the Turbo button to accelerate on models. sport.

According to computer company Vinh Xuan, distributor of Asus products, laptop Asus Lamborghini VX5 is now available for sale at agents and informatics companies nationwide with reference retail price of 3,888 USD (about 70 million dong), VAT included.
